John A. Dowie's Widow Loses Home on

 Waukegan Docks

**North Chicago to have new Hotel**

Next spring a hotel and restaurant building  
 will be erected at the north-west cor-  
 ner of Broadway and State in North Chi-  
 cago by a Chicago man who this week pur-  
 chased the property from the North Chi-  
 cago Land Association for the sum of \$2,  
 500. F. N. Tomlinson, local manager for  
 the association, negotiated the deal. The  
 lot has a frontage of seventy-five feet on  
 State street and fifty feet on Broadway.  
 It is one of the best business corners in  
 the city.—Times-Review.

**John A. Dowie's Widow Loses Home**

Former Judge Charles E. Soule, of Grand  
 Haven, Mich., foreclosed a mortgage for  
 \$12,000 on the magnificent summer home  
 of the late John Alexander Dowie on  
 White Lake, Mich. The mansion with  
 adjoining golf links was valued at \$100,000.

**Barnes Endorsed for Judge**

Attorney C. P. Barnes, of Woodstock,  
 who is seeking the Progressive nomina-  
 tion for supreme court judge of this dis-  
 trict, has been given a big boost by the  
 attorneys and county officers of McHenry  
 county, who have issued a signed ad-  
 dress to the attorneys and voters of the  
 counties comprising the sixth supreme  
 court division of the state.—North Chi-  
 cago Times-Review.

**Fire on Waukegan Coal Docks**

The Reiss Coal dock people are con-  
 siderably worried over the condition that  
 has developed at their dock whereby a  
 large pile containing about 60,000 tons of  
 bituminous coal is on fire and up to the  
 present time has defied all efforts to ex-  
 tinguish it. Every possible effort is be-  
 ing made to locate the source of the fire.  
 If this is not possible the company will  
 be compelled to resort to the expensive  
 proceeding of dumping a large portion  
 of the burning coal into the harbor and  
 later removing it by means of their clam-  
 shell bucks or by means of a dredge.

Let us forget that "politics we have  
 always with us" we announce the fact  
 that Wm. Rosing of Grays Lake has an-  
 nounced his candidacy for the Republican  
 nomination for county treasurer. Mr.  
 Rosing states that he is willing to work  
 for the salary and will return any fees  
 collected.

The following, from the Grays Lake  
 Times, also might be construed into  
 something having to do with politics.  
 James, we believe, being a candidate to  
 for succession to his boss: "James Hep-  
 burn, the trustworthy assistant to the  
 present efficient county treasurer, Carl  
 Westerfield was in Grays Lake and Round  
 Lake Monday calling on his friends."

According to the Times-Review the cur-  
 few ordinance which has been on the  
 records of North Chicago for years is now  
 in force and every child that is under  
 fifteen years of age will be taken into  
 custody if found on the streets after eight  
 o'clock in the evening.

**Woman's Club**

October 21st was the second meeting  
 of the Club this fall, held as usual at the  
 club rooms at three o'clock. The day  
 was in charge of Mrs. Henry J. Thayer.  
 The program opened with a beautiful  
 piano solo, Valse Aimee, by Miss Lena  
 Davis of the Columbia School of music.  
 Miss Magdelaine Alexander of the "Theo-  
 dore Parsons School of Brain Culture and  
 Scientific Body Building," gave very en-  
 tertaining two readings, "Harjorie Daw"  
 and "The End," by Rudyrd Kipling. As  
 an encore she gave a catchy little musi-  
 cal monologue entitled "Babies". Miss  
 Genevieve Berry, who is a pupil of Mrs.  
 Hannah Butler sang delightfully, selec-  
 tions from the opera "Louise" and as an  
 encore, "In the Time of Roses". This  
 was followed by several musical mono-  
 logues given most cleverly by Miss Al-  
 exander, "The Patch Work Quilt" and  
 "The Lesson with the Fan," accompanied  
 by Miss Leonore Hogue at the piano.  
 Miss Hogue is also from the Columbian  
 School of Music and has taken Miss Mc-  
 Crystle's place here in Highland Park.  
 "For A Kiss," and "The Spirit Flower"  
 were sung by Miss Berry, accompanied  
 by Miss Hogue at the piano. Miss Berry  
 gave as an encore to use a humorous  
 little song, called "If No One Ever Mar-  
 ries Me." Miss Lena Davis played ex-  
 quisitely Grieg's beautiful "Norwegian  
 Wedding Day." The program closed  
 with a talk by Miss Alexander who ex-  
 plained and illustrated the kind of work  
 Mrs. Parsons did in her school of elocu-  
 tion. Refreshments were served and the  
 hostesses for the afternoon were: Mes-  
 dames A. A. Putnam, John Putnam, Fred  
 Clow, Henry Boyd, T. H. Decker and  
 Grant.

It will be of interest to people here to  
 know that Miss Magdelaine Alexander ex-  
 pects to start just such a class in High-  
 land Park as she herself is studying with  
 in Chicago under the direction of Mrs.  
 Theodore Parsons.

**CRESCENTS WIN LAST  
 OF DEERFIELD SERIES**

**GAME PLAYED ON LATTER'S GROUNDS**

Was the Most Stubbornly Fought and  
 Proved Most Interesting of the  
 Entire Series. Final  
 Score 4 to 3

The Crescents gave 1913 base ball a fit-  
 ting adieu when they scored a splendid  
 4 to 3 victory over Deerfield last Sunday  
 on the latter's grounds. The game was  
 the most stubbornly fought and most in-  
 teresting of the entire series. Despite  
 the chilly weather a great crowd, con-  
 servatively estimated at between 500 and  
 600, turned out to witness the struggle.  
 At least half of the spectators were  
 Highland Parkers.

The Deerfield nine was strengthened  
 greatly by the acquisition of Ruger,  
 Glen View's star hurler. He pitched a  
 strong game but our own twirler, Green-  
 slade, had the better of the pitching duel.  
 Bob was in top notch form, and the  
 players behind him, especially the in-  
 fielders and Kral, his battery mate, sup-  
 ported him in faultless fashion. Ruger's  
 backing on the other hand was not so  
 rigid, but it was subjected to a corres-  
 pondingly heavier fire by the local hitters.

It is difficult to single out the Highland  
 Park fielding hero, for the entire local  
 inner defense performed nobly, but Jim-  
 mie Duffy deserves special mention as he  
 accepted the greatest number of difficult  
 chances. Howard Flinn carried off the  
 batting honors with a trio of safeties.  
 His nearest rivals were Ruger and Listing  
 of Deerfield and George Glader in the or-  
 der named.

Owing to lack of time and space, we  
 regret that we cannot print the game of  
 innings.

**MORE PROTESTS ON  
 WAUKEGAN SEWAGE**

**VOICE OF KENILWORTH IS NOW HEARD**

Village President says "Boil the Water,"  
 Claim Sewage from Waukegan  
 is Cause of Contamina-  
 tion

If there is any truth in stories being  
 printed in various North Shore and Chi-  
 cago papers, legal steps are to be taken  
 to force the city officials of Waukegan to  
 dispose of the city's sewage in some way  
 other than running it into the lake. The  
 Lake Forester last week printed the fol-  
 lowing:

"Residents of different North Shore  
 cities to the south of here, those living  
 in Kenilworth especially, protest that the  
 sewage dumped into the lake of Waukegan  
 pollutes the source of supply for all  
 the cities along the North Shore.

That official action is planned and will  
 be attempted at once is indicated by the  
 following paragraph which appeared in  
 the Chicago Journal on Monday evening.

"Believing that there is an epidemic of  
 typhoid imminent, the Kenilworth  
 Board of health has sent out notices  
 warning the residents of the village  
 against the use of unboiled water. Dr.  
 R. B. Stolp, president of the board, de-  
 clared that sewage from Waukegan has  
 contaminated the water supply of the en-  
 tire North Shore and that the public  
 health is seriously endangered. So grave  
 is the situation that plans are being con-  
 sidered as to taking legal action against  
 the authorities of Waukegan to compel  
 them to dispose of the sewage in some  
 other manner than pouring it into the  
 lake."

It is claimed by experts that the flow  
 of water from the lake into the drainage  
 canal has created a strong south current  
 that causes the sewage to flow south, er-  
 dangering the health of the whole North  
 Shore."

**Highland Park Club**

The large attendance at the opening of  
 the Friday night motion picture exhibit  
 was very gratifying to the directors. Over  
 300 seats were occupied and the splendid  
 films presented made a very delightful  
 evening's entertainment.

A number of members have asked that  
 some drama be shown. Several are al-  
 ready booked and due announcements  
 will be made of the titles.

Industrial pictures are becoming very  
 popular and we have secured some very  
 interesting subjects: The Workings of  
 the Coal Mine, Agricultural Machinery  
 and Farm Implements.

The card party was largely attended  
 on Tuesday night. The directors hope  
 for still larger attendance at these enter-  
 tainments.
