The Social Side of Life
Local Affairs of the week

By the Observer

The great shock on Monday afternoon of the tragic death of Mrs. Walter R. Smith of Lake Forest who had many acquaintances here caused a pall to fall over society which it has been difficult, even for those who did not know Mrs. Smith personally, to raise. Her death is one of the saddest mysteries that has ever occurred on the North Shore.

Hardly a week passes but sees a scheme launched by some energetic women to assist the work of some good charity or charities. Last week it was the organizing of a committee of ladies to have charge of a large bridge party at which the tables are to be sold for a number of excellent causes.

This affair is to be given on Friday, October 3, at the Highland Park Club under the auspices of the members of the "Ossoli." It is the wish of the committee in charge to dispose of 100 tables at \$6 a table or at \$1.25 a person. The funds raised will go to the benefit of the Relief and Aid Society of Highland Park, the Lake Bluff Orphanage, the Tuberculosis Institute and Gads Hill Center, all of which charities the Ossoli has been interested in for some time. One of the most capable women in the suburb, Mrs. Frank L. Wean, who possesses rare executive ability is chairman of the committee in charge. Now it has never been known that anything the Ossoli has undertaken to be anything but a great success. Consequently it is up to everyone in the vicinity to see that the record remains unbroken. Now let it be understood that all of these charities above mentioned are worthy of help and especially that the Relief and Aid Society is not merely a title but actually has been the means of discovering and assisting a number of worthy but poor families in this vicinity. This society has not gotten in to print as frequently as the other charities but is as worthy and has accomplished just as great a work. The Observer assures her readers that to attend this bridge and to purchase tickets need not be done in the sense of an a'hoed duty but because if you go you will enjoy yourselves and the worth of your money will be returned in the pleasure obtained.

The ladies who form the committee in charge are as follows: Mesdames Eugene A. Bournique, Marshall E. Sampson, J. McGregor Adams, Kenneth Cowan, Richmond Dean, Charles T. Boynton, C. N. Kimball, George McBean, Robert E. Smith, A. R. Warner, Howard H. Hitchcock, Edwin C. Day, John F. L. Curtis, Halsey B. G. White, Edward H. Raymond, John Glass, Robert F. Carr, Arthur W. Jerrens, Guy V. Dickinson, Harry D. Faxon, Frederick W. Cushing, Forest Marsh, Alexander Carqueville, William TenBroeck and Henry Doty.

Deerfield scored again in the third and sixth innings. The visitors did not have a single until the ninth inning and then after one man was out, 32 errors gave the Martin A. GENERAL NEWS.

WASHINGTON—The Wilson administration has at last received what it regards as satisfactory assurances that Huerta will not be a candidate for election to succeed himself as President of Mexico. This it was authoritatively disclosed, is the basis for the optimism expressed by the president and Secretary Bryan in the face of what seemed a period of discouragement. This assurance consists in the construction which the administration itself puts on the second note of Foreign Minister Gamba to John Lind and supplemental verbal exchanges between Gamba and Nelson O'Shaughnessy, charge of the American embassy at Mexico City. The tenor of the conversations between Gamba and O'Shaughnessy, it is asserted, has strengthened this government's interpretation of the Gamba note to the effect that Huerta will not be a candidate.

NEW YORK—The first definite view regarding the murder of the young woman whose dismembered torso and legs were found floating in the Hudson river near the West Shore ferry on the Jersey Shore was turned over to the police when it became practically a certainty that the pillow ticking in which the torso was found last Friday was sold by Sachs, a dealer in second hand furniture at 2762 Eighth avenue near the corner of One Hundred and Forty-sixth street. Mr. Sachs told a reporter that he has only sold two pillow ticks of this type and one to a woman who came into his store on April 22. From his description of the woman the police expect some clue to the identity of the body.

ORRE'S LAND, MAINE—Scientists from Harvard and Bowdoin are on their way to Great Island and at the eastern point of Quochog Bay, three miles from here, to view the petrified skeleton of a mammoth pre-historic mammal which was discovered a few days ago on the farm of Theodore Bullard, a nephew of President Emeritus C. W. Eliot of Harvard college. It was found nearly intact in what seemed to be a cave about fifteen feet under ground.

NEW YORK—Hot, steaming Cooper union crowds—three thousand in the hall and as many in the street—shouted their heads off after a, whole summer of suppression. They were protesting against the impeachment of Governor Sulzer, demanding that Charles F. Murphy be lynched and passing without a single "may" a resolution saying that "the attempt to impeach our governor is a species of treason against the state."

NEW YORK—The largest known bequest to an educational institution in the south in years and the largest recently made to any college is disclosed in the transfer tax appraisal of the estate of Robert F. Doremus, member of the stock exchange firm of De Copet and Eremus, showing that Washington and Lee university of Lexington, Va., will eventually receive \$5,000,000, under the will of Mr. Doremus.

KINGSTON, N. Y.—That Justice Hasbrouck of the supreme court here will sustain Governor Su zix's pardon of Joseph G. Robin was the general opinion entertained at the close of the hearing of the convicted banker's writ of habeas corpus before Justice Hasbrouck in the afternoon. And in rendering his decision it is thought the justice will hold that the assembly illegally impeached Sulzer.

SAN FRANCISCO, CAL.—F. Drew Caminetti has been found guilty of violation of the Mann act in Judge Van Fleet's court after the jury had wrangled over the evidence for four hours. He was found guilty on the first count only. This count charged that Caminetti willfully and knowingly transported Lois Norris from Sacramento to Reno, Nev., for immoral purposes.

AUGUSTA, MAINE—Latest returns received indicate the election of John A. Peters, Republican, in the special election in the Third congressional district to fill the vacancy caused by the death of Forrest Goodwin by a plurality of 600 over William R. Patangall of Waterville, Democrat. The third candidate was Edwin W. Lawrence of Lubec, Progressive.

NEW YORK—Henry Billings Brown, who was formerly associate justice of the United States supreme court, died of heart failure at 11:30 a. m., in the Granatan Inn, Bronxville. The body was shipped to Detroit on a midnight train.

WASHINGTON—The nominations of Charles J. Copleck of Chicago to be minister to Roumania, Serbia and Bulgaria, and Thomas H. Birch of Burlington, N. J., to be minister to Portugal, were sent to the senate by President Wilson.
