

Have you ever wanted a collar badly and found those just returned to you badly worn and broken?

Did you ever start to dress in a hurry, put on your collar, start to tie your four-in-hand and have your tie stick?

What did you do? Give the collar a yank, have it come unbuttoned or buckle up and crack at the joints? If after the struggle you succeeded with the tie did you whistle merrily or did you ———?

### The Social Side of Life Local Affairs of the week

By the Observer

Almost without warning the summer is again upon us, in all its usual beauty and loveliness—city folk are flocking to the North Shore suburbs to spend the summer months and suburbanites in turn are renting their homes and are planning to summer elsewhere. The Exmoor Country Club and the Moraine Hotel promise to be gay with social events this season. The former having had its formal opening last Saturday evening, May 30th, with the annual dinner-dance. A number of dinner parties were given, making the evening a scene of gaiety. Wednesday was known as "Open Day," the Western Woman's Golf Association met at the Exmoor. There were several luncheon parties that afternoon. Thursday afternoons, beginning June 13th, will be ladies' day. Besides golf there will be luncheons followed by bridge. Tea will be served from five until seven o'clock after which there will be dancing. There isn't a doubt that with this attractive program on ladies' day it will prove to be even more popular than in previous seasons. Among the women players who will have charge of various days and events during the season of 1914 are: Mrs. Robert W. Buckley, Mrs. Ward W. Willis, Mrs. John F. L. Curtis, Mrs. Edward H. Raymond, Mrs. John M. Tuttle, Mrs. Eugene E. Andrews, Mrs. George Allen Mason, Mrs. William Tapper, Mrs. D. F. Kelly, Mrs. James S. Hopkins, Mrs. A. B. McCaughey, Mrs. Walter E. Carr, Mrs. C. E. Kimball to meet Mrs. Marietta Johnson, founder and principal of an experimental school in Fair Hope, Ala. for Organic Education, which has attracted wide attention.
