Deerfield-Shields Football Squad

The High School did itself great credit last Saturday when both football teams won by a large margin. The second team played Riverside High School in the morning and had no trouble in piling up the score of 25-4. Geo. Bolan, the captain, displayed fine form in carrying the ball and also his ability in breaking up plays on the defense. The Scauffler Brothers, Cecil Burrige and Knudson snowed flashes of very good foot-ball.

The first team, for the most part sat and watched the morning game and made a careful study of the weaknesses of the second team and resolved to rectify them in their own playing with the Lane Tech. This was especially true with tackling. The second team, time after time failed to stop the men in their attempt at tackling.

Deerfield won the toss and chose to receive. Samuel Bingham dropped along the side line while the ball was being carried back. Captain Lamb knowing the play had to be pulled quickly rushed his men into formation and had the ball snapped before the Lane men knew what had happened. Bingham caught the forward and went for a good gain. With a few line plunges and an end run by G. B. Scholtz brought the oval to the 1 yard line within three minutes. The ball was rushed through guard for a touch-down. Martin failed to kick goal, thus in three minutes the score was 6-0. This gave Lane a chance to receive and thus show what they could do on defense. Lane fumbled, however, and it was Deerfield's ball by recovery on the Lane's 25 yard line. Deerfield was held for downs and the ball went over. After a few plunges Lane was compelled to punt.

It was plain from this stage of the game that Deerfield was stronger both on defense and offense and that the final outcome was assured to the local team. The Lane team was completely at sea when Deerfield opened up and began its forward pass work. Pattie White carried a pass twenty yards for a touch-down. In the 4 quarter White, after carrying the ball for 50 yards around the end was downed and resulted in a sprained ankle. Knudson was called to take his place. The ball was soon rushed over for six more points. The team having had it so easy throughout the whole game began to ease up and while in the act of kidding their opponents was caught asleep and the Lane quarter-back shot through center and got away 60 yards for a touch-down. They failed at goal and thus the contest ended 27-6.

The team will play Lake View, Saturday, October 11th at 2:30. The Lake View team held New Trier to a 13-13 tie last Saturday. If Deerfield can hang a defeat on Lake View it will give them the dope on New Trier which is no little satisfaction to the local team. Thus far New Trier has not consented to give Deerfield a game, but it is hoped that the management will succeed in arranging a game for the latter part of the season. Remember, Saturday morning at the high school grounds.

Parents and Teachers' Association

Parent Teacher Association.
 The executive board of the Parent Teachers' Association met last Tuesday at the home of the president, Mrs. A. B. Bastin. There were eighteen present, almost a full attendance.

Mrs. R. J. Beatty was unanimously chosen chairman of the South Division of the P. T. A. an office recently vacated by Mrs. C. N. Kimball.

It was decided to ask Ravinia, Highwood, the West and Deerfield Schools to send to our preceding board meetings, representatives of their respective districts.

A program committee, with Mrs. B. W. Schumacher as chairman, was appointed to consider the advisability of printing a joint program for the three divisions. This would enable interested ones to keep in touch with the work of all divisions. The dates of the various meetings of different divisions would be planned before hand so as not to conflict with one another. A member of any division is not only entitled to attend meetings of other divisions, but is urged to do so.

It was further decided to take steps toward revising the present constitution so that it might fit more perfectly the needs of the growing association. A committee for this work will be announced later.

The sentiment of the meeting was in favor of securing the services of the best possible lecturer for an evening not far distant, when the association as a whole might meet in an open rally.

Woman's Club

The opening meeting of the Highland Park Woman's Club, held Tuesday, October 7th, was a very informal and entertaining occasion. Notices were read of the meetings of the Local Board of the State Federation to be held at the Evanston Woman's Club on October 8th and 22d and November 5th, at 10 a. m. Announcement of officers for the ensuing year were as follows: Mrs. Charles H. Baker, president; Mrs. David M. Erakine and Mrs. Frederick Noerenberg, vice-presidents; Mrs. A. Leslie McPherson, recording secretary; Mrs. William M. Dooley, corresponding secretary; Mrs. John C. Duff, treasurer, and Board of Directors: Mrs. Henry J. Thayer, Mrs. C. G. Phillips, Mrs. Maud H. Shannon and Mrs. Charles F. Drake. The subject of the afternoon was "Vacation Topics." Those who told of their trips and experiences during the summer were the Mesdames Schaefer, Holabird, Gall, Thayer, Fred Schumacher, Olson and Carriel.

Miss Bertha Harbaugh opened the program with two very delightful piano selections: "Gavotte and Musette," by d'Albert, and "Butterfly," by Lazzelle.

A motion was made and carried that the city be requested to authorize the Electric Car Company to provide stepping platforms at Central Avenue and Elm place; the secretary was instructed to notify the city council of said motion.

The hostesses for the afternoon were the officers and directors of the incoming year.

High School Notes

At the freshman class meeting last week the following officers were elected: President, Gilmore Murphy; vice president, Frances Van Stenderen; secretary and treasurer, Leland Smith; Edward Lindenmeyer, athletic representative, and Frederick Spencer, the annual representative.

The Debating Club of the Deerfield Shields High School opened this fall with a social meeting held at the home of Leslie and Goodrich Schauflier, 429 Oakwood Avenue.

The meeting began with an inspiring talk in connection with plans for the coming year by Samuel Bingham, President of the society.

A short business meeting preceded the debate. The subject of debate was: Resolved, That the United States should intervene in Mexico. Speakers: Thomas Findlay and Leslie Schauflier, affirmative; Edwin Gilroy and Harold Barker, negative. The judges decided in favor of the affirmative.

The meeting adjourned and the rest of the evening was devoted to a delightful social time.

The officers for this year have been elected as follows: Samuel Bingham, President; Mary French, Vice-President; Rowena Bastin, Secretary; Thomas Findlay, Treasurer, and George Baldwin, Sergeant-at-Arms. The club will meet on Tuesdays of every other week after school.

ELM PLACE CELEBRATES FESTIVAL

Of the Sumac and the wild Aster. More than One Hundred Children Appeared in Costume

The last hour of school on Friday was given up to a sort of impromptu open-air festival which was announced as the "Festival of the sumac and the wild aster." The notice was sent out to the rooms in the morning and all who cared were invited to appear in fancy costume. More than a hundred children took advantage of this and their costumes were as varied as the colors of the autumn foliage. The long procession of pupils of all grades moved out of the south door, each grade with a flag bearer at its head and a pupil bearing a vase of wild asters. Two boys with drums furnished music as the pupils marched up the street and through the woods and down into the natural amphitheater formed by the ravine north of the building. For the exercises the flag bearers were massed in one place, the flower bearers sat down on the grass, and the pupils of the various grades were stationed on the rustic bridges and along the railing looking over into the ravine. Veran Florent gave a cornet solo, Douglas Warnes recited "The Fringed Gentian," Seymour Jones "The Wind," and James Bolan gave Keats' poem, "The Grasshopper." Miss Cole's pupils gave some singing games and Miss McCord's pupils some folk dances, the Victor furnishing the music. Miss White's pupils recited two of Stevenson's poems and Miss Moore's pupils sang about the golden rod and the aster. Then Mr. Smith awarded the prizes for those who took part in the aster and tomato exhibit of three weeks ago. The names of the prize winners in the flower contest have been published in the Press. Those who received prizes for the best exhibits of tomatoes were as follows: Doris Oliver, first prize for potted plant in full fruit; Mildred Maechtle, first prize for the largest tomato; George Beck, first prize for the best shaped tomato; Irene Stevenson, Amelia Dixon and Carl Larsoh honorable mention for excellent specimens displayed. Each of those who had received honorable mention in the flower and fruit contest was given a package of paper white narcissus. To the prize winners potted chrysanthemums, cyclamens, and solanums were given. Mr. Fritz Bahr donated the narcissus and the Elm Place Division of the P. T. A. the potted plants. After the distribution of awards the procession reformed and marched to the base of the newly repaired flag pole. Here the flag was hoisted with the customary amount of cheering and a tom-tom of the drums closed the festival.
