REGULARS VICTORIOUS IN DOUBLE HEADER

GREENSLADE HERO OF SUNDAY'S GAME

Will Meet the Ratsch Peerless Team Next Sunday. Score for Sunday's Game 4 to 3 while Monday's Slaughter was 18 to 2

The Regulars defeated Glenview in two games on Sunday and Monday by scores of 4 to 3 and 18 to 2. The Sunday game was a battle from start to finish. Greenslade was on the mound for the home team and pitched sterling ball, while Kaufman for the visitors was hit harder, but kept the hits well scattered until the ninth inning. Glenview made two runs in the second without the aid of a hit and one in the fourth on a single, sacrifice and a single. In the home half of the third Williams doubled and came all the way home on a wild throw. In the fourth Wallace doubled and scored on a single by Potter. The game went along until the ninth inning with the Regulars one run behind when, with one out, Potter drew a base on balls and stole second and then Richards hit a single and Potter was run down between third and home, Richards going all the way to third, from where he scored on a passed ball. The score was tied and Meyers came up and hit one on the nose for three sacks. The situation was most critical, for the winning run was on third and Griene coming up to bat, Bob went up with determination and came across with a nice single to right field, winning his own game by a score of 4 to 3.

The Monday game was played at Glenview and was easy for the Regulars, who took the lead in the first inning and was never in danger of losing. The team made a total of 21 hits and 9 were for extra bases, the score being 18 to 2.

Next Sunday the home team will play the Ratsch Peerless team.

TO THE REV. JOHN J. MORRISSEY

Written by Frank Fogarty for Silver Jubilee Celebration, May 30th

Written to the Rev. John J. Morrissey pastor of the Blessed Sacrament Catholic Church, Chicago, former pastor of the Immaculate Conception Church of this city, on the occasion of his Silver Jubilee celebration on last Sunday, May 13th, by Mr. Frank Fogarty.

Father John may the sun shine on As it never shone before It is your day in Merry May It brings back days of yore.

Your Jubilee spells love to me, And the victory you have gained On honor roll for saving souls Since the day you were ordained.

If your Mother dear was only near To see the boy she raised In her Irish way I know she'd say, "God Bless him, God be praised".

Unselfish soul she reached her goal, She's now beneath the sod: God gave her you, her love was true So she gave you back to God.

You have your Dad—I know he's glad His heart is filled with love Like Mother, too, he wanted you To serve your God above.

Such happiness you must confess Cannot be equalled here, And I'll allow you're saying now—"God never was so near".

It's all deserved for you have served We who know can tell. So enjoy the feast Most Loyal Priest, You've served your Maker well.

God Bless this Day, this day of May, And may the sun shine on, For a century with a jubilee To greet you, Father John.

Obituary

After an illness of about six months, Mr. William Moran of Libertyville died at his home of tuberculosis on Wednesday morning of last week. Funeral services were read by Father Steven Luttrell at nine o'clock on Saturday morning at the Libertyville Catholic Church followed by interment in St. Mary's cemetery, Waukegan. Mr. Moran was forty-two years of age, and was born and lived in Libertyville all of his life. Mr. Moran leaves to survive him, a mother, Mrs. J. Moran, two brothers, Mr. Mike Moran of Libertyville, and Mr. Frank Moran of Lake Forest, and four sisters, one of whom is Mrs. James Bowden of this city.

DEERFIELD DEFEATS NEW TRIER

Game Very Well Played on New Trier Grounds Tuesday

On Tuesday afternoon Deerfield Shields High School met and defeated New Trier in a base ball game on the latter's ground. The game was very well played the score of which was 7 to 5.

RECEPTION HELD BY RAVINIA VILLAGERS

HONOR MAYOR AND COMMISSIONERS

Speeches Made by Mayor Hastings, Mrs. Ralph Seymour, Mrs. Walter McNeil and Mr. Lawrence Buck. Songs by College Quartette

Members of the Ravinia Commission and the Woman's Civic Club, held a reception for their friends at the Village House to meet the Mayor and Commissioners of Highland Park. The Village House was very artistic, in flowers of every color and variety; candles on the tables, and rugs on the floors gave the room a very hospitable appearance. A cheerful fire blazed in the open fire place which always adds a great deal to any occasion. The speakers of the evening were Mayor Hastings who, in a very humorous speech explained in a very concise manner the Commission Form of Government, its origin, and development, and duties of the officials; Mrs. Ralph Fletcher Seymour who is chairman of the Educational Committee of the Woman's Civic Club spoke on the work of that part of the organization, bringing to light many interesting facts in the development of the committee; Mrs. Walter McNeil, in an interesting way told of the work of the Woman's Civic Club, its origin and aim. She also spoke of the history of the Village House, which is certainly quite unique. Her stories of the good fellowship of the villagers, of how each one put forth his best efforts, in order to have the attractive Village House was certainly all pleasing to hear. Mr. Lawrence Buck told of the achievements of the Ravinia Commission, in a speech sparkling with wit. Highly amusing songs were rendered by the Lake Forest College Quartette, special appreciation was shown after the singing of "A Perfect Day", which was sung in a truly artistic way. After the program, dainty refreshments of ice cream, coffee and cake were served by the following hostesses, Mrs. Yaeger, chairman assisted by Mesdames, C. T. Chinlund, Charles S. Mauran, and F. D. Porter.

MRS. FANNIE DREW PASSES ON

Succumbs Suddenly at Her Home on Hazel Ave., Friday Morning

Mrs. Fannie H. Drew, for many years a resident of Highland Park, died suddenly Friday morning, May 28th at her home 231 Hazel Ave. Her father, Colonel Franklyn F. Flint moved to Highland Park 35 years, just after he retired from active service and his daughter Fannie was married to Major George A. Drew in Trinity Episcopal Church in 1881, after which she moved to Fort McKinney, Wyoming. Born in the army the greater part of her life was naturally spent at various military posts where her father and husband were stationed.

In the heart of every one who knew Mrs. Drew there must be a distinct sense of loss for she made herself felt in every relation of life. Those who were fortunate enough to be called her friends will always treasure the memory of her loyal friendship, and in her home and family relations she typified what was best as her life was one of devoted service to those she loved. She was a woman of engaging and attractive personality, of heartfelt sympathy for and an active interest in all that looks to the betterment of humanity, and until recently, was prominent in church and social affairs.

Funeral services (private) were held Tuesday morning at ten o'clock at the house, Rev. Dr. Peter C. Wolcott officiating. Intertment was in Ft. Sheridan cemetery.

She leaves to mourn her loss her mother, Mrs. F. F. Flint, her husband, Major George A. Drew, U. S. A., retired, a son, Flint Drew and daughter, Donna Drew, and three sisters, the Misses Mary, Nellie and Henrietta Flint. Contributed.

SPECIAL SCHOOL ELECTION

Proposition for Readjustment of Educational and Building Funds

A special election will be held at the Lincoln school in School District No. 108, Highland Park, Ill., on Saturday, June 5, 1915, between the hours of 3 o'clock p. m. and 6 o'clock p. m. for the purpose of voting on the proposition for or against an increase in the proportion of tax levy for educational purposes, of one half (1/2) total percent allowed by law, i. e. (three per cent) but is only a readjustment of the educational and the Building funds. If the foregoing carries the Board will have authority to levy for educational purposes two per cent, or such portion of two per cent as is necessary, and for building purposes such percentage that the aggregate levy shall not exceed three per cent, the same as heretofore.

POLICE COMMISSION TO TAKE OATH FRIDAY

ALL TO RECEIVE "REGULAR STARS"

Report of Regular Meeting of the City Council Held last Friday. Ravinia Paving Question Well in Hand

The members of the new Police Commission are to take oath of office Friday during the meeting of the city council, between five and six o'clock. Mr. Henry H. Doty, Mr. John A. Putnam and Mr. J. P. Smith are such well known citizens that no doubt there will be a large crowd to witness this ceremony and see them receive the insignia—the star.

Talking of stars, we would like all our readers to see the beautiful gold star of which Mayor Hastings is the proud possessor; the inscription "Mayor of Highland Park" is plainly visible to the naked eye. Each member of the Commission will also have a star, but not of gold—there can be but one High Mogul.

The last weekly meeting showed clearly that there are no drones among the city officials. We regretted to see Commissioner Huber's chair empty, unavoidable no doubt, and we were sorry that our hard worked Commissioner of Public Property should deserve a slight reprimand for being five minutes late as the roll had been called, the Mayor simply remarked, "Commissioner Willits is present but a little late." Punctuality is evidently the key note of the present administration.

If the street paving is to be had by perseverance, Ravinia will certainly get it. Kincaid Street has made a good deal of trouble but we believe an amicable arrangement is in sight. There is something very refreshing in the way Ravinia gets things. She always has at least one interested and interesting representative at the council meetings and therefore gets direct information of what is doing.

Artistic invitations were received by the mayor and commissioners asking them to meet the Ravinia Commission and the Woman's Civic Club on June first just to get acquainted. Unfortunately Commissioner Bahr could not join his comrades in accepting the invitation for he had to be present at a wedding on that date, and as he tritely remarked: "a wedding must be done."

The franchise committee is being kept busy, and there should be something interesting to relate shortly.

Valuation of all property is in the hands of experts.

While the commissioner of finance had not much to communicate, the commissioner of streets and improvements is likely to spend sleepless nights.

The bonds of Gus Krueger as Chief Engineer of the water works and Frank Duffy as Foreman of sewer and water mains, were approved.

The ordinance fixing the salary of city officers was passed. It will be found on page three.

The city engineer was instructed to obtain the necessary levels for three bridges along the line of the proposed improvement of a system of streets in Ravinia.

The mayor and city clerk were authorized to sign a warrant for the payment of city officers pay roll on the first and fifteenth of each month.

LOCAL REAL ESTATE TRANSFERS

Property Exchanges Recorded During Past Two Weeks

Julia A. Phillips and hus to Earl W. Geell, 3 acs in S W cor sec 30-43-12, Deerfield. W. D. \$3000.00.

White Hall Orphan's Home Society, White Hall, Ill.

A COLUMN FOR THE USE OF EVERYBODY

LETTER WRITTEN BY MRS. C. DARBY

Mentions Few Exhibits and Their Locations for Prospective Visitors to the Panama Pacific Exposition

To the Editor.—This seems a suitable time to remind prospective visitors to the Panama-Pacific Exposition that San Francisco's balmy weather comes in late winter and spring and that many residents leave the city in summer to enjoy the warmth of inland places, so trunks should be at least partly filled with warm clothing.

For the benefit of those who will have only a limited time to mention a few exhibits which are new to most Americans, and their location.

The black opals in the Australian building; very dark with hearts of brilliant flame.

The log cabin of the Biltmore exhibit in the Varied Industries building where the wood carvings from the school established on the Vanderbilt estate for poor whites may be seen. The designs and workmanship are exquisite; the materials are the native walnut and some mahogany.

The fish in the Hawaiian building; brilliant, iridescent coloring and strange, interesting forms. Octopi have been brought from the islands three times but I do not know if any are alive now.

"The Lady in Pink" on the reverse side of the west wall of the Whistler room has received more notice than any other picture. It is by a Russian living in Kasau, Central Russia, who has had no instruction and has never seen a gallery. It is extravagantly admired by artists and critics, but to the mind of the poor ignorant layman it seems to exemplify Ruskin's description which led to the famous lawsuit—"a pot of paint thrown at the canvas."

The Jason came into the harbor about a month ago, bringing the English, French and African exhibits—the latter principally marbles, I believe. I was told that many priceless art treasures were consigned to the ship by private owners who seized the opportunity of getting them out of Europe, not knowing which way the tide of war may flow.

Trips to the environs of the city, any of which can be accomplished in a day or less, should not be omitted. Go to Berkeley and drive from Thousand Oaks to Claremont by way of Piedmont Ave. Take the ferry to the island of Belvedere, take it also to Sansalito and go from there by train following Russian River and stopping at Monte Rio. This is the most beautiful trip of all except that to Mount Tamalpais on a clear day. Globe trotters pronounce the view equal to any in their experience, but the trip should never be made on a grey day.

San Francisco with its exposition and the shores and islands of the bay are so interesting that I must stop writing or ramble on too long.

MRS. C. DARBY.

SUNDAY SCHOOL WORKERS

Fifty-Seventh Annual Convention to be Held at Danville, June 15, 16 and 17

The fifty-seventh annual convention of the Illinois Sunday School Association will be held at Danville, June 15, 16 and 17. The program is one of surpassing interest and one of the best ever provided. Speakers of international fame and of assured helpfulness have been secured. One of the attractive features is the music, which will be directed by Prof. E. O. Excell, assisted by Prof. Alvin Roper.

Your county secretary, Miss Anna Jean Minto, of Antioch, will be glad to send delegates credentials to every one who can go. This card credential will entitle the holder to all a delegates privileges, including low rates for board and lodging. If you can attend the convention then, or if your school can send one or more delegates, see that the county secretary has the names in time to report to the Danville Entertainment Committee before June 10th.

LECTURE ON CHRISTIAN SCIENCE

Friday Evening, June 4th at the Church Edifice on Hazel Ave.

Friday evening, June fourth, at eight o'clock in the church edifice on Hazel Ave., near St. Johns' Ave., a lecture on Christian Science will be given by George Shaw Cook, C. S. B., a member of the Board of Lectureship of the Mother Church, The First Church of Christ, Scientist, in Boston, Mass. The lecture is free and the public is cordially invited.

KNIGHTS OF PYTHIAS AT FORT SHERIDAN

CELEBRATE INDEPENDENCE DAY JULY 5

Government has Turned over the Entire Military Post to the Pythians Order for the Day 20,000 Visitors Expected

From fifteen to twenty thousand Knights of Pythias and Pythian Sisters, together with the Dramatic Order Knights of Khorasson, will celebrate Independence Day, Monday, July 5th, at Ft. Sheridan. Posters are already out announcing a Basket Picnic for all the Lodges in Illinois together with their families and friends. Special arrangements and rates have been made by the Chicago and Northwestern and the Elevated railroads to take care of the thousands that will travel out to the Fort that day. The government has turned over the entire grounds with necessary buildings to the Pythian Order for the day. One thousand candidates will have the rank of Page conferred on them by the Supreme and Grand Lodge officers. A fine program has been prepared which commences at 9:30 a. m. and ending with a vaudeville performance and Damon and Pythias photo-play in six parts in the Fort Sheridan Theatre at 8 p. m. Starting at 9:30 a. m. the program will be as follows: Public flag ceremony assisted by Uniform Rank, Pythian Sisters and Khorasson Drill Corps, Fourth of July Oration by Grand Chancellor Thomas Williamson. Exhibition Drill by the Fifth U. S. Cavalry and First Illinois Cavalry. Uniform Rank Knights of Pythias Exhibition Drill, Knights of Khorasson Drill Corps Exhibition Drill and Pythian Sisters Exhibition Drill on parade ground. Babies' Prize Show, Athletic Contests, Foot Races, Baseball Game, U. S. Army Team vs. Knights of Pythias Team, Boy Scouts Exhibition Drill.

VOTE FOR LAKE COUNTY CANDIDATE

Election of Circuit Judges to be Held Next Monday From 7:00 to 5:00

On Monday, June 7, will be held an election of three judges for the seventeenth judicial district, consisting of Lake, McHenry, Boone and Winnebago counties.

The three present judges are Claire C. Edwards of Waukegan; Charles H. Donnelly of Woodstock; and Arthur H. Frost of Rockford, all of whom are seeking reelection. They are opposed by D. T. Smiley of Woodstock. In choosing our candidates we should consider the welfare of our community. Judge Edwards, Lake County's candidate, who, during his short term following his appointment has made good to an extent that has surprised even his most ardent admirers and is entitled to be elected. Our county is first in wealth and second in population in the district and should not be left without a resident judge.

D. T. Smiley, who has declared himself to be heartily in favor of the drainage district, will no doubt, be elected, do all in his power to appoint a man as drainage district trustee, who will be in favor of the drainage scheme and push it to a successful ending.

It is a well known fact that Homer Cook, the trustee who received his appointment through Judge Donnelly and the late Judge Whitney, has done all in his power to block the drainage system. As Mr. Cook's term expires next year this is a matter of much importance to residents of the North Shore.

Judge Arthur H. Frost has also made a good record and deserves the support of Lake County.

The polls will be open from 7:00 a. m. until 5:00 p. m. The polling places are: First precinct, James Duffy's office; second precinct, city hall, Highwood; third precinct, fire station, Highland Park; fourth precinct, Highland Park Press Building; and fifth precinct, D. E. Purdy & Son's store.

GET RID OF THE MOSQUITO

Practical Demonstration at the High School Sunday, June 6th

Through the efforts of the Chicago Tribune, the Assistant State Entomologist has agreed to meet the people of Highland Park on Sunday, June 6th, at 3:30 p. m. in the English room of the High School and advise with them as to the best methods of suppressing the mosquito and to make practical demonstrations. It is hoped that there will be a large attendance at this meeting and that the citizens will co-operate to rid our city of this pest.

ELECTRIC OFFICIAL EXPLAINS NEW RULE

NOTE FROM GENERAL SUPERINTENDENT

Passengers Having Tickets Gives Conductor More Time to Look After the Safety and Comfort of the Public

The rule put into effect by the Chicago & Milwaukee Electric last week, whereby all passengers must provide themselves with tickets at principal stations before entering the cars, has been the subject of much discussion among patrons of the road and newspapers of the North Shore. The Press having received many complaints at what was called an "arbitrary rule" by the company, has made it their business to inquire into the reasons for such a rule. Following is the reply: Mr. John Udell, Editor HIGHLAND PARK PRESS, Highland Park, Ill.

In response to your request for information concerning reasons for adoption of rule requiring passengers to show tickets before boarding interurban trains at principal stations, I take pleasure in writing you this letter.

While it is true that one of the duties of a conductor is to collect fares and he is materially aided in so doing when a considerable number of passengers have tickets, it must be remembered that he has many other duties of even greater importance. He must call stations in order that passengers may not be carried by their destinations; he must see that no one is injured while boarding or alighting, he must give such information as may be desired; above all he must look after the safety of his train. These things, and many others of similar nature are of vital interest to the traveling public.

Now, under the old system of fare collection on this property, when a number of passengers boarded a train at one of the principal stations, some of them would have tickets, but the majority would not. The conductor could probably take up five tickets while he was making change from a two dollar bill to collect a single five cent fare, but the two dollar bill was about as frequent an occurrence as the ticket. As a consequence the conductor was forced to spend most of his time in the center of the car collecting fares, entirely or partially neglecting the other duties, some of which I have mentioned.

Under the present system, it is not expected that a conductor will have to spend no time at all on fare collections, but it is well established that the time formerly so spent has been greatly reduced and the time saved is being devoted to the safety and comfort of the public.

The management of the property has given this matter long and careful consideration, observed practice on other roads and consulted with other operators. The method which has been adopted is the result of such investigation and seems to be that which will give the best public service, under the prevailing conditions.

As I understand you wish to publish this in your paper, I will not take up any more of your space, contenting myself with the above very brief explanation.

Thanking you for the opportunity to be heard, I am

Respectfully,
G. S. Henry
General Supt.

FINE PICTURES AT LOCAL THEATRE

"Diamond From the Sky" Serial to Commence Monday, June 7th

A number of splendid pictures are to be shown at the Highland Park Theatre within the next week. On Sunday the Famous Players Co. will present the unimitable John Barrymore in the farce "Ars You A Mason?" This is without a doubt one of the greatest farce-comedies of the American stage.

On Monday the first installment of the new serial picture, "A Diamond From the Sky" will be shown. This picture was taken by the American Film Corporation and includes in its cast Lottie Pickford, a younger sister of the popular Mary Pickford, who has won millions of friends among movie fans, who is supported by a strong company of the well-known stars including Irving Cummings, Charlotte Burton, William Russell, George Periolat Lillian Buckingham, Eugene Ford, Orval Humphrys and W. J. Ted Marsh. This story has 15 installments and will be shown every Monday beginning June 7th.

On Wednesday night June 9th Daniel Frohman presents Alice Dreyer in the famous military drama entitled "The Commanding Officer" by Theodore Durtz. There will be two shows for all these plays one at seven o'clock and one at nine o'clock.
