**Look to Your Shoes!**

Are they what they seem to be? Were they built to please the eye only? Do they give the service you expected of them? Are the soles oak-tanned leather or merely an apology? Are the shoes the best your money will buy in Highland Park?

This store has set up a high standard of quality, and we carry such shoes only that we know will measure up to it. We could buy cheaper shoes and sell them cheaper, but they wouldn't give you as much satisfaction.

Every pair of our quality shoes is solid from beginning to end—not like window shoes, built for looks only, that manufacturers work so hard to get up nowadays.

Our Repairing, too, is of the same high order. There is a neatness and a thoroughness about our work that gives shoes that appearance of brand-newness. And as we use only the selectest materials, the life of shoes that we repair is easily doubled.
