Baptist Church Notes

The services on Sunday were well attended. In the morning, Evangelist Thompson preached a sermon on "Back-sliding." He said, in part: "The old Testament is full of references to back-sliding, and there is considerable warning against it in the New Testament. Owing to being in the enemy's country, having the world, the flesh and the devil to contend with, the Christian is always in danger of sliding back. If you once lived nearer to God than you now live, your name is back-sliding. To be a back-slider, it is not necessary to go all the way, some back-sliders in the secret life, while outwardly they keep up appearances."

In the evening there was the best attendance at the young people's meeting thus far, and an interesting program. Sermonettes, duets, songs and talks constituted the service. It was "men's day," in the Sunday school, and an extra large number of men were in attendance. August 15, will be "women's day."

Next Sunday, services as usual. Sunday school at ten o'clock, preaching at eleven, and young people's meeting at seven p. m.
