Baptist Church Notes

The harp at the Baptist church certainly makes the service very attractive. On Sunday evening Miss Thompson played very prettily a few national airs such as "The Star Spangled Banner," "Columbia the gem of the Ocean," and "Maryland, My Maryland".

Mr. Thompson sang as solos, accompanied by the two harps "Gospel Boat", "Life is Like a Mountain Railroad", and "Flee as a Bird to your Mountain". The subject of the evening sermon was "I thought on my way and I returned".

"Just a Little Way Religion" was the subject of Pastor Thompson's sermon Sunday morning at the Baptist Church, taken from the compromise that Pharaoh tried to make with Moses at the time Moses wanted to take the children of Israel out of Egypt.

Pharaoh said "Let them go just a little way out of Egypt". "Pharaoh is a type of Satan and Egypt is a type of the world. Satan is trying to compromise, and many in these parts seem to have fallen in with his compromise. They have gone "just a little way". If they join a church, it is a church, as near the world as it can get. If they serve God, it is with as little service as possible. Some of them give just an hour or two a week, and when the janitor locks up the church, he locks up their religion".

The Christians who go "just a little way", could easily recognize their picture as they were drawn.

This was one of the best meetings thus far. These popular Sunday night services will continue through the month of June.

SUNDAY SERVICES

Sunday School 9:30 a. m.
Morning Worship 10:45 a. m.
K. L. C. E. 6:45 p. m.
Evening Service 7:45 p. m.

At the morning worship Rev. Van Evert will address the congregation on "Rational Faith". The subject for the evening will be "Life's Contrasts", following up the subject of last Sunday evening when the pastor spoke on "Life's Choices".

Nathanael Kuist will lead the Christian Endeavor services, the topic being "Body Under, Soul on Top". This is to be the monthly consecration meeting. The regular business meeting of the League was held on Wednesday evening.

The mid-week prayer service on Wednesday evening was well attended. The theme "Temptation" was presented by the pastor.

The committees are busy preparing for the Children's Day Service to be held June 13th and a good program is expected.

Elm Place School Notes

The pupils of Elm Place School held their annual picnic Wednesday of this week. It began with a fine plate lunch served each pupil at noon by the members of the Elm Place Division of the Parents' and Teachers' Association. Then a program of games and folk dances with an entertainment in the auditorium filled the afternoon full of pleasure. Lester Levin sang modern ballads, sentimental and humorous, and was roundly encored, and Henry Roethig of Chicago entertained with a number of mystifying "experiments" in magic ending up with the time honored performance of extracting a live rabbit from an empty box, etc. Victrola music accompanied the folk games which were given on the lawn and which were enjoyed by a number of the patrons who had come to the picnic. Mrs. Tom R. Wyles was chairman of the committee that "promoted" the picnic and should be credited with the superior manner with which all the details were carried out.

Presbyterian Church Notes

The Spring Rally of the Lake County Christian Endeavor Societies, will take place this evening at seven-forty-five. The program is, Prelude; song service, "My Faith Looks up to Thee"; "All Hail the Power of Jesus' Name"; Solo by orchestra; to devotionals, Rev. R. Calvin Dobson; Announcements; Election of officers; installation Service; by Rev. J. Foster Van Evert; Anthem, Blessed Redeemer; address by Dr. James C. K. McClure; Solo, Orchestra; Benediction; Postlude.

Ravinia School

On Friday evening at seven thirty, there will be a very interesting entertainment in the shape of two plays, one in French and the other in German. Every child in school is in either one play or the other. The French play is a picnic scene, while the German play tells the story of "The Sleeping Beauty". Singing of spring songs will form a part of the entertainment.

Mouthpiece showing cleaner attached. Pipe smoking grief and the Perry Pipe simply can't live together. A glance at the sectional view above gives you at least a half dozen reasons why. We could give a dozen more.

Keep a pipe clean and you've gone nine-tenths the way in keeping her clean. Trouble is you can't keep ordinary pipes clean.

With the Perry all you have to do is pull out the mouthpiece with cleaner attached and a flip of the hand shakes off all the nicotine and tobacco particles. No chance for dirty hands. That's why you clean the Perry as often as a pipe should be cleaned.

But what's the use? One puff at a Perry from you will talk louder than a hundred puffs about the Perry from us.
