Smith sang beautifully, accompanied by Miss Estelle Clark at the piano. Then the president turned the meeting over to Mrs. George G. Her Only Thought

The late Duke of Sutherland, who was the largest landowner in Europe, had at his residence a small private railway and one day he amused himself by driving the engine.

There is a little story that illustrates the reverence in which his Highland tenants held the Duke.

He was driving his little train one afternoon when he ran down an old woman. She was not seriously hurt—the amateur engineer never went very fast—and after ten or fifteen minutes she came to.

Her first words were these:

"Is the duke very angry?"

Answered

"Do you dance on your toes, Miss Quickwit?"

"Never, Mr. Clumsey. Other people do that for me."

And he didn't know just what she meant until he tried to get another dance with her.

Woman's Club

The next regular meeting of the Highland Park Woman's Club will be held in the club rooms Tuesday afternoon. The guest of the day will be Miss Magdelaine Alexander who is a pupil of the "Theodore Parson's School of Brain Culture and Scientific Body Building." Miss Alexander will give several musical interpretations accompanied by Miss Huguette at the piano and will give two readings. Miss Berry of Chicago will sing selections from the opera "Louise." The program promises to be a very entertaining one and a large attendance is desired. This program is of special interest to the young people.

Highland Park Club

The popularity of the club was very clearly demonstrated at the last directors meeting when twelve new members were elected to the organization, making within two of the limited membership.

Many members have expressed their appreciation of the improvements made to the club property, particularly those of re-decorating the dining room and hallway. The pool tables have been re-covered and a liberal supply of new cues have been installed, making the billiard room as nearly up to date as possible. The Entertainment Committee hope during the coming season to hold tournaments both for pool and billiards. Particulars will be announced later.

Friday night will probably be the most popular of the seasons entertainment for the young people. The directors have made special efforts to have a delightful evening of comedies, educational and up to date subjects shown in film. Sandy and Shorty, two interesting characters of last season are again on the railroad ties. John Bunny with the smile that won't come off, Alki Ike and his motor cycles, the Ups and Downs of Mickey Mahone, are some of the pictures that are already secured.

The reception and dance on Saturday promises one of the largest attendances of the club's many openings.

The card party to be held on Tuesday, 21st will have a new diversion in Rummage in addition to the usual 500 and bridge. It is hoped a large number of members will attend these Tuesday evening parties.
