DODGE BROTHERS MOTOR CAR \$750 F. O. B. Detroit

THE body of Dodge Brothers Motor Car has been de-
signed to emphasize the graceful streamline effect and
at the same time provide comfortable seating arrange-
ment for five passengers.

The front seat is deep and wide and tilted just enough to
provide an easy driving position. The steering post is set
at a convenient angle, and there is ample clearance between
the steering wheel and the front cushion. Especial care has
been taken to provide plenty of leg room and a convenient
arrangement of all hand-levers within a natural reach of the
driver's right hand.

meter, oil gauge, etc., is handsomely finished in black enamel
and nickel, and illuminated at night.
