of such proportions that home baking is rapidly becoming the exception rather than the rule. The very best of home bakers have learned that our bread is at least as good as any they can bake. It is cheaper, too. Try a loaf or two and then tell us, if you can why you should bother with baking when we do it so well and cheaply for you.

provide additional "protection," additional "defensive" equipment, rather than profit by the lessons of this war and devise some other insurance scheme. The testimony of the military expert is accepted as gospel truth without question; any scheme that pacifists may suggest is labeled as visionary.

Miss Humphrey will give an exhibition of solo work in the interest of the Y. W. C. A. Tuesday evening, April 13th in the Parish House of the Episcopal Church. She will be assisted by the Junior dancing class. All who have seen Miss Humphrey's work know what a treat is in store for us. It is hoped a liberal patronage will be accorded her.

A candy pull was held in the association rooms Thursday evening and all spent a most enjoyable time pulling the old fashioned taffy.

A class in crochet work has been started which will meet Friday afternoon at 3 o'clock. This is among the school girls and is open to all members of the Camp Fire groups.

The Camp Fire guardians attended a Guardians meeting in Chicago Saturday afternoon when arrangements were made for the annual outing in Camp Fire camp at South Haven, Mich. this summer.

At this beautiful camp along the banks of Lake Michigan over fifteen hundred girls will be given a summer outing during the months of July and August. The rates are within the reach of all. Competent and careful guardians and instructors will be in camp during the entire time, and every precaution will be taken for the girls' safety. A trained nurse will also be in attendance.
