REAL SATISFACTION

You must use Nu-Finish to have real dusting satisfaction. You cannot get Nu-Finish results without Nu-Finish. Every user becomes an enthusiast. A trial will convince you it has no equal.

NU-FINISH

is a marvelous dusting-cleaning, polishing liquid. With it you just dust in the usual way—but what a difference! No dust flying in the room to settle down again. Every speck is taken up and taken out—not just stirred up. And, at the same time, with no extra work, your furniture, woodwork and hardwood floors are cleaned and polished. Try a 25c bottle.
