**ONE CHECK PAYS ALL BILLS
UNDER NEW TRADE SCHEME**

Housewives' Woes Simplified by "Multiple" System in Operation in Highland Park.

Hail the multiple check. It is the invention of Highland Park business men, and Saturday it was determined to put it in operation. By its use housekeepers will be spared the trouble of mailing out from half a dozen to a score of checks to tradesmen each month. One check, covering the entire bills of the establishment, will be mailed to the bank, and that institution apportion the money among the creditors. More than 150 tradesmen in Highland Park and Deerfield are members of the Multiple Check association.

This Multiple Check System was installed and is controlled exclusively by the old reliable, progressive, growing.

Ossoli Club

After a short business meeting at which time interesting reports were read by the heads of different committees, a beautiful combination of music and readings were given at the Ossoli Club meeting, Thursday afternoon, at the club house, when Miss Anne Irene Larkin, reader, and Miss Henriette Weber, pianist, gave the lecture recital, "Love is the Best Doctor." The music is that of Wolf-Ferrari, and the story is based on the famous satire of the medical profession by Moliere. Other numbers on the program were charming short readings by Miss Larkin, accompanied on the piano by Miss Weber. After the delightful program tea was served by the following hostesses: Mesdames Anson Morgan, Walter Baldwin, C. C. Buell, Walter Carr, Bradshaw Egan, Arthur Van Schaick, Earl Spencer, Trigg Waller, Parker Johnston, and Frederick MacKenzie. On November eighteenth the Parent-Teacher Association is to be the guest of the club. The club was represented this week at Rockford, Illinois, where the Illinois State Federation was in session, by Mrs. F. D. Everett, as past president; Mrs. W. J. Fyffe, vice-president; Mrs. Earl Spencer and Mrs. George Schofield.

The next regular meeting of the Ossoli Club will be held in the Highland Park Club House on Thursday, November eighteenth, at 2:45 o'clock. Mrs. W. S. Hefferan will speak on "A Measure of Value." The members of all divisions of the Parent-Teachers Association are the guests of the day.

All out-of-door gymnastic work and organized play will take place on the new playground. The teachers who attended the Teachers' Institute at Aurora last week spent a very interesting time. The kindergarten children, twenty-one in number, visited the Mooney farm on Tuesday and were much impressed with farm life in general.
