## H. P. CRESCENTS TIE DEERFIELD

### GAME CALLED ACCOUNT OF DARKNESS

Nine Inning Game Sunday at Deerfield. The Score was 8 to 8. Many Excellent Plays Made. To Play off Tie at Later Date.

The Crescents and the Deerfields fought a nine-inning draw battle last Sunday, the count standing 8 to 8 when the umpire called the game on account of darkness. As things were going up to the seventh inning, Deerfield threatened to plaster a good, thick coat of beating onto the locals. In the early innings the home team showed the more spirited attack and potted heavily in the second and fifth frames. But in the seventh the tide turned Crescentward. The visitors then became the aggressors and launched into a rally that not only overcame a big handicap of six runs, but placed them in the lead by one point.

The locals put up the more brilliant game in the field, they being awarded the palm mainly because of the sparkling work of Richards. The Deerfields, however, held a slight advantage at bat, despite the fact that Highland Park obtained one hit more. Four of the Crescents' bingles were scratches, while the home players gathered only two of that same variety.

The game in detail:

**First Inning.**  
Highland Park—Heilman bounced to Torkleson and was tagged out going to first. Richards smote a grounder to center field. Hagan hit to Oberretter and Richards was flagged on the base line. Hagan barely escaping a double killing. Schaefer was retired. Oberretter to Listuz. One hit; no runs.

Deerfield—D. Duffy sliced a grounder to brother Jim, who threw badly to Flinn and Dussie was safe. Richards nabbed Listuz's near Texas leaguer. Oberretter chopped a grounder to Greenalade and D. Duffy made second, but Oberretter was retired. D. Duffy stole third. Torkleson bit to D. Duffy, who fumbled. Torkleson whined second. D. Duffy stole home. Torkleson dug for third and was safe when J. Duffy dropped Schaefer's throw. Seablon potted to Richards. No hits; one run; three errors.

**Second Inning.**  
Highland Park—J. Duffy soaked a liner to left. A passed ball advanced to second. G. Glader shot a hit over D. Duffy's head and J. Duffy scored. George reaching second when the rap sifted through Seablon's legs. Shields fanned. G. Glader hiked to third on a wild pitch. Flinn skied to Willman. Two hits; one run; one error.

Deerfield—Whiting got a safe poke to left center for two bases. Pettis chopped a single to left on which Whiting counted, Pettis going to second on Heilman's peg home. Burns fumbled a safety between Heilman and Hagan and Pettis tallied. Burns suffered second. Willman flew out to Hagan. D. Duffy breezed. Listuz lambasted a triple to left center and Burns registered. Oberretter holsted a pop fly to J. Duffy. Four hits; three runs.

**Third Inning.**  
Highland Park—Greenalade popped to Listuz. Oberretter fumbled Heilman's grounder. Heilman went to second on Richards' infield out, Torkleson to Listuz. Hagan was set down on the same route. No hits; no runs; one error.

Deerfield—Torkleson stopped a stray pitch with his ribs. Richards made a sparkling stop of Seablon's grounder and forced Torkleson at second. Seablon was leagued between first and second by Greenalade and run down by Flinn. Richards and Shields, Whiting was thrown out and incidentally robbed of a hit when Shields made a swell stop of his grounder tagged for right field. No hits; no runs.

**Fourth Inning.**  
Highland Park—Schaefer cracked a liner over second for one base. J. Duffy hit to D. Duffy and Schaefer was forced at second, while Jimmie was doubled at first. G. Glader grounded to Pettis and was thrown out. One hit; no runs.

Deerfield—Pettis was out. J. Duffy to Flinn. Burns fouled to Schaefer. Willman struck out. No hits; no runs.

**Fifth Inning.**  
Highland Park—D. Duffy and Listuz retired. Shields. Flinn banged a liner straight at Oberretter and was out. Greenalade hit to Pettis and was safe on Listuz's fumble. Pettis knocked down Heilman's single and Greenalade was held on second. Richards tipped an infant fly to Listuz. One hit; no runs; one error.

Deerfield—D. Duffy grounded over third for a single. A passed ball put him on second. Richards came

## EXAMINATION FOR SCHOLARSHIP

### A Rhodes Scholarship at Oxford is a Prize of Greater Money Value than any Scholarship at any American University

President Edmund J. James of the University of Illinois, chairman of the Rhodes Scholarship Committee of Illinois, announces that a qualifying examination for all candidates for an Oxford Rhodes scholarship will be held Tuesday, October 14th, and Wednesday, October 15th, 1913, at the Northwestern University Building, corner of Lake and Dearborn streets, Chicago.

This examination is not competitive, but corresponds to the entrance examinations required by many American colleges. From the candidates who pass this examination a scholar will be selected for Illinois, who will begin work at Oxford on October 19th.

Examinations will be given in Latin, Greek and mathematics, but the examination in Greek need not be taken at this time. All candidates who pass in Latin and mathematics will be eligible for a scholarship. In case the person selected as scholar has not taken the examination in Greek, he may take the Oxford entrance examination in this subject in July, 1914.

A Rhodes scholar is appointed for a period of three years and receives the sum of \$1,500 each year. A Rhodes scholarship at Oxford is therefore a prize of greater money value than any scholarship or fellowship at any American university.

The candidate for a Rhodes scholarship must be an unmarried male citizen of the United States, with at least five years' residence; must by the first of October, 1913, have passed his eighteenth but not his twenty-fourth birthday, and must have completed at least his freshman year at some recognized degree-granting university or college.

In accordance with the wishes of Mr. Cecil Rhodes, the committee of selection, in selecting a student for appointment to a scholarship take into consideration: (1) his literary and scholastic attainments; (2) his fondness for and success in mainly outdoor sports, such as football and the like; (3) his qualities of manhood—truth, courage, devotion to duty, sympathy for and protection of the weak, kindliness, unselfishness and fellowship; and (4) his exhibition during school days of moral force of character and instincts to lead and take an interest in his schoolmates.

Candidates are expected to send written applications at once to President Edmund J. James, Urbana, Ill., and will register in person between 8 and 10 a. m. October 14th, at the place of examination. The examination will begin at 10 a. m. Tuesday, October 14th.

## D. S. H. S. FOOTBALL TEAM VICTORIOUS

### First Game of Season. Defeated Nichols Senn High School. Score 32 to 7

The high school football team opened its season victoriously when it defeated the Nichols Senn High School of Chicago 32 to 7 last Saturday. Deerfield won the toss and chose to receive the kick-off. The ball was kicked to White, who ran it back for a distance of thirty yards. Kundson dropped along the side line during the rush, hoping to pull the shoelaces. Unfortunately, however, he was caught at the game and in the attempt the pass was intercepted and carried safely for a touchdown. Senn kicked goal. This scored seven points inside of one minute of play. While this was discouraging to Coach Mellick and the fans, yet the team was not disheartened and only came back with a determination to win the game. After receiving the ball the second time Captain Lamb chose to plug their lines, which style of play proved to be very effective against the Senn line. Smith, Lamb and Grant were sent through the line for six, eight and fifteen yards gain at a time. Inside of eight minutes the score had been changed from 7 to 14 to 25 to 32.

The Senn team, after attempting to punt Deerfield line, gave up and resorted to open field work. They succeeded in working three forward passes for a gain of twenty-two yards, but were held for downs, forcing them always to punt.

Captain Lamb was so disheartened at his first attempt to forward pass that he did not resort to the forward pass plays that Coach Mellick has spent so much time to perfect.

The second team will play Riverside Saturday morning at 10 o'clock at the High School grounds, and the first team will play Chicago Tech at 2:30 Saturday afternoon. The teams are evenly matched and it should be a fight from start to finish. Remember Saturday morning at 10 o'clock and Saturday afternoon at 2:30 o'clock.

## NEARBY NEWS NOTES OF LOCAL INTEREST

### A FOOTBALL SPY AT LAKE FOREST

Lake Forest Man Wins Land Prize. Lunt Library gets Gift at Northwestern University. O. F. Aldis Visits at Lake Forest.

Orrington Lunt Library of Northwestern University has just received the full German edition of the works of the philosopher Nietzsche, along with some interesting facsimiles of manuscripts, presented by his sister Elizabeth, who was his constant helper during his lifetime, the editor of his works and founder of the Nietzsche Museum in Weimar after his death. Her interest in a review of Nietzsche's life, originating in Northwestern University and published in the Chicago Dial, led her to make this generous and very valuable gift. The first of the eleven volumes contains the autograph dedication:

To the Library of Northwestern University, Evanston, Illinois, U. S. A. This edition of the works of Friedrich Nietzsche is presented by the editor, Elizabeth Forster-Nietzsche, Nietzsche-Archives, Weimar, July, 1912.—Evanston Press.

**Football Spy at Lake Forest.**  
Lake Forest football players captured an alleged "spy" after the squad had gone through its first scrimmage drill of the year on Saturday. The stranger, accompanied by a young woman, was seen making notes while the team was sent through some of the trick plays originated for the Northwestern game on Saturday. When asked his purpose the "spy" said he was a newspaper man from Chicago, but was unable to produce any credentials. His complexion disappeared, then the Lake Forest warriors forcibly persuaded him to turn over the notes he had taken.

"Dope" on Lake Forest formation was found on the reverse side of a letterhead from the medical school of Northwestern University. The letter, was addressed to M. M. McCosh, 212 Sherman street, Evanston. The visitor was given three minutes to disappear. He was out of sight in scarcely as many seconds.

Lake Forest authorities will ask the Purple officials to investigate the incident. McCosh is a member of the Purple baseball squad.

McCosh explained Saturday night that he had gone to Lake Forest with his friend, who had contemplated entering that school. Seeing the gridiron squad at work, he decided to watch the practice in the hope that he might be able to learn something of interest to the Purple coaches.

## LAKE SHORE PROPERTY NEEDS PROTECTION

### FROM ENCOACHMENT OF THE LAKE

Former Postmaster Fletcher will give Time to Repairing Timber Breakwaters. Has Recently Repaired Breakwater at Evanston.

The encroachment of the waves of Lake Michigan upon the north shore property during the last fifty years has been a subject for much study, many plans and an outlay of much wealth.

The timber breakwaters that have been built have by the action of the currents in the lake accumulated sand and gravel on the north side of every one, forming a permanent beach, but the same currents have cut away the beach on the south side of every breakwater. This action has compelled property owners to build more of the same kind so that they might be placed from 200 to 500 feet apart.

Mr. A. W. Fletcher, our postmaster for the last thirteen years, has recently repaired some of these timber breakwaters at Evanston which he built forty-nine years ago.

It is safe to say that two-thirds if not three-fourths of all the lake shore property from Lincoln Park to Kenosha, Wis., he has built.

About the first of last July the First Assistant Postmaster General asked Mr. Fletcher to resign his position as postmaster. He did resign immediately. But it appears that the Postoffice Department did not have their man ready September.

Now Mr. Fletcher will devote his energies again to the protection of property on the beautiful north shore.

The great revival in the use of concrete has been applied recently in aiding the timber breakwaters in the protection of property. A concrete sea wall has been built in many places, insuring permanent protection, for it is generally understood that the longer a well-built concrete wall stands the stronger it becomes.

About thirty years ago your writer remembers seeing several valuable acres of land at Wilmette carried away, even up to the main traveled road.

Several acres at South Evanston disappeared, but much of this was restored by building the timber breakwaters.

The United States Government adopted Mr. Fletcher's plans for the protection of the banks at Port Sheridan, and also at the Naval Training Station at North Chicago.

The first timber breakwater along the north shore was built north of the government pier on the Ordway property in October, 1863.

## H. P. YOUNG MEN'S CLUB HOLD MEETING

### Thursday, September 25th. New Officers for Ensuing Year Elected. Refreshments Served

The annual meeting of the Young Men's Club was held Thursday, September 25th, at which the following officers were elected for the ensuing year: President, George B. Jones; First Vice-President, Frank McCaffery; Second Vice-President, Earl W. Grell; Secretary, John E. Conrad; Treasurer, Oscar Boll. After business was transacted refreshments were served.

## NEW CATERING SHOP ESTABLISHED

### By Mary E. Ruggles, at 212 East Central Avenue

A new catering shop will be opened in Highland Park next week under the management of Mary E. Ruggles, who will during the opening week hold a sale of home-made goods at 212 East Central Avenue. Regular catering will be done by Mary E. Ruggles. Afternoon tea will be served for any one desiring it at the catering shop.

## AUTO ACCIDENT ON RAVINE DRIVE

### Feminine Chauffeur has Narrow Escape from Death

A narrow escape from death was experienced by a woman chauffeur on Sunday afternoon on the Ravine drive hill, when the brakes of the gas car which Mrs. Ralph Starkweather of Evanston was driving failed to set, allowing the machine to back into the large ditch at the foot of the hill. Mrs. Starkweather was fortunate in receiving no injuries, and after examination by Dr. H. B. Roberts it was found that apparently she was not internally injured.

## MONTHLY VESPER SERVICES SUNDAY

### October 5, at Presbyterian Church. Usually Fine Program Planned

The monthly vesper services at the Presbyterian Church, which were so well attended last winter, are to be resumed this season and the first service will be held on Sunday, October 5th, at 4:30 o'clock, when a program of unusual musical talent will be given. Appearing on the program will be Mrs. Elizabeth Bagg, who is a Chicago concert hall recitalist of note, and Mr. Bruno Kuehn, a violinist who for a long time was a member of the Thomas Orchestra, with which he played until his eyes failed. The condition of his eyes is now greatly improved.

The program will be as follows:  
Organ Prelude—A Sunset Melody, Vincent.

Invocation and Lord's Prayer (congregation standing).

Contra-Alt Solo—"O Rest in the Lord," Handel. Mrs. Elizabeth F. Bagg.

Organ (a) Legend; (b) Reverie—MacDowell.

Violin Solo—Romance, Svendsen. Mr. Bruno Kuehn.

Organ Prelude—Rachmaninoff.

Scripture and remarks by the pastor—"Filled Unto the Fullness of God."

Contra-Alt Solo—"The Lord is My Shepherd," Schaefer. Mrs. Elizabeth F. Bagg.

Organ—Bacchante in E Minor, Fankles.

Violin Solo—(a) Abandoned, Schumann; (b) Berceuse, Simon. Mr. Bruno Kuehn.

Organ—(a) Meditation; (b) Tocata, Debussy.

Benediction (congregation seated). Amen Response—Organ.

Organist—Mr. Allan B. Benedict.

Communion and reception for new members next Sunday at 11 o'clock.

## LINCOLN SCHOOL LIBRARY ENLARGED

### Earl W. Spencer Presents the School with Twelve Volumes

Mr. Earl W. Spencer has presented the Lincoln School Library with twelve volumes chosen from Illinois' Pigeon Reading Circle. The circulating library now contains 144 carefully chosen books and is well patronized by the boys and girls. The names and authors of these books are as follows:

"Boys of Other Countries," Bayard Taylor.

"The Young Timber Cruisers," Hugh Pendexter.

"The Story of a Bad Boy," Thomas B. Aldridge.

"The Boy with the U. S. Sarrey," Francis R. Wheeler.

"Being a Boy," Charles Dudley Warner.

"Cyrus Hall McCormick," Herbert N. Casson.

"The Children of the Cold," Fred Schwatka.

"Pinnocchio," C. Collode.

"Easy Lessons About Cammo Things," Carolyn G. Adams.

"Our Common Friends or Poes," E. A. Turner.

"A Child's Garden of Verses," Robt. L. Stevenson.

## ELABORATE PREPARATIONS UNDER WAY FOR HUNDRETH ANNIVERSARY OF THE ADMISION OF ILLINOIS TO THE UNION

Plans that are in embryo by the Illinois Centennial Commission for the celebration of the one hundredth anniversary of the admission of Illinois to statehood indicate that the demonstration will be the greatest ever witnessed in the Middle West.

The anniversary does not occur until 1918, but to assure an exhibition commensurate with the importance of the occasion the last General Assembly created the Illinois Centennial Commission, and the members already are preparing for the display.

That every man, woman and child may participate in the festivities, the Centennial Commission proposes a celebration in every county of the state. Suggestions in connection with the plans are solicited by the commission, of which Mrs. Jessie Palmer Weber of the State Historical Society at Springfield is secretary.

## C. & M. E. FRANCHISE DEFEATED

### Citizens of Waukegan Voted Down Franchise by a Majority of 688

By the above majority the voters of Waukegan yesterday showed that they did not want the franchise offered to the city by Chicago & Milwaukee Electric.

3184 votes were cast and of this total 1935 voted against the grant of a thirty year franchise on the local streets while 1249 favored this grant.

## CONCERNING SHERIDAN ROAD ASSOCIATION

### DINNER AT MORAIN TUESDAY EVENING

To the Mayor and Alderman of the City and Other Officials. Round-Table Talk on Relation of City to Road Association.

At a dinner given at the Moraine Hotel on Tuesday evening of this week by Mr. F. W. Cushing, the local chairman of the Sheridan Road Association, to the mayor and aldermen of the city, the city attorney, Mr. Bensch, representing the Highland Park Business Men's Association; Mr. E. L. Lobdell, president, and Mr. George A. Mason, general counsel of the Sheridan Road Association, a round-table talk on the relation of the city to the road association was indulged in. Mr. Mason explained the law recently passed by the legislature, Mr. Lobdell, at considerable length, gave the history of the association and the work it had already accomplished as well as the work now being done to acquire a right of way through Evanston and other places along the line, and a general and very interesting discussion of the whole question followed, with the result that the gentlemen present went away fully informed on the situation, having received their information from authoritative sources. As the question of acting under the Sheridan road law will soon be brought before our council, it was Mr. Cushing's desire to have this preliminary informal talk on the subject so that when the time comes to act officially the city fathers could approach the subject with open minds and give the city the benefit of their matured judgment.

As the issue approaches when the various towns between Evanston and the state line will have to act under the new law, it is hoped that the provisions are gradually disappearing and we hope that in the near future work will actually begin to the end that the North Shore will have a road to be proud of. An immense amount of work has been done in the preliminary arrangements and the generous cooperation of the Sheridan Road Association are to be commended for the fine services they have rendered and are rendering to the public every day under Mr. Lobdell's direction.

## LARGE TRANSACTION MADE LAST WEEK

### John A. J. Whipple Purchases 500 Feet of Lake Frontage on S. Sheridan Road at \$90 per Foot

An important transaction in Highland Park lake frontage was closed last week of special interest because it involves what is said to be practically the last piece of lake frontage property to be had here. It comprises 500 feet of frontage on Sheridan road in the south end, extending to Lake Michigan, and was a 11 by Robert L. McElroy to John A. J. Whipple for \$45,000. It is about 700 feet north of the homes recently purchased by Julius Rosenwald and Fred L. Mardel, and is a short distance south of several new homes recently erected by E. V. Price, John Glass, H. H. Hitchcock, Montgomery Ward and others. The property, it is said, was purchased by Mr. Whipple as an investment. W. G. Krutz, Jr., represented the seller, and McGuire & Orr the purchaser.

## LECTURE ON CHRISTIAN SCIENCE

### Saturday, October 4, at First Church of Christ, Scientist, at 8 o'clock

Saturday evening, October 4th, at 8 o'clock, at the church edifice of First Church of Christ, Scientist, Highland Park, a lecture on Christian Science will be given by Mr. Clarence W. Chadwick, C. S. B., of Omaha, Neb., who is a member of the board of trusteeship of the mother church, the First Church of Christ, Scientist, in Boston, Mass.

The subject will be "Christian Science: The Resurrection and the Life." The lecture is free, and the public is cordially invited to attend.

## ELABORATE PREPARATION FOR BAZAAR

### To be held in St. James Parish Hall, in Highwood, the Second Week in November

The ladies of St. James Catholic Church of Highwood are making elaborate plans for a bazaar to be held the second week of November in the parish hall. Under the able management of Miss Rose Fagan the affair is sure to be successful. Many donations have already been made and the ladies are busy sewing useful articles, such as quilts, aprons, pillow tops, etc., which will be on sale. Any donations will be very much appreciated by the ladies.
