**REAL SATISFACTION**

You must use Nu-Finish to  
have real dusting satisfaction.  
You cannot get Nu-Finish  
results without Nu-Finish.  
Every user becomes an en-  
thusiast. A trial will convince  
you it has no equal.

**NU-FINISH**  
is a marvelous dusting-  
cleaning, polishing, illi-  
quid. With it you just  
dust in the usual way—  
but what a difference!  
No dust flying in the  
room to settle down again. Every  
speck is taken up and taken out—  
not just stirred up. And, at the same time,  
with no extra work, your furniture,  
woodwork and hardwood floors are  
cleaned and polished. Try a 5c bottle.

**Choose An Oil  
Heater Wisely**

Let us help you—for oil heat-  
ers are different—some are better  
than others. The one sure best  
for 20 years—the one that produces the  
most heat for the least cost, is the one  
with this trade-mark. Heats a cold  
room in a "jiffy"—to the remotest cor-  
ners. The best in clean and odorless.  
Costs only one cent an hour, to use.

**Barler**

Depend on that  
name for lasting satis-  
faction. You can only  
get genuine Barler  
Ideal Heaters in this  
town of us. So come in,  
first chance you get,  
and examine one critically. You will  
not be urged to buy—it must sell itself.  
But come in soon.
