"The Freezer with the Aerating Dasher"

The most wonderful of all freezers. By means of its aerating dashers it whips air into every particle of the freezing cream, making ice cream that is a revelation in texture and delicacy. It breaks all records in speed—makes perfect ice cream in 3 minutes.

The Home Patron's Creed

I buy at home because my interests are here; Because, the community which is good enough for me to live in is good enough for me to buy in; Because, I believe in transacting business with my friends; Because, I want to see the goods; Because, I want to get what I buy when I pay for it; Because, my home dealer "carries" me when I "run short"; Because, every dollar I spend at home stays at home and works for the community in which I live; Because, the man I buy from stands back of his goods; Because, I sell what I produce here at home, and here I buy; Because, the man I buy from pays his part of the town, county and state tax; Because, the man I buy from helps support my schools, my church, my lodge, my home; Because, when ill luck, misfortune or bereavement comes, the man I buy from is here with his kindly greeting, his words of cheer and his pocket-book, if need be; Because, every dollar I spend at home gives me another chance at that dollar.

Here I live, and here I buy. I BUY AT HOME. —Dry Goods Reporter.

suit different men. But every man must have his clothes clean, unspotted and neat if he would create a good impression and make a successful appearance. Our Cleaning and Pressing make every man look neat and prosperous. Why not send your clothes to us regularly? It adds much to your appearance and costs little.

Why not have your clothing renovated here this week and give our work a fair trial?

Our CLEANING AND DYEING of ladies' and gent's garments, oriental rugs, carpets, portiers, draperies, piano covers, lace curtains, etc., cannot be duplicated by any local cleaner, as we have the LARGEST and most SANITARY plant in the West.

A wagon will call for and deliver your garments

**SAVE MONEY** by contracting for your heating work now. For several years boilers and radiators have dropped 10 per cent in late winter advancing again, 5 per cent in July and 5 per cent in September.

You can save about 10 per cent by contracting at once. 10 per cent for three months is big interest.
