#### Presbyterian Church Notes

The missionary meeting of last Monday afternoon proved to be of great interest. The talk on Mormonism was received very well by the large number of women present. The next meeting will be held on the second Monday afternoon in November.

The Christian Endeavor Society is planning a Hallowe'en party for Saturday evening, October 23, to be held in the church parlors at 7:30 o'clock. There are to be many attractions, games, ghosts, and a room of horrors. A visit through Hades and fortune-telling are to be features of the evening. A small admission fee will be charged. Miss Rowena Bastin, who is chairman of the refreshment committee, is in charge of the party.

#### Naval Training Camp

Plans are being made to secure the endorsement of the navy department for the establishment of a naval training camp at the Great Lakes naval training station for high school and college men.

It is the desire of members of the Navy League to have a summer camp established at the training station much the same as the business men's camp at Fort Sheridan has been operated.

It is also the hope of the large navy men to secure a four months' winter course at the school mainly for the instructions of lake sailors.

#### RAVINIA SCHOOL

On Thursday afternoon the children celebrated the birthday of James Whitcomb Riley by reading his poems and reporting on his life.

The children are working on four different friezes, which when completed will be placed on the walls of the school rooms. The subjects taken are: Children on the Beach; The Skokie Valley; Robin Hood, and Colonial and Indian Life. The work is being very well done, and though it is not completed promises to serve as a pretty decoration.
