

A MERRY CHRISTMAS

With zero weather, leafless trees and a snow blanket covering field and meadow; what could be more appropriate than a few Flowers to cheer things up indoors?

As a gift or remembrance to your friends, a beautiful Plant in full bloom, or a nicely arranged Basket of Flowers and Foliage will prove one of the most Ideal Christmas offerings.

Whether you have 50 cents to spend or 50 dollars, we can please you. A Plant in flower will be a joy and pleasure to the recipient for many days; it's alive and growing, therefore doubly as valuable.

There is no store in Chicago where a greater or better assortment of stock is shown than at our Greenhouses and we like to have you visit them.

Let's show you all the nice things we have here, bring your cards, let's set aside whatever you wish to have delivered on Christmas morning to make someone happy; we will carefully pack and deliver at the proper time.

Yes, we are open every day in the year and if you wish to take a walk over in the evening you will find the Showhouses lit up as bright as day and the boys only too pleased to show you

through the most modern & up-to-date new Greenhouse ever built. Holly, Wreaths, Wreathing, Mistletoe and everything else in Decorative Christmas Greens, we carry the freshest and best there is, you want some.

When you pass by the houses and notice the Holly Wreaths in the windows you can be sure that someone lives there having a Merry Christmas, a few sprays of Holly belong in every home. What is Christmas without Holly and the red berries?

We are here on Earth to make the best of it. Let the other fellow worry about why and how it came about, our being here. Smile and do your little share toward having those around you smile. What else is there to it all? Spread Sunshine and cheer this Christmas in remembering those near and dear to you and if you can go a little further by sending a few Posies to those in sorrow, lonely or sick you are as my friend Jimmie Sheahan, says: Away Ahead. You will celebrate a real Christmas and be glad you are here.

Flowers have no other mission on earth than to create Smiles and our mission is to have you know it. We want you to use more Flowers; they are necessities not luxuries and the more we come in contact with them the better for the good of all mankind.
