The Forum, the debating club, meets this afternoon; the program to be in the form of an open discussion. The two clubs meet on alternate Thursday afternoons and form one of the most pleasant phases of student life.

The Christian Endeavor party given on Saturday evening proved to be quite a success, over fifty people being present. Fortune telling, interpretations of dreams and dispositions were features of the entertainment. Decorations were of autumn leaves, Jack o' Lanterns, and black and orange crepe paper. Miss Alice H. McElrath will lead the Christian Endeavor Service this Sunday afternoon, having as her topic, "Increase and Efficiency, Two Permanent and Christian Ideals." The hour is five o'clock and all are welcome to attend.

Ravinia School Notes

On Tuesday of this week the teachers enjoyed visiting day in Chicago, where many of the schools were visited. A very interesting conference of art teachers from all along the North Shore was held at the school on Saturday, with Mr. Lawrie Buck presiding. The teachers admired the frieze which the children are making, and came to find out how they might make them for their own schools. After the conference luncheon was served which was followed by a trip through the ravines in Ravinia. Thirty teachers attended. On Friday afternoon the children will hold a Hallowe'en party from three to five. Each child will make a suitable souvenir for favors at the party. The older children will decorate the Village House where the games and refreshments are to be enjoyed.

Elm Place School Notes

There will be no school on Friday, November 5th, as all teachers will attend the meeting of the Northeastern section of Illinois State Teachers' Organization at Aurora.
