REAL SATISFACTION

You must use Nu-Finish to have real 'dusting satisfaction'. You cannot get Nu-Finish results without Nu-Finish. Every user becomes an enthusiast. A trial will convince you it has no equal.

NU-FINISH

is a marvelous dusting-cleaning, polishing liquid. With it you just dust in the usual way... but what a difference! No dust flying in the room to settle down again. Every speck is taken up and taken out... not just stirred up. And, at the same time, with no extra work, your furniture, woodwork and hardwood floors are cleaned and polished. Try a 25c bottle.

To the Fourth Ward Voters In announcing my candidacy for alderman of the fourth ward I wish to call the attention of the voters from whom I will ask support, to these three very much alive and vital questions which are before the present council and will be before the council of which I will be a member if elected, or of which the one of my opponents elected will be a member; first, The Sheridan Road Question. The Sheridan Road Improvement Association is still working to have this road turned over to the Lincoln Park Commissioners. I believe that the City of Highland Park is entirely capable of rebuilding, as it has started to do, this road and maintaining it and I do not see the necessity of turning it or any other road over to an outside body and then be dictated to as to how much money we shall spend of how we shall spend it. Second, The Lake Park Question: I believe that it is possible to find some method whereby the city can care for this property in the manner in which it should be cared for and, owing to the legal points involved in turning it over to the Park Commissioners I would exhaust every effort in an endeavor to find this method before I would think of allowing it to leave the city's hands. Third, The Milwaukee Electric Franchise: This question will come up and I can assure the voters that I am against granting the road any further favors until it has made good on its many past promises. If the voters of the ward see fit to elect me to the office I assure them of an honest attempt to serve them well and with justice.
