Parents and Teachers' Association

The last meeting of the high school division of the Parents and Teachers' Association was held on Wednesday afternoon of last week. This meeting proved to be one of the best meetings the Association has ever had. After a short business meeting at which the reelection of Mrs. Welch as president and Mrs. Greene as secretary, took place, Mrs. Underwood read a delightfully interesting paper on the subject of the day "Is the home and the school meeting the needs of the Adolescent boy and girl prepare them for life?" Mrs. Underwood gave in a clear, concise manner the correct way to educate children in self reliance which leads to helpfulness to others. The program given by the pupils of the high school was quite interesting. Those pupils who took part in the speaking contest at Chicago University on Friday spoke. They were: Esther King, Mildred Welch, and Clayton Youker, extempore speaking, and Joseph Gibson, who read from "The Idylls of the King," in a truly beautiful way. Social dancing with refreshments followed in the girl's gymnasium.

Miss Humphrey and her mother left their home in Oak Park early in the week to join the Ben Greet players in New York. From there they start on a four month's tour in this country. Their Highland Park friends will follow them with interest and best wishes.

The Friendship club gave their weekly party Thursday evening, Mrs. Jones furnishing the music.

Monday afternoon instead of the dancing school that has been scheduled on that day since Oct. 16th, the secretary, Mrs. Searcy will devote an hour to story telling, all children connected with the dancing school or the Association in any way whatever are welcome. Each may bring a little sister, brother or friend and come direct from school to the Y. W. C. A. rooms.

Tickets may be had at either Gsell's or Schumacher's drug stores.

Every year the University of Chicago offers a list of scholarships which are won by a series of examinations and speaking contests. Deerfield entered the contests and examinations, and in the reading contest Joseph Gibson won second place, while the results of the examinations will be known in one month. The contests took place Friday afternoon at the University of Chicago. In the contest which the University of Illinois held at Lane Technical High School, Chicago, on Friday, Mildred Welch was selected from this district which enters her in the finals, to be held May 14th at Urbana. The material for these contests is drawn from three months issue of Literary Digest, Independent and Outlook magazines. Miss Welch won his honor by very hard, concentrated study, and has given much honor to Deerfield.

On Monday of this week the students enjoyed a delightful general assembly period when the Elm Place eighth grade pupils were entertained by the freshman class, who very ably gave the Pyrimus and Thisbe scene from "A Midsummer Night's Dream." The songs were "Melisande in the Wood" by Al Goetz, "Mattinata" by Tosti, and an encore number entitled "In the Land of the Sky Blue Waters" by Cadman.

Highland Park Club

"Alice in Wonderland" in motion pictures given last Friday evening, proved to be the most enjoyable reel of the season. The children took delight in going with Alice and her Rabbit through dreamland. The second half will be shown on Friday evening, April thirtieth. This Friday's motion pictures are to be "Aladdin and his Wonderful Lamp." Surely every child knows the fascinating tales of how Aladdin had every wish gratified by his truly "wonderful lamp."

The annual meeting and election of officers for the ensuing year took place last Saturday evening; the popularity of having entertainments coupled with the election was attested by the many members and visitors who numbered one hundred and seventy-five, all present at the dinner which afterwards enjoyed the rare musical treat by the members of the University Banjo and Glee clubs. Repeated encores were demanded as the various numbers on the program were rendered. The duet "Gaston and Alphonse," by Messrs. Roger Vail and Donald Scott was especially well done and was one of the popular hits of the evening. After the concert, dancing was indulged in until a late hour.
