## LIFE SAVING CREW PERFORM GOOD WORK

### ASSIST OCCUPANTS OF CAPSIZED BOAT

Accident May Have Proved Serious. Boat Upsets Quarter of a Mile Out in Lake Last Sunday Afternoon

On Sunday afternoon the Life Saving Crew of the Young Men's Club had a splendid opportunity to show off their ability, which they did in magnificent fashion and proving themselves finished sailors, when in less than five minutes they were assisting Edward Warren Jr., John Scott and Miss Myrtle Bagley who were enjoying a sail when their boat capsized. The three occupants were seated on the same side of the boat when the wind shifted to the northeast and the boat turned over before they realized what had happened. The accident happened off the foot of Vine Ave. about a quarter of a mile out in the lake. They, however, managed to catch hold of the boat and climbed upon the side. It did not right itself but floated.

Members of the crew who were out canoeing at the time saw the trouble and hurriedly beached the canoe and ran back to the station. The watch in the tower had given the alarm and the life boat was manned by six members of the crew, John Swanson, Arthur McCaffery, Allan Flinn, Edward Meachtle, Harold Schmidt, and William Royer, who were on hand in a minute or two. Meanwhile Miss Bagley had been taken off the capsized boat by two canoeists and at the same time the life boat arrived and took the other two victims in the boat, attached a rope to the sail boat and towed it to shore.

This may have proved a serious accident as Miss Bagley could not swim, which demonstrates how much an organization of this kind is needed. It also showed that the boys are right on the job whenever they can be of assistance.

The crew has been reorganized with Lyle Gourley as its captain. Roland Brand who acted as captain last year is now a member of the Evanston Life Guards.

The club has opened a refreshment stand along-side of the boat house, the proceeds of which will be used to defray expenses incidental to the upkeep of the boat house.

## LAING STARTS WORK ON SOUTH END STREETS

### THREE CONCRETE BRIDGES IN CONTRACT

Paving to be Macadam Foundation With Machine-Mixed Asphaltic Surface Together With Concrete Curb

The construction, of what will be one of the finest systems of streets in Highland Park, was started this week by the Edward M. Laing Co. The improvement consists of the paving of Beech and Wade Streets and Linden and St. Johns Avenues with bituminous macadam, 18 feet wide, together with concrete gutters, also a reinforced concrete girder type bridge spanning the ravine in Beech St. The contract was let for \$30,926. This system of streets together with the proposed improvements in Ravinia will open up new arteries in the south end and greatly reduce traffic on S. Sheridan Rd. The plans for Ravinia call for the paving of Marshall, Judson, Wade, Bronson and Kincaid Streets, to be of a macadam foundation with machine-mixed asphaltic surface together with concrete curb. It also includes reinforced concrete bridges spanning the ravines in Wade Street and Bronson and Judson Avenues. The Board of Local Improvements will hold a public hearing on these improvements on Friday, July 23rd at 7:30 o'clock, and it is hoped that there will be no more objections. The board has already spent a great deal of time and money in making estimates on various types of paving in order to comply with the ideas of the property owners and if there is no further objections to delay the proceedings, there is still time this summer to complete the work.

There is still another proposed improvement in Ravinia which, if it goes through, will give another direct route from Highland Park to Ravinia Park. Charles L. Nelson, owner of considerable property north of Ravinia Park, known as the Woodland subdivision, is circulating a petition for the continuation of the proposed Kincaid St. improvement, through the subdivision south to the north boundary of Ravinia Park and then east to connect with Sheridan Rd.

## LOCAL BALL TEAMS WIN GOOD GAMES

### REGULARS TO PLAY TOPAZ SUNDAY

Conrad, in Absence of Duffy, Played an Third for Crescents. Regulars Call Game at 3:30 Sharp Next Sunday

By "Crescent Fan"  
The Crescents added another one to their list Sunday by defeating the U. S. army team of Fort Sheridan by the score of 10 to 8. Up to the fifth inning the home boys had a comfortable lead but by two errors and safe hits the Fort Sheridan boys managed to get five runs making the score five all and the Crescents came back in their half of the inning and made their runs and added two more in the eighth putting the game on ice.

Leffert, although disabled pitched a good game and was tight in the pinches with his hits. Conrad on third, in the absence of Jimmie Duffy, played a fine game as did Lamb on second. Fossbender made one of his usual fine throws to third and got his man after making a difficult catch in the field. Wahlbruck and Richards led the home boys with the stick with two hits a piece.

The boys wish to thank all for their patronage at the games and can assure you there will always be a good game at the Lincoln Ave. grounds the Crescents consisting of all Highland Park boys familiar to all.

By "Regular Fan"  
The Regulars traveled to Chicago Sunday and defeated the St. Peter and Paul team by a score of 13 to 3.

The game was a pitchers battle between Potter and Hespia for the first four innings each team being able to score only one run, but in the fifth Killey uncorked a triple scoring two men. This seemed to inspire the Regulars and they started hitting the ball to all corners of the lot and when the seventh inning rolled around the Regulars scored seven runs sewing up the game. In this inning Duffy got a single and double. Potter pitched a nice steady game, and was, at no time, in danger of losing. The team played sterling ball behind him, and looked like big leaguers. The addition of Shannon makes the outfield second to none on the prairies. This man has caused all kinds of trouble in the past to the Regulars in the games against Glenview. But now that he is in a "Regular" uniform, he will perform some of his wonderful feats for the Regulars. He is fast and a good hitter and once he gets on the sacks is sure to steal at least one sack. Eddie Wallace played like a veteran. On one attempt he made two sacks on a single and by fast work also took two bases on a bunt. Such speed is an exception and the fans will marvel at these feats from now on, as the team seems to be getting more confidence in its ability and is now progressing to the crucial series for the championship battles with the Waukegan teams.

On Sunday July 25th the Regulars will be out to even up their former defeat where they meet the Topaz team. This team defeated the Regulars by a score of 3 to 1 several weeks ago. Since that time they have defeated some of the best teams in Chicago. On last Sunday they played the Roseland Eclipse 3 to 3 tie which latter team defeated McCanna team 13 to 3 two weeks ago. McInerney will work against the Regulars and will be remembered by the fans as he held the champions to two hits on his last appearance here. For the Regulars Blackburn just back from the Kansas City Feds will pitch. He being a Chicago boy is considered about the best pitcher in the city, and those who attend the game will see a pitchers battle which will long be remembered.

The Topaz having to play a morning game in Chicago Sunday will be a little late in arriving, so the game will be called at 3:30 sharp.

Let's all go out and see the boys avenge their former defeat.

The score:  
1 2 3 4 5 6 7 8 9 Totals  
Highland Park 0 1 0 0 3 1 7 0 1 13-13  
St. Peter & Paul 0 1 0 0 0 2 0 0 3 7-4  
Errors, Pettis, Kroszewski, Putlak, Molder, Kicks; two base hits, Wallace, Duffy; three base hits, Kilby; struck out by Potter 5, by Hespia 5; base on balls off Potter 1, off Hespia 8.

## FRANK DENNETT BUYS CATERING CO.

Prices to be Reduced but Same High Quality of Goods Made

On July 14th Mr. Frank Dennett took over the business of the Ruggles Catering Co. and will continue to supply the people with the same high standard bakery goods as always. The prices however will be reduced but the goods will be of the same high quality. Mr. Dennett has been the baker for the Ruggles Catering Co. for some time.

## CHILDREN'S CARNIVAL AT RAVINIA PARK

### MOTHER GOOSE PARADE JULY 29th

A Big Day is Planned for Next Thursday. Allendale and Glenwood Farm Bands to Lead Procession. Everybody Welcome

To you, fathers and mothers, save Thursday, July 29th, and take the "kiddies" to Ravinia Park and let them join the children's carnival parade which begins at two o'clock. If possible let them wear Mother Goose costumes, if not, let them wear any costume used in school plays or any other occasion, or paper costumes, any kind, just bring them and help make this a long remembered gala day. All are welcome to join in the big parade to be led by the Allendale and Glenwood Farm bands. You are to assemble at one fifteen in the pavilion where there will be placards to indicate each town is to gather. Weather permitting, the parade and program will be held on the athletic field and the audience is expected to take seats in the grand stand.

Children fourteen years and under are admitted to the park free on that day. The Ravinia Club offers the following suggestions as to costumes: Old Mother Hubbard, Man in the Moon, Little Jack Horner, Tom, Tom the Piper's Son, Jack Sprat, Marjory Daw, Little Miss Muffet, Simple Simon, Little Boy Blue, Little Bo Peep, Mary, Mary Quite Contrary, Jack and Jill, Old King Cole, King of Hearts, Queen of Tarps, Keane, Dickory Dickory Dock, Fiddlers Three, Jack in the Bean Stock, Humpty Dumpty, and many others.

## FORMER HORSE SHOW TO BE COUNTY FAIR

### CASH PRIZES ARE BEING OFFERED

Affair to Take Place August 28th in Lake Forest. Proceeds to be Given to Hospital and Orphanage as in Previous Years

The Lake Forest Horse Show Association, which has in past years divided the proceeds of its different activities between the Alice Home Hospital at Lake Forest and the Lake Bluff Orphanage, is making a strenuous effort this year to make its annual event larger and more far reaching in its efforts than ever before. Instead of confining its field of activity to Lake Forest and immediate vicinity, this year's plans take in most of the North Shore and a determined campaign has been started to work up the interest of the people residing in the district between Winnetka and Waukegan and throughout the hinterland of the towns situated between these two points.

In order to make the event more comprehensive in its appeal, the character of the attraction has been changed from the more formal and fashionable style of previous years, to an old fashioned county fair with all its attractions that in former years made it the big get-together of the calendar. The first of its kind to be held under the auspices of the Horse Show Association and it promises to be bigger and better than any of the previous drawing cards of this charitable institution. An earnest effort is being made to interest, not only the society people who have made up the majority of attendants in previous years, but to draw in those people who live in the towns and in country places whose interests are occupied in different lines.

In order to stimulate a desire to compete in the different branches substantial cash prizes are being offered, with the special feature that the money can only go to the person directly responsible for the actual production of the prize winning article which may or may not be the owner. This feature it is hoped will cause a great many foremen, cooks and gardeners to compete who under the old methods of prize awarding would not care to do so.

The grounds will be open at 9 a. m. and will close at 7 p. m., and as lunch will be served on the grounds, the opportunity is presented to come early and to spend a whole day filled with exciting and enjoyable amusement.

The date set aside for this big attraction is August 28th, and the committee in charge takes this opportunity, through the columns of this paper, of extending a very cordial invitation to the people of the North Shore.

The officers of the Lake Forest Horse Show Association follow: Mrs. H. C. Chatfield-Taylor, president; vice presidents, Mr. J. Ogden Armour, Mr. Hugh J. McBirney, Mr. Cyrus H. McCormick, Mr. Louis F. Swift; chairman executive committee, Mr. J. Allen Haines; treasurer, Mr. Louis E. Laffin; secretary, Mr. Francis J. Johnson.

## BATHING BEACH IS UNUSUALLY POPULAR

### ATTENDANCE FIRST MONTH WAS 7200

Ossoli Expresses Appreciation for Cooperation of the Mayor, Commissioners and the Crew. Extends Thanks to F. Schaefer

The public bathing beach at the foot of Central Ave. run by the women of the Ossoli Club is part way through its fifth successful summer. The attendance for the past month was 7200; when one considers the cold, wet weather, this seems impossible but Captain McDermott has a punch this year which records each one. In the afternoons this is turned over to whom ever is in charge of the beach so the captain can keep his eye on the water.

The new drinking fountain is a great convenience and the thanks of the Ossoli are due Mr. Fred Schaefer who donated the bubbling cup. Lights have recently been put in the men's bath-house. It is surprising how many people go to the beach for a swim after dinner, on a hot night there isn't a vacant beach swing and the play group apparatus is in constant use. The beach committee had hoped to put a sunken concrete basin with running water in front of the woman's bath-house and in the men's bath-house this year which would add greatly to the comfort of the bathers in getting rid of the sand, but over six hundred dollars has already been spent on the buildings, repairs, etc., so with the funds on hand, the additional expense cannot be incurred.

The beach master has an assistant and at present a large diving raft is being built by some of the enthusiastic attendants.

The Ossoli appreciates the interest and cooperation of the mayor and commissioners and the friendly helpfulness of the Life Saving Crew.

## MR. STORK WORKS OVERTIME

### Many new Arrivals Appear in Homes of Highland Park Families

Mr. Stork seems to be working overtime within the last two weeks. He has visited at the homes of Mr. and Mrs. Harry Berberick of Highwood, on Friday, July 9th and left a baby girl; on Friday, July 16th, Mr. and Mrs. John Danley of Hubbard Woods, the latter being formerly Miss Jessie Gage, well known here, was visited by him and as the result are the proud parents of a son. Other places he visited were at the homes of Mr. and Mrs. Louis Berube where he left a daughter on July 17th, and on Monday, July 19, Mr. and Mrs. Howard Mauran of W. Vine Ave., and Mr. and Mrs. Christ Neibur of W. Central Ave., and left a bouncing baby boy; also Mr. and Mrs. George Lawrence; who are the proud and happy parents of a daughter, born on Tuesday, July 20th.

## WEDNESDAYS, RAVINIA CLUB NIGHT

### Special Table d'ote Dinner to be Served at Seven O'clock at Ravinia Park

Wednesday night will be known as Ravinia Club night at Ravinia Park, commencing last night and continuing throughout the season. A special table d'ote dinner will be served at \$1.25 per plate, at seven o'clock. In order to insure good service it is necessary to reserve tables not later than Tuesday night. The Ravinia Club committees in different towns are making themselves responsible for the success of this new feature.

## DOINGS AT LOCAL THEATRE

### Saturday Will End the "Who Pays" Series. Mary Pickford to Appear Sunday

This week Saturday, the last of the "Who Pays" series will be shown at the Highland Park Theatre. On Sunday the idol of the screen, Mary Pickford, will be seen as Fanchon in the photo-play by George Sands entitled "Fanchon and Cricket."

Wednesday, evening, Clyde Fitch's powerful drama "The Moth and the Flame" will be the attraction with a Famous Players cast, while the following evening the 29th, the Highland Park city officials will be shown. A tryout of the film was shown on last Sunday for the officials, their families and friends and proved to be fairly good. A Pathe hand-colored production entitled "Traitors to the King" will be the feature Saturday evening, July 31st.

## SANITARY ASSOCIATION PLANS HIGHLAND PARK "CLEAN UP" DAY

### START ACTUAL WAR ON THE MOSQUITO AND RUBBISH

Wednesday, July 28th is Day Planned for the General Outdoor Cleaning, Ridding all Property of Tin Cans, Bottles and Rubbish of all Kinds

Under the direction of the Highland Park Sanitary Association the women of Highland Park are planning a general "clean-up" for all of Highland Park, the women of Ravinia to carry on the work at the same time. All women of Highland Park are asked to assist in this work, first by looking after their own premises and having all tin cans, bottles and rubbish of any kind removed, and interest their small boys and girls to work with them and join in the work in making piles of cans, etc. in each of twelve districts under the direction of a leader in each district, not later than Wednesday night. The Commissioner of Health has then agreed to have the city dump wagons work Thursday morning clearing up the piles. The districts with their chairmen are as follows: 1st, Ravinia, Mrs. C. E. Woodruff; 2nd, Beech to Ravine from lake to R. R. tracks, Mrs. R. E. Seyfarth; 3rd, Ravine to Prospect, Mrs. Frank Lincoln Wean; 4th, Prospect to Park, Mrs. F. W. Schumacher; 5th, Park to Ravine, Mrs. H. J. Thayer; 6th, Vine to Moraine Rd. to north limits, Mrs. E. P. Sedgwick; 8th, south limits to Deerfield Ave., R. R. tracks to west limits, Mrs. William A. French; 9th, Deerfield to Central Ave., Mrs. S. Levin; 10th, W. Central to West Park, Mrs. W. M. Dooley; 11th, West Park to Chicago Ave., Mrs. J. S. Roseman; 12th, Chicago Ave. to north limits, Mrs. E. S. Gail.

It is the desire of the association that you pledge yourself to do your marketing early Wednesday morning in order to give all the merchants a chance to have a thorough clean-up time between one and three o'clock. This is the beginning of actual WAR-FARE on mosquitoes. A barrel or large can filled with crude oil, furnished by the city, will be placed in each district for the use of individual property owners who find low places where water may stand for some time. Places in ravines or vacant lots furnish large opportunity for this work. The association started out yesterday in actual mosquito examination when they sprayed the woods north of Ravinia Park. They have employed a man with an automobile, a spray pump, crude and kerosene oil to start oiling the many places found and reported in the survey of the various districts. Oiling should be done every ten days and after each hard rain.

An advisory for the association has been formed as follows: E. P. Sedgwick, finance; Edward G. Huber, city health commission; Everett L. Millard, city beautiful commission, and E. M. Schalk, assistant state entomologist; the latter will give one day each week in connection with this work.

## POST OFFICE RULES GOVERNING DELIVERY

### CARRIERS WORK EIGHT HOURS A DAY

A Letter Concerning Instructions for Receipt of Mail to be Left at Houses Will be Supplied by Carriers This Week

The rules of the post office department governing the delivery of mail by carriers, provide that houses shall be numbered, streets properly lighted and their names posted, that there shall be good continuous sidewalks and street crossings and that patrons shall be required to provide suitable means for the receipt of their mail by erecting accessible boxes or cutting suitable slots in their front doors.

These rules have not been strictly adhered to in the past and as a result conditions have grown up that now demand the correction that will follow a more close observance of their requirements.

In accordance with civil service regulations, carriers work is confined to eight hours a day and it is apportioned so that each carrier will have sufficient work to occupy eight hours and not more than eight hours, except in cases of emergency.

With those things in mind it is clear that efficient service can be better maintained if the patrons will comply more fully with the conditions and requirements.

A letter of instructions concerning facilities for the receipt of mail will be left at every house supplied by carrier during the coming week, you are respectfully urged to read it carefully.

Increasing demands for carrier service to parts of the city where these provisions are lacking makes a public announcement that no extension of the carrier service will hereafter be made to patrons whose houses are not numbered, the names of streets not posted and good sidewalks and street crossings provided, imperative.

Wm. M. Dooley, Postmaster.

## CONVENTION TO BE HELD

### Deerfield Township Sunday School Convention, Sunday at Presbyterian Church

On Sunday afternoon July 25th at half after one o'clock in the Presbyterian church a Deerfield Township Sunday School Convention, will take place. The program will include discussions on interesting Sunday School subjects, reports by officers of local schools, town and country officers, exhibition of work, addresses and election of officers. A very cordial invitation is extended to everyone.

## HIGHLAND PARK DAY GREATER THAN EVER

### PARADE TO SURPASS FORMER YEARS

Mayor and Commissioners to Review Parade from Reviewing Stand Located at Central Ave. and Sheridan Road

That Highland Park Day this year will outrival all previous celebrations is a poor expression of what it will be. The parade will be larger and more gorgeous, it will be reviewed by the mayor, commissioners, judges, and other prominent citizens from a reviewing stand located near the fountain at the corner of Central Ave. and Sheridan Rd. There will be more games, more amusements, a larger dance platform, Pritchard's orchestra, and twice as many prizes for the free drawing as in previous years and in money, will be valued into the hundreds of dollars, so be sure to register. A full list of the prizes, and a complete program of the day will appear in our next issue.

The general scheme for decorations will be penants, but it is optional. All merchants and citizens are asked to decorate in some manner. All vehicle owners are invited to take part in the parade and compete for the prizes. Follow the boys' band.

Upon the arrival of the parade at the park, Mayor Hastings will give the address of welcome.

The date is two weeks from today, Thursday, August 5th. Bring your lunch baskets and spend the day. A merry-ground will be there to amuse the kids. There will be a cane rack, a doll and teddy bear rack, a knife rack and moving pictures. Something doing all the time.

Following is a list of games for which prizes will be awarded:

- 1st. Shoe lacing contest
- 2nd. Potato race (1 for boys 14 years and under)
- 3rd. Potato race (1 for girls 14 years and under)
- 4th. Sack race
- 5th. Three legged race
- 6th. 50 yard dash (for boys 14 years and under)
- 7th. 50 yard dash (for girls 14 years and under)
- 8th. Nail driving contest for ladies
- 9th. Tug-O-War Highwood Firemen vs Highland Park Firemen
- 10th. Tug-O-War Carpenters vs Bricklayers (Not over ten to team)
- 11th. Man with largest family on the grounds.  
1st prize, 50 lbs flour  
2nd prize, 25 lbs flour
