Highland Park Woman's Club
The last regular meeting of the Highland Park Woman's Club was held Tuesday, November 2nd, 2:30 p. m., in the Lecture Room of Presbyterian church.
Dr. Zella Allen Dixon gave an illustrated lecture, "Storied Castles and Abbeys of England."
Mrs. Mather Smith sang a group of old English songs—
Pastoral—Arranged by A. L. Have You Seen But a Whyte Lillie Grow?—16th Century.
Love Has Eyes—Sir Henry R. Bishop.
Growing Truth.
An argument is usually a tug-of-war and a tug-of-war does not bring people together, yet we are often deceived into thinking that we can bring the other man over to our side by arguing with him. Even when an arguer does convince it is not usually the best way of convincing. It is so much better to suggest to people than to argue with them. If you have convinced a person he is trying to remember what you have said. But if you drop a seed in his mind it will quietly work in him. Growing truth is more effective than driven truth.
Wily Elephants.
An elephant that is going to make trouble turns his back on his intended victim and begins to swing his great body from side to side. Then in a flash he wheels, catches the offender with his trunk and hurls him perhaps twenty feet away, following swiftly to crush the life from his body with his mighty knees.
Curious Shoes.
In India the lowest classes wear shoes a flat block with a large knob, which slips between the first and second toes. They are so skilled in wearing these that they are able to keep them on and walk or run with great speed.

Mr. and Mrs. Charles Werhane and family had a narrow escape from death on Tuesday evening about seven thirty when they were crossing the St. Paul tracks on Hall and Osterman Ave. Deerfield. They had often taken that road previously to this time and did not know the planks had been taken up and did not observe the train coming until on the tracks, so Mr. Werhane who was driving the car tried to reverse but found it impossible to do as the car was stuck fast. Mr. Werhane and family had no more than jumped from the machine, when the approaching flyer struck the machine and completely smashed it. The car was a five passenger Studebaker and was not insured.

Will Close Sundays
That business men in some towns are reckless is proven by the following clipping from the Wauconda Leader:
"In consonance with the spirit of the times, the business men of Wauconda desire to state to their patrons that they will close their places of business all day Sundays during the winter months, commencing the 7th day of November, 1915.
"It is hoped the public will take kindly to this announcement. Rest and recreation are as necessary to business men as to other laborers. We believe this announcement is for the best interest of all."

MOTHER'S CLUB TO HEAR GOOD LECTURE
Mrs. Jennie Sharples, Field Secretary of the American Bureau of Moral Education to Speak
The Mother's Club of the Young Women's Christian Association will hold their next meeting Tuesday evening, November 9, at 7:30 p. m. The address will be given by Mrs. Jennie Sharples of Chicago, Field Secretary of the American Bureau of Moral Education. The object of this Bureau of which Clifford G. Roe is president, is to suppress throughout the country the traffic in girls.
Mrs. Sharples has been engaged in this work for over twenty years and during that time has visited the slums of many of the cities of the United States, saving victims from vice and gleaming information that is simply appalling to the thousands of people to whom she tells about it in her lectures. Mrs. Sharples is a lady of culture and refinement, handling her difficult work with tact and judgment, dominating her audience from the first by her devotion to the cause, her delicacy in the presentation of it, and by her magnetic personality and eloquence, bringing tears of sympathy from her hearers. Press and pulpit alike heartily commend her work and the work of the bureau, saying that every Christian man and woman should give their hearty support and co-operation to the movement.
Mrs. Sharples is a painstaking, tireless worker and a truthful and powerful speaker.
The Y. W. C. A. has been able to secure Mrs. Sharples through her friendship for one of the members of the Mother's Club, and it is earnestly hoped that a full attendance greet her on next Tuesday evening.
For the message she brings is one every mother and daughter should hear.
Music will be provided by the Misses Krueger orchestra.
