High School Notes

The high school commencement held last Thursday evening at Ravinia Park proved a very pretty affair. The theatre was full to its capacity, and the program was attractive and was appreciated by the audience. The graduates sang "The Heavens are Telling" and "Away to the Fields," both of which were unusually beautiful. Following the music Professor W. D. MacChintoch of the University of Chicago, delivered a very good address, touching on many interesting points, all of which he brought out in a clear, direct speech. The Girls' Glee Club sang "A Perfect Day," accompanied by Dorothy Mason at the violin and Mr. Dietch at the piano. The medal of honor, a medal presented to the best "all around" student by the class of 1907, was given to Joseph Lincoln Gibson. The class of 1908 gave to the school a cup, known as the valedictorian's cup, on which is engraved every year, the name of the student in the senior class whose scholarship is the highest, this honor fell to Lucie Caroline Knox. The class of 1914 gave a silver cup known as the Lloyd Metzler cup, which, because of Metzler's wonderful speaking ability, is to have engraved upon it every year the name of that senior who has won special honor in the public speaking line, this honor fell to Mary Mildred Welch. The class of 1915 is leaving behind it as a parting gift to the school a beautiful fumed oak table of the William and Mary style which will be placed in the English club room.

The "Annual" is out, and is a book which represents a great deal of work on the part of the students and faculty. The idea of putting the student's work into the year book, and thus combining annual and year book has worked out quite successfully and much credit is due to all whose untiring efforts have made the book so interesting.

HIGH SCHOOL NATATORIUM OPEN

Sign and Mail Coupon Attached to Announcement on Page Eight

In another part of THE PRESS there will be found an announcement concerning the opening of the high school natatorium. All people who are interested are urged to sign and mail the coupon attached to the announcement. Those people under twenty-one years of age may use a child's ticket. The work will be in charge of Mr. and Mrs. Ralph Perrine, both very well experienced in this line.

RAVINIA PARK OPENS

(Continued from Page 1)

It is hoped to have many of the children of the North Shore towns take part in these entertainments. Miss Laura K. Kennedy is chairman of this committee. The children's play ground will be equipped with apparatus for the younger children's amusement and a kindergarten teacher will be in charge every afternoon to direct the children's play and tell stories.

There will be a maid afternoons and evenings in the rest room in the south end of the Stadium building.

Thursday, as last year, will be Ravinia Club day, a general meeting of the board and town committees and their friends will be held at ten-thirty o'clock every Thursday morning, after which there will be a fifty-cent luncheon served in the new pavilion for all those who care to stay.

The Junior League of the club will sell admission buttons to children under fourteen years of age. The button entitling them admission to the Park any afternoon during the season. Those desiring these buttons will please apply to the chairman of the town.

New Open-Air Ball Room

Mr. and Mrs. Carlos Sebastian, the latter being formerly Miss Dorothy Bentley will act as host and hostess of the new dance pavilion which will have its formal opening on Saturday night.

The open-air ball room will be unique in its construction and equipment. It has been designed by Mr. B. H. Marshall of Marshall and Fox. The decorative scheme will be a combination of black and white. Around the spacious dancing floor there will be a platform with two rows of tables for the accommodation of 400 guests.

The catering will be under the personal management of Mr. E. C. Welch with a select bill of fare. There will be an admission-charge of ten cents per person for the dinner period which will be from five-thirty to eight o'clock. An admission charge of 25 cents per person will be made for the supper period from ten-thirty to twelve o'clock.

A special tango orchestra of six pieces will play in the open-air ball room during the dinner and supper dances.

As Miss Joan Sawyer and Mr. George Harcourt will be at the park the first sixteen nights commencing Saturday, June 26th in a special program, it is hoped that the opportunity afforded by the combination of the foregoing will be of special interest to the young folks, combining as it does the splendid symphony concerts of the Chicago Symphony Orchestra and the lighter form of entertainment appropriate for summer nights.

It is to be hoped that the patrons of the Park will make use of this delightful open-air ball room. The management is endeavoring to give good service and bespeaks the sympathetic and patient co-operation of the public.

BUSINESS MEN'S ASSOCIATION MEETING

(Continued from Page 1)

after daylight has disappeared has the appearance of a country town. Its business district is poorly lighted, all kinds of lighting devices being used. With no uniformity in illumination and now with this 10 hour day in vogue and the stores closed, the town looks dark and lonely to the stranger. First we ought to work out some uniform lighting scheme for the business section. Then we ought to do away with the present system. Occasionally you see an electric light globe like a glow worm and if you are careful you may reach it. We ought to have a good system of illumination with lights 200 or 250 feet apart on each side of the street. This would add to the beauty and safety of the city very much.

Following the address by the Mayor, a general discussion of business affairs was indulged in which included wheel, tax, lighting, street improvement, etc. Never before was such good feeling and fellowship shown among business men.

Fort Sheridan

Major and Mrs. F. H. Sargent have issued invitations for a dance to be held at the Officers' club Wednesday evening of next week. One hundred and forty guests have been bidden.
