REAL SATISFACTION

You must use **NU-Finish** to have real 'dusting satisfaction'. You cannot get **NU-Finish** results without **NU-Finish**. Every user becomes an enthusiast. A trial will convince you it has no equal.

NU-FINISH is a marvelous dusting-cleaning, polishing liquid. With it you just dust in the usual way, but what a difference. No dust flying in the room to settle down again. Every speck is taken up and taken out--not just stirred up. And, at the same time, with no extra work, your furniture, woodwork and hardwood floors are cleaned and polished. Try a 25c bottle.
