Highland Park Club

The program for the October entertainments promises to keep the members busy for the remainder of the month.

Tuesday the 13th is the opening reception and dance, the following Thursday the Ossoli are having a Card Party for the benefit of their Philanthropy Fund and a large attendance is expected. The committee is working very hard to make this one of their big successes of the season.

Friday the 16th, is very anxiously being looked forward to by the young people as this is the commencement of the Motion Pictures. Numerous requests have been received by the entertainment committee to have one of the serial stories which are so popular at the present time given during the winter, after careful investigation and enquires they came to the conclusion to present "The Perils of Pauline". A number of the members have already seen these pictures express a desire they be repeated. A large proportion have only seen odd numbers and wish to follow the story to its conclusion.

In addition to the various lectures arranged for this season, several high class Photo Plays will be given. On Tuesday the 27th will be represented "The Sea Wolf". To facilitate the handling of these large subjects we have now two machines installed and we may congratulate ourselves on having as up-to-date an installation as any in the country.

Saturday the 31st being Halloween the usual Children's party will be held from seven until nine o'clock. There will be games, bob apple, dancing, and other amusements.

On Tuesday the 20th the monthly card party will be held and the Entertainment Committee wishes the ladies would endeavor to keep this date and make this evening one of the most enjoyable ones, while the attendance at these functions are not as large as we desire, they bring together members who do not attend the dances etc. and we hope to see a larger number present on this occasion than ever before.
