

# Thanksgiving 1914

**THANKSGIVING** is one of the most significant Holidays of the year, it is a day when everything throughout the Country is laid aside in order to join in a Spirit of Gratitude and Appreciation for the many privileges we have enjoyed in the past 12 months.

Just 293 years ago the first Thanksgiving day was observed by our Forefathers, it was more in the nature of a Harvest Festival and even the friendly Indians joined in the celebration, congratulating themselves on still being among the living, and so should we today, while many millions of Human Beings are going to spend the day in sorrow and misery.

Some day, even if far off, we won't have little Boundary lines dividing people into different Nations, each one with their own King, their own Flag and own National Culture. considered by them away ahead of all others. We will all belong to one great Family and Human Life will be considered more valuable than Commodities.

All that is happening over in Europe is working towards that very end, no permanent peace could have been possible under existing conditions and all that fearful slaughter in Lives. Humanity is paying for clearing the way towards the time when there will be celebrated a Thanksgiving day by all the People of the Earth, a Real Thanksgiving when Man has finally conquered himself.

For this year in order to fitly celebrate the 26th of November instead of having a great big Feast at noon that will make you uncomfortable, try this: Do your share towards a Barrel of Flour for the poor Belgians, buy a smaller Turkey and don't forget the Flowers.

As long as we kill Turks or Turkeys we are still nothing more than polished Barbarians; let's get away from it and use some of the wonderful Vegetables, Cereals and Fruits Nature tempts us with, to adorn our Table and never without a few Flowers in the center.

For the average Household of our Good Town, Flowers shouldn't be considered Luxuries no more than Bread and Butter on the Table; Rich Food and a lot of it doesn't make anyone happy, but a simple Repast and a few Flowers go a great way towards a long and happy Life.

If you want to Remember a sick Friend or for that matter one in the best of Health but perhaps unable to be with you on Thanksgiving, let's send him or her some Silver Medal Posies. Bahr's Flowers go far, far away from Home to create happy faces, they are known in ever so many places as the best that Scientific Culture can create. Can't we serve you? Maybe you would like to talk to us over phone 85.

## Highland Park Greenhouses

Think this over: A few weeks ago the Whole Nation joined in Prayer to end the War, but in order to bring the end about a little quicker, we sent ship after ship loaded down with Oil and Copper to make Bombs and Cartridges out of.

will be needed with the turkey. Providing it is our bread, which has such a fine flavor it just fits in with that of the great American bird. Buy an extra loaf or two for the dressing. Buy them to-day and put them away. If you put our bread on the table there won't be any left to make dressing of. It's too good to be let get stale.
