

THERE IS PEACE IN SIGHT

The European War is still raging

But the war on impure Ice will be ending in victory. No person should be satisfied until he has procured pure articles for his consumption, for as a prominent Physician said when ordering drugs the purest is not *to good*. Our Ice is manufactured under the utmost care under our personal supervision and it is our aim to extract all impurities from old Lake Michigan water before it goes into our Ice, which necessitates extra cost and labor but still we ask no more than you have been paying for common Ice of which you had no proof or knowledge where it was sent from. Purity Ice is made in your immediate neighborhood and you can at any time investigate its manufacture, we shall be pleased to show you how it is made.
