Couldn't Afford to Advertise

Jud Shaw sold shoes and sealing
wax, and lamps, fishpots and glue,
tobacco, candles, gum, and tacks,
slickers and sardines, too; dry goods
and hams were in his line; he dealt in
peas and beans; he kept the general
store, in fine, sold overalls and jeans;
but Jud, somehow, he wasn't wise—
"Couldn't afford to advertise."

Not that he harbored any grudge
against his home town sheet; he was,
as anyone might judge, a kindly man
to meet; his customers he treated
fair, and yet he prospered not; his
goods were honest one would swear—
he simply was forgot; for Jud, some-
how, he wasn't wise—"Couldn't afford
to advertise."

Mail order firms from out of town,
much wiser in their day, paid liberally
for their renown, and gathered in the
hay; their catalogues went every-
where; they advertised for trade;
their name went forth with trumpet's
blare, and ah! the coin they made;
couldn't afford, they were so wise,
couldn't afford NOT to advertise.

Now Jud's stuff, it was just as
good; his prices were the same; the
loss was ours; he simply WOULD not
spread abroad his name; though
townfolks might have much preferred
in their home mart to buy, of Jud
Shaw they had never heard—you
know the reason why, for Jud, some-
how, he wasn't wise—"Couldn't afford
to advertise."

REGENTS TO ABOLISH COURSE

Present Classes to Finish Work but
No New Ones Started.

Madison, Wis., Sept. 7.—The board
of normal school regents Friday night
voted to abolish the five year courses
of study now given at the state normal
schools at Whitewater, Platteville,
Stevens Point, River Falls and
Superior. The present classes in such
courses will finish their work, but no
new ones will be started.

It is expected that the board of regents
will on Saturday elect Theodore
Kronshage of Milwaukee as its rep-
resentative on the new state central
board of education. Regent H. O.
Hamilton of Whitewater will probably
be elected president of the board of
normal school regents to succeed
Kronshage.

UNIDENTIFIED MAN IS KILLED

Allis Station Friday Afternoon.

Milwaukee, Sept. 7.—An unidentified

freight train about fifty feet south of

He is described as being five feet
seven and a half inches tall, weighs
160 pounds and is about 30 years old.
His clothes consisted of a blue serge
suit, blue overalls, light underwear,
black lace shoes and no socks. No
one saw the accident. The body was
found lying in the middle of the tracks
after the freight passed.

NAVAL MILITIA MEET
IS CALLED BY BRUCE

Milwaukee Branch Will Be Or-
ganized at Gathering.

Milwaukee, Sept. 7.—The Milwau-
kee naval militia will be organized at
a meeting called for next Friday
night by William George Bruce, sec-
retary of the Merchants and Manu-
facturers' association, who has been
working for several weeks with the
intention of establishing a branch in
the city.

About sixty persons have made ap-
plication to join the militia, many of
them having had previous experience
in that work. Among those who have
expressed their intention to take an
active interest in the work and are
acquainted with its nature are Grant
Stephenson, Douglas Van Dyke and
H. C. Kaestli of Lake Buellah former
commander in the naval militia.

It is the intention to establish two
divisions in Milwaukee—an engineer-
ing and a deck division. About sixty-
five men are needed for each divi-
sion.

As soon as the militia is organized,
a training ship will be procured for
this port from the government.

MAN IS CAPTURED BY POLICE

Milwaukee Police Consider Arrest of
Edward Stoop Important.

Milwaukee, Sept. 7.—Patrolmen
of the north side station made what
the police consider an important cap-
ture in arresting Edward Stoop, alias
Charles B. Lightfoot, in the home of
Miss Louise Gienther, a music teacher,
early Friday morning. Stoop is
held on a burglary charge.

Miss Gunther's home is vacant, she
being on a visit to friends in another
city. A neighbor saw a man enter
the house about 1 o'clock in the morn-
ing and notified the police. The po-
lice went to the place and found stoop
ransacking it, according to the pa-
trolmen. The man surrendered with-
out resistance.

ILLINOIS SEEN BY WORKERS

Civil Service Posts Paying From \$50
to \$400 Per Month Open.

Springfield, Ill., Sept. 7.—The state
of Illinois wants to hire men and
women to fill vacancies in various
departments. Civil service examina-
tions will be held Oct. 2 in various
cities of the state. Salaries range
from \$400 down to \$50 a month. The
highest salaried position open is that
of state epidemiologist. The mini-
mum salary offered is \$200 and the
maximum \$400. This position is open

DUNNE STOPS PRIZE
FIGHTING AT PRISON

"Egregious Blunder" He Wires
Acting Warden Ryan.

Chicago, Sept. 7.—Characterizing
the boxing bouts within the prison
walls at Joliet a "gross, egregious
blunder," Gov. Dunne sent from Chi-
cago a telegram to Acting Warden
Lawrence Ryan, stopping the ring
battles which were then in progress.

Two lightweight pugilists who were
pummeling each other for the pris-
oners' entertainment stopped, and oth-
ers waiting their turn in the ring
donned their clothes.

Gov. Dunne was aroused to wrath
when he read accounts of prize fights
given Sunday on the honor farm for
the entertainment of 100 honor con-
victs. When he learned that more
bouts were part of the Labor day pro-
gram inside the prison he acted im-
mediately.

"It was a gross, egregious blunder,"
said Gov. Dunne at the Hotel La
Salle. "I can not conceive of any
official making such a mistake."

Michael Zimmer, the newly appoint-
ed warden, is in St. Joseph, Mich.,
resting before taking over the prison
affairs.

Luzon, became violent in the Chicago
and Northwestern railroad station and
was taken to the Desplaines street

He again became violent and twist-
ed and broke several water pipes in
the cell, partly flooding the station
basement before the water could be
shut off.

Bell System
Party Line Telephone service is like a
crowded street car; it gets you there but
at some inconvenience, with some dis-
comfort even. That car is taken of
necessity, not from choice.
Two party service may be compared with the
taxicab or other public conveyance—it is better
than the densely packed car, but someone else
may get it first, in which event you must wait.
The single line service is like a private convey-
ance, available when wanted; can be kept in-
definitely if desired; can go where you will,
when you will.
Of course, this last costs a little more—but
think of the added convenience, and the added
value in time saved if an occasion arises when
you must get word to someone and do it
quickly!

FLEETEST OF ALL DOGS.
Greyhounds Can Run as Fast as Car-
rier Pigeons Can Fly.
Comparatively few people realize of
what remarkable speed dogs are ca-
pable. The wolf can run between fifty
and sixty miles in one night, and the
arctic fox can do quite as well, if not
better. Nansen met one of these foxes
on the ice at a point more than seven-
ty miles northwest of the Sannikov
territory, which is 480 miles from the
Asiatic coast. Eskimo and Siberian
dogs can travel forty-five miles on the
ice in five hours, and there is one case
on record in which a team of Eskimo
dogs traveled six and one-half miles
in twenty-eight minutes.
English setters and pointers hunt at
the rate of eighteen to nineteen miles
an hour, and they can maintain the
speed for at least two hours. Fox-
hounds are extraordinarily swift, as is
proved by the fact that a dog of this
breed once beat a thoroughbred horse,
covering four miles in six and one-
half minutes. Greyhounds are the
swiftest of all four footed creatures,
and their speed may be regarded as
equal to that of carrier pigeons. Eng-
lish greyhounds which are carefully
selected and which are used for cours-
ing are able to cover at full gallop a
space between eighteen and twenty-
three yards every second. It is said
that a hare at its greatest speed never
goes faster than at the rate of eight-
een yards a second. These interest-
ing statistics fully prove the right of
the greyhounds to rank as the swiftest
of the quadrupeds.—Springfield Repub-
lican.
