

BAHR SAYS: "Come over to my Greenhouses and see all the beautiful flowers It will do you good"

We Say

"Let us go to your house and get your suits, dresses, gloves, rugs, cretonne curtains etc. and show you how beautiful we can clean them. Fritz can't bring the colors back to his flowers after they have faded. We can brighten the colors and make your garments, rugs etc. look as good as new. That's one on Fritz. Any way it will do you good to visit Bahr's and patronize us. Try it and see."

The March meeting of the Parent-Teacher Association was held in the assembly hall Friday afternoon. One reel of comedy, which was shown at the motion picture show in the evening was exhibited for the benefit of the association, who acted as a censorship committee, in order to estimate the effect of the pictures, now secured for the school, upon children. After a spirited discussion there was a consensus of opinion that they were securing what the public wished. Mr. J. A. Reichelt, Jr., president of the board of directors of the Grammar school, made a report of the financial condition of the district, stating that the building of the new school prevented the appropriation of money for school supplies for the teachers, which the Parent-Teacher Association very generously supplemented.
