

# THE WAR IN EUROPE

If I had my say I would assemble every King (Kink), Prince, Potentate, Czarowitch and Duke and all of the other Drones responsible for the scientific study of how to kill wholesale and send them to the City's Dump, press the sword of Honor in their hands and fasten it tight, and shout, Lead on Mac Duff for your glorious country, lead on for a glorious victory, fight it out among you and whoever happens to survive, we are going to hang him.

Talk about the folly of women in the latest fashion dress, how about the men? Leaders of nations in the 20th Century, Diplomats, Statesmen and Soldiers with feather Hats, dressed like Clowns, their manly chests draped with gilded braid and proud to have it hung full of hardware junk, the order or the Iron Cross of the 9th class for killing innocent men, Human beings, or perhaps the Star and Garter for sinking the enemy's ship and by so doing make a thousand mothers weep. What for? Send them to the Dump and let the subjects pray to God that they never come back. Transform the Palaces into Free Royal Nickel Shows and Thompson's Lunch Rooms. These two modern institutions are doing more for humanity than all the Emperors and Kings who claim to rule by Divine right. Do away with them and war will cease. It will be the dawn of a Social Democracy of the people, a Universal Brotherhood of Man and a United States of Europe and away off in the distance the United States of all the people of the earth. That's the time the Florist's business will flourish, no flowers for the graves of the soldiers but to enjoy them while they live. Even now, here, far away from the slaughterfields of Europe, plant flowers, trees and shrubs, the more we all come in contact with them, the better we will be for it. The boy scout who plays with gun and sword requires little encouragement to become a soldier. Why not have him occupy his time planting? Creating, not destroying. Think it over, if you need assistance call up 85. Let's help you to lay out your beds and borders for planting this fall. We carry everything for "The Garden Beautiful".
