## LAKE COUNTY SUNDAY SCHOOLS TO HOLD CONVENTION HERE

### AT THE PRESBYTERIAN CHURCH OCTOBER 21 AND 22

Five Sessions Will be Held: Thursday Morning at 9:30, Thursday Afternoon at 1:30, Thursday Evening at 7:30, Friday Morning at 9:30 and Friday Afternoon at 1:30

The forty-fifth annual convention of the Lake County Sunday School Association will be held at the Highland Park Presbyterian Church on Thursday and Friday, October 21 and 22. Among the speakers are Mr. Hugh Cork, who is the executive head of the Illinois Sunday School Association and is always warmly welcomed by the Lake County Bible School workers; Prof. F. C. Eiselen, Ph.D., of Garrett Biblical Institute, Evanston, one of the greatest Bible teachers of America and who has for several years been an active member of the International Lesson Committee; Mrs. M. S. Lamoreaux, author of "The Unfolding Life," "A Girl and her Religion," etc., well known as a writer and speaker on young people's work, is Superintendent of Elementary Work of the Methodist Board of Sunday Schools; and Dr. J. S. Dancy, a Chicago pastor and a member of the executive committee of the Illinois Sunday School Association.

Following is the program of the five sessions:

**Thursday Morning, October 21**  
Beginning 9:30 A. M.

Praise service, led by A. C. McNeill. Devotional Bible study, led by Rev. Daniel Bryant.

"A Well-Organized Bible School as Judged by an Expert" (based on Ahearne's "The Church School")—Rev. H. G. High.

"The Needs of Our Schools"—(a) In the elementary grades, Miss Irene Roekenbach; (b) In the secondary division, Mrs. M. S. Lamoreaux; (c) In the adult division, Rev. Rudolph Erickson; (d) In general management, H. D. Faxon; General discussion led by Mr. Hugh Cork.

Appointment of committees. 12:00 o'clock—Adjournment.

**Thursday Afternoon, Beginning 1:30**

Praise service led by A. C. McNeill. Devotional Bible study led by Rev. Daniel Bryant.

"What Teen Age Girls Desire in the Bible School," Miss Lois Greene.

"What Teen Age Boys Desire in the Bible School," Joe Gibson.

2:45 o'clock—Three Simultaneous conferences: Elementary (in the junior room), Miss Irene Roekenbach, leader; secondary (in the senior Bible school room), President L. J. Yager, leader; adult (in the church auditorium), Mr. Hugh Cork, leader.

4:00 o'clock—Adjournment.

5:00 to 6:00—Social hour.

**Thursday Evening, Beginning at 7:30**

Devotions, led by R. Calvin Dobson, DD.

Music, Libertyville Presbyterian Choir.

Address: "The Personal Factor in Teen Age Work," Mrs. M. S. Lamoreaux.

Offering.

Music.

Address: "Man and His God," Dr. F. C. Eiselen.

**Friday Morning, October 22**  
Beginning at 9:30

Praise service led by A. C. McNeill. Devotional Bible Study led by Rev. Daniel Bryant.

Reports of President, Secretary, Treasurer, District Superintendents, Department Superintendents, and Township Presidents.

General Discussion: "How to Reach the Front Line," led by General Secretary Hugh Cork.

Five-minute talks on "Church Activities for Boys and Girls" by Rev. L. H. Sweetland, Rev. E. G. High, Rev. R. Erickson, Rev. J. W. Funston, Rev. J. E. Robeson, Rev. J. F. Van-Evera and S. W. Chidester, D.D.

12:00 o'clock—Adjournment.

**Friday Afternoon Beginning at 1:30**

Praise Service led by A. C. McNeill. Devotional Bible study led by Rev. Daniel Bryant.

Address: "Training for Service"—(a) Correspondence and reading course, (b) Training class in the school, (c) Community training school—General Secretary Hugh Cork.

Address: "The Church of the Future," J. S. Dancy, D.D.

Address: "The Challenge of the Community," Mr. Cork.

Installation of officers.

4:00 o'clock—Adjournment.

## OVER ONE HUNDRED STUDENTS REGISTER

### Night School Proves Very Popular. Many Classes Organized

Over one hundred people registered at the high school on Monday evening for night school work. The following classes were organized: woodwork, Mr. Robert W. Schneider, director; mechanical drawing, Mr. Pertz; foods and household management, Miss Tucker; dress-making and millinery, Miss Edmundson; business English, Miss Grandy; Typewriting, Miss Shunson; bookkeeping, Mr. McLain; short hand, Mr. Ewing. Gymnasium classes were organized for Monday, Tuesday, and Thursday evenings from 7:30 to 10:00. Monday and Thursday evenings are set aside for business and professional men. Mr. Rothacher in charge. Tuesday evenings are for young men over eighteen years of age. Miss Reid will have charge of the women's gymnasium work on the same evenings. The swimming pool will be open for use. No classes in public speaking and chorus work were organized, although if enough demand on the part of those who desire such instruction is made, classes may be organized.

## MARATHA AID SOCIETY TO HOLD SALE

All Sorts of Fancy Work to Be Sold in Library Hall Friday Evening Oct. 29

The Maratha Aid Society of the Swedish Lutheran Church are making elaborate plans for their annual sale to be held in Library Hall Friday evening, October 29. There will be all sorts of aprons, towels, quilts, candy, etc., on sale and supper will be served. The sale opens at 7:30. The public is cordially invited to attend.

## FEDERATION OF CLUBS TO MEET

Thursday October 21st at the Highland Park Club House

The Federation of Clubs of the Tenth Congressional district will meet with the Ossoli Club in the Highland Park club house on Thursday, October 21.

**Morning Session:**

Board meeting, 9:30 a. m.

Business meeting, 10:30 a. m.

Speaker, Mrs. W. I. Thomas: "The Woman's Peace Convention at The Hague."

Luncheon, 12:30 p. m.

**Afternoon Session, 2 o'clock:**

Speaker, Senator Lawrence Y. Sherman: "Public Office."

Luncheon reservations should be sent to Mrs. J. McGregor Adams.

## ATTRACTIONS AT LOCAL THEATRE

Mary Pickford in "Rags" Wednesday and Thursday Oct. 21 and 22

On Saturday, Pauline Frederick will be seen in a thrilling photo-production of the celebrated emotional drama, "Sold," depicting a woman's devotion. This stirring five-part photoplay will make an indelible impression on the minds of all who witness it. C. Aubrey Smith will be featured in "John Smith's Honor," to be shown here on Sunday night, October 17, while on Wednesday and Thursday evenings Mary Pickford will appear in one of her greatest characterizations, "Rags," by Edith Barnard Delano. Shows at seven and nine o'clock.

"LIKE TAKING CANDY FROM A BABY."

SUNDAY'S GAME WAS EASY FOR WAUKEGAN.

## REGULARS RECEIVE A SEVERE TRIMMING

LOOSE BY A SCORE OF 19 TO 5

Cantwell was Unable to "Come Back." Waukegan's Collection of Sluggers Juggled the Tiny Sphere at Their Will

The Regulars lost to Waukegan Sunday by a score of 19 to 5, one of the worst defeats ever given a team representing this city. Cantwell was unable to come back, as his arm became sore after the third game and he was unable to get into working condition. The Waukegan team must be given credit for its collection of sluggers, as they certainly did hit the ball on the nose.

The game went along for the first two innings at an even break, and the fans, no doubt, settled back in their seats expecting to see one of the usual pitchers' battles, but in the third inning Duffy placed a single over second and Capple Cronin came up and hit one over the fence for a homer, giving Highland Park the lead, and they scored another in the third when Kilby hit the fence in right field for two sacks and scored on a passed ball.

In the home half of the fourth Waukegan scored four runs on two hits, two hit batsmen, an error and a home run. Waukegan then made three more runs in the fifth and sixth innings and with Cantwell's arm paining him it was thought advisable to pull him out, and then Waukegan started hitting and before the game ended had amassed 19 runs.

However, the loyal fans should not feel discouraged, as the boys will be fighting all the harder next Sunday. Cantwell has decided to retire for the remainder of the season, as he does not want to take any chances of injuring his arm any more. The Regulars will possibly have Lafferty or Moran on the slab for Sunday and then the fans will be assured of a good game. So be sure and be on hand early Sunday, as the game begins at 2:30.

## CONVENTION OF B. & L. ASSOCIATION

Is Being Held in Champaign, Ill. Today and Tomorrow

The Building and Loan Association League of Illinois is holding its annual convention of Champaign, Ill., today and tomorrow. The Highland Park Building & Loan Association is a member of the league and will be represented by Mr. Charles F. Grant, secretary of the local association, and by Mr. W. E. Brand.

Mr. J. M. Appel, vice-president of the Highland Park State Bank, will deliver an address at the banquet this evening, his subject being "The Home-Stepped Association, is it worthy of our friendship?"

## CITIZENS MEET CITY COUNCIL ON TUESDAY

FORM GREATER HIGHLAND PARK ASS'N

Officers Were Elected and Members of Committee Appointed. An Enthusiastic Gathering was Present

By Publicity Commission  
It must be most gratifying to our Mayor and Commissioners to realize that when they call upon the citizens to attend special meetings and to do special work the response is prompt and hearty.

This was particularly evident last Tuesday evening when the Mayor invited some of the citizens to meet the City Council for the purpose of considering the advisability of forming a committee to be known as "The Greater Highland Park Association," a purely civic affair, and to take the place of, and embrace all the previously-formed committees of the same nature. Owing to the fact that this notice must go to press at once, we will have to postpone a full account of the proceedings of the meeting until next week; suffice it to say that the sense of the meeting was unanimously in favor of a greater Highland Park Association, and while the Mayor acted as temporary chairman for the evening, the following members were elected for office for the term of one year: Chairman, Mr. Walter Baldwin; vice-chairman, Mr. Joseph Schoeninger; secretary, Mr. George Vetter; treasurer, Mrs. Irving Randall. Mrs. Elinor B. Fyffe, Mr. Hermann Thomas and Mr. Fritz Bahr are other members of the committee.

## CHANGE LIMITED SCHEDULE ON C. & M. F.

New Street Car Capable of Maintaining 70 Miles per Hour

The new limited schedule which went into effect on the C. & M. F. Monday has cut the running time to Evanston to 23 minutes, to Waukegan 26 minutes and to Milwaukee 1 hour and 30 minutes. South bound trains leave Highland Park at fifteen minutes after each hour from 9:15 a. m. until 9:15 p. m. North bound at thirty-nine minutes after each hour from 7:39 a. m. until 6:39 p. m. and one at 8:39. The new steel cars recently purchased were designed especially for limited train service. They are equipped with four 160 H. P. motors capable of maintaining 70 miles per hour.

The steps are so designed that entrance and exit are easy. The seats are wide and comfortable. Proper ventilation is provided by honeycomb intake and exhaust ventilators. Proper heat is provided by the hot water heating system guaranteed by the manufacturer to maintain a temperature of 70 degrees in zero weather. To make assurance doubly sure the cars are equipped with storm sash. Proper light is provided by the broad glass area and the center lighting system. Fresh drinking water is dispensed from bubbling fountains. Smoking compartment in each car.

## NEARBY NEWS ITEMS OF LOCAL INTEREST

### J. N. MENARD TO RETIRE ON PENSION

Mrs. James Welch Gets Decree. Free Employment Agency Success. To Decide on State Aid Road Construction

Conductor to Retire on Pension  
After 40 years—15,600 days—on the rails, L. J. Menard of Waukegan is to be retired on pension by the Chicago & Northwestern Railroad Company, which corporation he has served most diligently four-sevenths of his life. Mr. Menard is to be pensioned off the latter part of the month, and he purposes to serve the balance of his life with his wife and family in Waukegan.

Mr. Menard first entered the employ of the Northwestern 40 years ago as a freight brakeman. Attention to duty won him immediate promotion, until today he is ranked as the tenth oldest man in the company's employ.

"I have labored 40 years for the Northwestern railroad, and I might say that I have traveled at least 100 miles each of the 15,600 days I have worked on the rails," said Mr. Menard. Figuring 100 miles a day, Mr. Menard has—

First—Traveled over 1,461,000 miles in the 40 years.

Second—Has made 40,583 trips from Waukegan to Chicago.

Third—Has made 20,291 round trips between Waukegan and Chicago.

Fourth—Has traveled the equal of 360 trips across the continent.

Fifth—Has traveled the equal of 58 trips around the world.

Mr. Menard is well known to Highland Park commuters and will be greatly missed by them.

Mrs. Jas. Welch Gets Decree

Judge Edwards Saturday morning in circuit court granted a divorce to Mrs. Jessie Welch, wife of Attorney James G. Welch of Waukegan.

Mr. Welch made no contest of the application for a decree and the only evidence introduced was that given by Mrs. Welch and two witnesses to prove her grounds for asking the separation by the court.

It had been known for some time that there was marital incompatibility in the relations of the well known attorney and his wife, hence when the application for divorce was filed by Mrs. Welch some time ago the close friends of the couple were not surprised.

It is stated that Mrs. Welch is to enter a college at Madison, Wis., in which she will study for a year or so and then take up work as a teacher. Mrs. Welch has been with her parents at Schoolcraft, Mich., for some time, ever since they closed their flat on North Genesee street, Waukegan. Mr. Welch, by the court order, pays his wife \$50 a month.

Free Employment Agency Success

On November 1 of last year a free employment agency was opened in Waukegan. It has been conducted by Captain and Mrs. J. W. Cook, whose only purpose was to find employment for deserving men and women of that city. That the agency has been a complete success is shown from the fact that employment has been found for 145 men and women up to the present time. This is considered an excellent record.

People of Waukegan and even the residents of Lake Forest and Highland Park are coming to depend more and more on the free employment agency for their hired help, realizing that through this source they are able to get the most dependable help.

To Decide on Road Construction

A special meeting of the Lake County Board of Supervisors is to be called in the near future to take up the matter of deciding what sort of road construction shall be adopted for the extension of state aid roads which will be carried on next spring in Lake county.

Superintendent of Highways Russell has received from the state board a rough estimate of the cost of different kinds of road construction, and with those figures on hand the board will vote on the method of construction on the stretch which is to be built west from Waukegan and east from the state road at Lake Villa.

A Hint to Waukegan

A certain town has such a poor railroad depot that the citizens got together and had a large sign painted to put up in front of the building as follows: "Don't judge the town by the depot; we built the town but the railroad built the station."

## NOT MUCH BUSINESS FOR CITY COUNCIL

### FRIDAY'S SESSION LIKE A HOLIDAY

Dumping Grounds and the Disposal of Garbage Next on the Slate. Talk on Water Filtration

By Publicity Commission  
It was almost a holiday for the City Council last Friday; there was little business to transact—no ordinances—no complaints. In the absence of Mayor Hastings, Commissioner Willis took his place. Commissioner Hitchcock was not present, but Commissioners Bahr and Huber were in their places at roll call. The minutes of the last meeting were read, and with one correction approved.

Now that the leper no longer affords a weekly excitement, we have the dumping grounds and the disposal of garbage to interest us—quite a problem. After the Council adjourned an informal meeting was held when Mr. Oliver of this city introduced Mr. Jennings, the Chicago representative of Wallace & Pierner of New York, who was here to give information concerning the chlorine gas apparatus for filtering lake water and making it fit for all purposes. A tank of suitable size for our needs attached to our pumping station would cost \$400, and twenty cents a day for gas would be the expenditure involved; it sounded extremely likely, the most convincing argument in favor of this form of filtration being that Bubbly Creek, in the stockyards district, and formerly a by-word for all that is ill-smelling and unsanitary, through this process has been thoroughly commercialized. Waukegan and the Great Lakes station have adopted this method of purifying the water, and we hear no more of typhoid epidemics in Waukegan. The cost seems small for the benefit we should derive. A Waukegan typhoid patient remarked at the time the matter was under consideration there: "Four hundred dollars is a small figure; my own illness cost me in specialists, nurses and loss of work \$450." After this informal talk the matter was placed in the hands of Commissioner of Health Huber, who was directed to consult with the health commission and report later. It might be well if persons experienced in the subject would make suggestions to the Council, in writing, through the city clerk.

Out of consideration for those who have to foot the printing bill we hope that future ordinances are not to be any more bulky than those we already have. We realize that all contingencies should be met, if possible, in an ordinance, but we also realize how many little stones might be piled into Commissioner Bahr's little repair box and help fill up the holes still needing attention if the cost of printing, which is being very reasonably done, could be cut down somewhat.

Lighting System Approved

Committee Busy With Plans and Specifications. 250 Candle Power Mazda Lamps Recommended

At a special meeting of the Highland Park Business Men's Association Tuesday night the recommendation of their special committee on ornamental street lighting, was approved, and the committee was authorized to make the same recommendation to the Special City Lighting Commission, which includes Mr. J. F. L. Curtis chairman, Mrs. J. McGregor Adams and Mr. C. N. Kimball.

The committee's recommendation was the installation of about fifty concrete posts with 250 candlepower mazda lamps, posts to be spaced at a distance of 150 feet throughout the business district. The complete installation will cost approximately \$5000 and the money will be raised among the business men, owners of business property and by private subscription. Everybody is invited to contribute any amount. The committee for the Business Men's Association are: Mr. John L. Udell, chairman, Mr. J. A. Blomdahl, Mr. F. W. Cushing, Mr. Dale Sweetland and Mr. Chas. F. Grant.

A certain town has such a poor railroad depot that the citizens got together and had a large sign painted to put up in front of the building as follows: "Don't judge the town by the depot; we built the town but the railroad built the station."
