Y. W. C. A. News

The leaders of the Commonweal Clubs met Friday afternoon with representatives from all the clubs and outlined the work for the coming month. A great deal of enthusiasm is being shown by the girls, and much is expected from this branch of the Y. W. C. A. It seems to meet the needs of the girls in every way and correlates with their school work in a very happy manner. The leaders for the five groups are Mrs. George Taylor, Mrs. Ralph Bard and the Misses Marian Craig, Olivia Goelitz and Margot Cushing. The girls have begun sewing and making clothes for some needy families. Anyone having infant's wear to dispose of will be able to place it where it will be appreciated if they will kindly send it to the Association.

The Mothers' Club of the Y. W. C. A. met in the association rooms Tuesday evening. Mrs. Dittmer, the president, presiding. After extending to the club a hearty welcome at the opening for the season of 1915, the president called on Miss Mildred Thayer who sang a group of songs, accompanied by Mrs. James Watson, which were enjoyed by all present.

Mrs. Searcy, the secretary, then gave an interesting talk on California and the exposition, illustrated with a post card projector, James Bock kindly running the machine.

At the conclusion of the program refreshments of cake and coffee were served. Mrs. MacKenzie won the handkerchief donated by the president of the club.

These meetings are a source of pleasure and benefit and are enjoyed by all who attend. Miss Chloe Leavitt of the Y. W. C. A. from Lake Forest, was the out of town guest.

High School Notes

The athletic Association met last week to organize and elect officers. The following is the result: President, George Bolan; vice-president, Leland Smith; secretary, Seward Baldwin; senior representative, Howard Flagg.

The football team was defeated on Saturday by the score of 47 to 0, which victory was won by Evanston high school. The school has the largest squad this year, though the boys are small and inexperienced. A light weight team has been organized and will schedule games as soon as arrangements can be made. The heavy weight team will meet New Trier's team for football at the latter's field on Friday afternoon. Other schedules are the 23rd of this month, Waukegan, there, and the 30th, Kenosha, here.

Highland Park Woman's Club

The Highland Park Woman's Club held their first regular meeting of the year Tuesday afternoon, October 5, in the lecture room of the Presbyterian church. Victor S. Yarros, speaker of the afternoon, gave a most interesting lecture. Progress in various steps, "The Idea and the Reality." An informal reception was held after the meeting to welcome guests and members. The following ladies were hostesses for the refreshments: Mesdames Henry Boyd, chairman, William Bletsch, Charles E. Follansbee, Frederick K. MacKenzie, Mather Smith, Charles Harbaugh, Jacoby, and Brown.

HIGHLAND PARK CLUB

The formal opening of the club will take place on Tuesday evening next when the members will gather at the club house for the opening reception and dance, at 8:30. Tomorrow evening the children will be given a motion picture entertainment at 7:30, the subject to be "Rumpelstiltskin," an old-fashioned fairy tale. These Friday evening motion pictures are to be given at 7:30 in place of 8 o'clock, the usual hour. "Neal of the Navy," is to be shown every Friday evening beginning with the fifteenth of October. The Tuesday evening bridge parties are to be in charge of Mrs. H. H. Doty. The first one will be given on the 19th of this month. The October program includes very many other interesting features which will be announced later.

WOMAN'S CIVIC CLUB

The next regular meeting of the Woman's Civic Club in Ravinia will be held at the Village House tomorrow afternoon at 2:00 o'clock. The speaker of the day is to be Miss Elizabeth Jenkins of Chicago, who formerly was the principal of the Kindergarten Training College in Sidney, Australia. Miss Jenkins is an interesting speaker, who comes full of the life of Australia, thus this meeting should prove of great interest to everyone. Her subject will be "Home-Making Schools." A social hour with refreshments will follow the meeting.

Ever Notice?

The careful folks send their prescription work to us. Their judgement is justified. "Think it over."
