### Baptist Church Notes

Pastor Thompson at the Baptist Church preached on "Enthusiasm," last Sunday morning. He said: "There is more enthusiasm manifested over a new religion than over an old one." One illustration was taken from the recent street car strike, when people were shouting happy over the privilege of riding in lumber wagons, coal wagons, and other undesirable vehicles, because of the novelty. So, the novelty of a new church creates more enthusiasm than the old church which rests on the realization of repentance toward God and faith in Christ. In the evening the pastor preached on "Playing the Fool." Next Sunday morning the subject will be "Poisoned Ivy." Services Sunday night as usual, with the two harps and Gospel message.
