REAL SATISFACTION

You must use Nu-Finish to
have real dusting satisfaction.
You cannot get Nu-Finish
results without Nu-Finish.
Every user becomes an en-
thusiast. A trial will convince
you it has no equal.

NU-FINISH

is a marvelous dusting
cleaning, polishing, li-
quid. With it you just
dust in the usual way—
but what a difference!
No dust flying in the
room to settle down again.
Every speck is taken up and taken out—
just stirred up. And, at the same time,
with no extra work, your furniture,
woodwork, and hardwood floors are
cleaned and polished. Try a 5c bottle.

"The Freezer with the Aerating Dasher"

The most wonderful of all freezers. By
means of its astonishing aerating spoons
it whips air into every particle of the
freezing cream, making ice cream that is
a revelation in texture and delicacy.
It breaks all records in speed—
makes perfect ice cream
in 3 minutes.
Requires much less labor and uses less
ice and salt than any other freezer.
See it before you buy a freezer.
