

The Magic Electric Suction Cleaner

Unequaled for Power and Durability. Equipped with Special Westinghouse Motor

Cleans Entirely by Air
NO BRUSHES USED ON THE CARPETS RUGS AND OTHER FABRICS

Weights Only 10 Pounds
Simply constructed, has only two moving parts, a fan and a motor to run it. Does not get out of order.

Cleaning with the MAGIC eliminates all of the fatigue and annoyance of housecleaning by other means—no need of upsetting the home, moving carpets, rugs, furniture. Pays for itself—saves time, labor and household furnishings. Most of the damage and wear of carpets, rugs, etc. is caused by sweeping, beating and by friction of grit and dust under foot, which cuts and grinds off the fabric and which cannot be removed by broom or sweeper. The MAGIC positively removes all dirt without injury, and prolongs their life.
