High School Notes

The Debating club will have its meeting this afternoon at three o'clock. The question of the day is "Resolved, that the 'D' should be given to the debating team as well as to the participants in athletics." Those on the affirmative are Francis Everett and Paul Barker; on the negative are Phillip Siegle and Leslie McCaffery. Mary French will have a reading and Mildred Welch, current events. Refreshments will be served. It has been the plan of the club to have a triangular debate which will include Deerfield, New Trier, and Waukegan. No date has been set for this debate, however.

The lecture which was given by Mr. William Roberts on December sixteenth, proved rather unsatisfactory, and accordingly the Seniors will give an entertainment after the fashion of a vaudeville. Those holding tickets to the lecture will be entitled admission to this entertainment, a small price will be charged for those not holding tickets, no date has been set for the entertainment.

Mr. Sandwick will give a tea to the teachers and Seniors in the new girl's gymnasium on Friday afternoon.

Civics Club

Mrs. Gudrun Thorne Thomsen, a Chicago educator, will be the speaker of the day at the regular meeting of the Ravinia Civics Club, Friday afternoon, Jan. 8 at 2:30 o'clock at the Ravinia Village House. Mrs. Thomsen, who will speak on "The Value of Literature in the Education of the Child", is the adapter of several books of Scandinavian fairy tales and myths, as well as the author of educational works. She was formerly connected with the Teachers' College and with the training school at the University of Chicago. The Civics Club entertained the Boys' Club last Wednesday evening at the home of Mrs. Noble Crandall on Roger Williams Ave. One of the features of the evening was an exhibition of lantern views of foreign scenes, and billards were also the order of the evening. These two features were in charge of C. S. Beach and Robert R. Greig. Refreshments were served by the hostess, who is also chairman of the program committee, the department under whose auspices the holiday party was given. The Boys' Club, which is a new organization, formed within the last few months, was in force some twenty of their number being present.

Y. W. C. A. News

The Mothers' club held their first meeting of the year on Tuesday evening, Jan. 5th, at the Association rooms. A very interesting talk was given by Miss Young, the visiting nurse, on "The Care of the Health." It appealed very strongly to those present and was given in Miss Young's practical manner, which has endeared her to all with whom she comes in contact. Mrs. Chas. Warren added much to the program with several very pretty songs. The president, Mrs. Henry Dittmer, presided. After a social hour light refreshments were served by the social committee, Mesdames Blomdahl, Bock and Burgess. The next meeting will be held Tuesday, Feb. 2nd.

The gymnasium classes resumed work Monday, Jan. 4th, after a vacation of a couple of weeks.

All of the activities of the Association have been resumed and will continue the same as before the holidays.

Vesper service as usual Sunday afternoon at 4 p. m. A cordial invitation is extended to all.

The Highland Camp Fire group gave a party Wednesday evening, December 30th in the rooms.

Parents and Teachers' Association

Elm Place School

The Elm Place division is to have its meeting in the school auditorium Wednesday, January 13th, at three o'clock. Mr. C. B. Scott, head of the Safety First committee, of Chicago, will address the association. A cordial invitation to the public is extended. On account of the wide spread interest of this subject, Mr. Scott's talk should be interesting to everyone. Refreshments and a social hour will follow.

Lincoln School

The Lincoln Ave. division will hold its meeting Tuesday, January twelfth at three o'clock. It had been planned to have Mr. Calvin B. Cady, head of the Music Education department, of Teacher's college of Columbia University, but owing to his inability to be present, Mr. Clark G. Wright, superintendent, will give the talk which Mr. Cady gave at Mrs. Ralph Fletcher Seymour's home last week. The subject of the day is "Music, a Major Study in Our Public Schools." Mr. Cady spoke on this subject from the three following standpoints in the child's development: clear thinking, sound judgment, and adequate expression. Mr. Cady gives the study of music the same value as the study of mathematics and literature. Mrs. R. M. Mapier of Blue Island, will also have a paper on the P. T. A. work among the foreigners in Blue Island. Refreshments and a social hour will follow the program.

Our Toilet Cream

Is just a little bit better than anything you have ever used. The ladies like it because it is not sticky or greasy. Big shavers, little shavers and all sorts of shavers pronounce it par excellence for a face bath after shaving.

deserving poor of that city.

Apparently Kenosha is the first city to have thought of trying the plan out and it is likely that within another week the store will be in operation and at least three hundred poor families of that city cared for in this manner. It works this way:

If a carpenter needs a pail of butterine and hasn't the money to pay for it he can go to Kenosha's municipal store, sign an agreement to do an hour's work for the city and receive the oleo.

If a laborer wants a sack of flour he can pledge himself to work on the streets a day and get the flour.

These things will be possible if the city council adopts a resolution which was introduced last night. The resolution calls for the establishment of a "time store" by the city. The matter was referred to a committee for investigation.

New Furniture Store for Waukegan.

Waukegan is to have another up-to-date furniture store. It will be conducted by Samuel Schwartz. It has been known for some little time that Mr. Schwartz was contemplating this move but the announcement was not made public until Monday.

Mr. Schwartz's aim is to make the store one of the best and most modern in the state and will not stop at expense in doing so. The location of the new store will be 107 Washington street and will be open about May first.

Allendale Farm Receives Bequest

The Allendale farm, known as one of the most complete and beneficial school for boys in the U. S. and situated in this county, was last week named as one of several to receive bequests from the late Geo. W. Hale, wealthy Chicagoan. It is understood, however, that the \$2,500 left to the Lake County institution will not be payable until ten years from the time the will was opened.
