Y. W. C. A. News

Miss Helen Young, the Visiting Nurse, gave a very instructive talk on Emergencies at the Y. W. C. A. headquarters Thursday afternoon for the Camp Fire girls.

The Mother's club met Tuesday evening; Mrs. F. D. Everett gave an address on "What a Woman should know who wants to vote." Only those who have heard Mrs. Everett can appreciate how instructive and entertaining her address was. She viewed it from all standpoints and brought it home to her hearers in an intelligent and thoughtful manner that elicited the most careful attention throughout. The Mother's club is growing steadily and is filling its mission in the community. There is room for many more organizations of this kind that are not only instructive but entertaining as well. Mrs. C. G. Alexander assisted very materially with several very pretty solos, after which refreshments were served. The next meeting will be held the first Tuesday in March.

Sunday, February 7th, a memorial service will be held in the Association rooms for Miss Grace Dodge, President of the National Board of the Young Women's Christian Association of New York City. A suitable program has been prepared and it is hoped that a goodly number will show their respect and appreciation for this noble woman who has given so freely of her time, money and strength to the cause so near her heart. The service will be held at four o'clock.

HYGIENIC TOOTH PASTE

The market is flooded with tooth pastes, but we think ours is just a little better than any of them. It whitens the teeth, purifies the breath, and being alkaline in reaction prevents discoloration and decay. Put up in handy twenty five cent tubes.
