It's very doubtful whether motion pictures—one of the popular amusements of the race would be possible without Electricity
Ever think of the public utilities that either have to be abandoned with out it or else returned to inferior means and methods
Same in the matter of **Lighting Houses**
who after enjoying the pleasure of Electric light would substitute for it another agency?

WESTERFIELD CASE CALLED
Former County Treasurer Charged with Padding Payrolls while in Office
Westerfield Case
Carl P. Westerfield, former county treasurer, was placed on trial in circuit court Monday morning on a charge of embezzlement. State's Attorney Ralph J. Dady hopes to prove that Mr. Westerfield padded his payroll while in office. A complete denial is made by the defense.
The fact that Mr. Westerfield is so well known and has held a position of such prominence made it difficult to secure an impartial jury, which was not completed until Tuesday morning.
The state's attorney made an opening statement and explained what the charge meant and what the penalty was in such cases.
In this case the state will try to show that the former county official for three years of the four year term during which he held the office of county treasurer, took receipts for every cent paid out by the treasurer for clerk hire, and that beginning with February of the last year of the official's incumbency he did not take any receipts, but paid in cash and that during that time he embezzled to the amount of some \$2,000. It is the intention to show that in cases where clerks were paid a certain sum of money the books of the office show that they were paid a small amount and the difference between the two amounts were taken by the defendant and constitute embezzlement.

Presbyterian Church Notes
At the regular monthly meeting of the Woman's Missionary Union on Monday, Rev. R. A. Brown, D.D., of New York, spoke to those present on conditions in Mexico. Mr. Brown said that although Carranza, who now rules in Mexico, is not just what is most desired, he is well fitted for his position and has higher ideals than those who have gone before him. He also told of how much the government has done for uplifting and educating the younger generation of Mexico and of how it has sent a number of boys to Harvard Summer School to learn American ways. After Rev. Brown's discussion he answered all questions of those who desired to know more of his experience, and in so doing he cleared up many misstatements which have appeared in different publications concerning the Mexican situation. It was a regretted fact that more people did not hear the address.
The second Vesper Service was attended by a goodly number of people. The service was a very beautiful one, being a combination of appropriate music, and Scriptural remarks by Dr. Dobson.
Rev. R. Calvin Dobson will have as his subject on Sunday morning: "Into the Desert and Back Again, with a Discovery of Riches Untold—Too Wonderful to Relate."

Baptist Church Notes
An interesting missionary meeting was held last Thursday afternoon, at the home of Mrs. George G. Taylor. Those taking part on the program for the afternoon were: Mrs. F. B. Green, who reviewed a chapter of the study book, and Mrs. D. J. Coon, who led the devotionals. The hostess was assisted in serving refreshments by Mrs. H. G. Pertz and Mrs. Carpenter. The next meeting will be held at the home of Mrs. McKenzie on First street. The Philathea Class met with Miss Helen Hill on Friday evening. Mr. Otto Zwink led the Young People's Meeting Sunday evening, on the subject: "Tasks That Await the Church." Dr. Kirtley filled the pulpit on Sunday.

Fort Sheridan
Mr. and Mrs. H. J. Green, the latter, formerly Miss Helen Nicholson, who have been guests of Col. and Mrs. Nicholson, leave today for New York from which place they will sail on Saturday for London, England.
Mrs. F. E. Burgess of Burlington, Vermont, is the guest of Col. and Mrs. Nicholson for a few days this week, en route to the Philippine Islands.
Those entertaining for Mrs. Burgess, Mrs. Nicholson's guest are: Mrs. D. L. Tate, at dinner this evening; Mrs. John Irwin Marshall, at luncheon, Friday, and Mrs. Nicholson, at dinner, last evening.
Mr. and Mrs. Jack Walters of New York, were week-end guests of Mr. and Mrs. Clarence Smith.

COIN BOXES ROBBED
Police Are Working on Several Clues. Some of the Boxes Recovered
The North Shore police are busy in search for the coin box looters who wrecked six machines owned by the Chicago Telephone Company in the Chicago and Northwestern Stations at Wilmette, Winnetka, Ravinia, Glencoe and Hubbard Woods last week. In some cases the boxes were pried loose and carried away; in others they were forced open and the coins were removed. Police have recovered the boxes taken at Dempster Street, Davis Street and Main Street, and are working on several clues.
Found—A pocketbook on Ridgeway Drive, Sunday evening. Owner may have same by describing and paying for this advertisement. Tel. 117.
Lost—Silver wrist watch with blue enameled face and bracelet. Initials S. R. B. engraved on the back. Was lost between Central and Linden Avenues, and the Grammar School. Please return to Ruth Bourneque, 315 E. Central Avenue.

LAKE COUNTY GOOD ROADS ASSO.
(Continued from page 1)
and maintenance under these laws that the organization of a Lake County Good Roads Association is proposed.
By the co-operation of all interests in all parts of our county in one organization, we can thoroughly inform ourselves of our rights under the new laws and of the opportunities just opened up to us for road betterment that everyone will be anxious to take advantage of. If Lake county does not secure her share of state appropriations for road work those funds will be distributed to other counties and Lake county will be that much the loser.
There is a general feeling over the county that we need an organization, the object of which shall be to inform our people of our rights and opportunities under the new road laws, to make a careful study of the kinds of the roads we want under these laws and to co-operate with our county road officials in building and maintaining the kind of roads best suited to our needs.
The greatest demand for action along these lines seems to have come from the farmers of our county, many of whom appreciate the opportunities offered by the new road laws for the betterment of road conditions at a minimum expense. It appeals strongly to them as a means of providing better transportation facilities to schools, railroad stations, churches, and the hauling of crops, better roads for visiting and improving social conditions, a better demand for farm produce by bringing more tourists to our summer resorts and increasing the value of their farms by bringing good roads past their farm gates.
Invitations to the Libertyville meeting, Monday, November 15, are extended to the chairmen of the township committee of the Lake County Farm Improvement Association, to the mayors of cities and presidents of villages in the county, to road commissioners and supervisors, to all commercial associations, to the Lake County Rural Mail Carriers Association and to all hotel and resort keepers in Lake county, to all school trustees, and to all others interested in the building and maintaining of good roads in Lake county.

DR. FRA. K. McMURRAY TO SPEAK
Friday Evening at Lincoln School. Subject "How to Judge Schools and School Curricula"
Tomorrow evening Dr. Frank McMurray, of Teachers' College, Columbia University, will talk to, and lead a discussion for, the elementary teachers of Ridge, Ravinia, Lincoln and Elm Place Schools, members of the board of education, educational committees of the local clubs, and all nearby school superintendents, at Lincoln School, at eight o'clock. Dr. McMurray, who has made a most complete survey of the school work at Francis Parker School, Chicago, for the past two weeks, comes as one who thoroughly understands his work and is certainly well qualified to speak on this subject, being the author of several books along the line of education. Aside from the survey of the Francis Parker School, he has done similar work in the New York schools always with great success.
His subject will be along the lines of how to judge schools, and school curricula. Dr. McMurray is regularly on the teaching staff at Columbia University, and this year is having a year's leave of absence in which to do this survey work. The School Board of District 108 is especially fortunate in securing him on this occasion.

TWO ASK FOR DIVORCE
Mrs. Frederika Johnson Seeks Separation From her Husband, Peter Johnson
Last Friday Mrs. Frederika Johnson filed a bill for divorce in the circuit court against her husband, Peter Johnson. The bill was filed by Attorney George E. Phillips in which charges of extreme and repeated cruelty were made. She asks the custody of their children.
Mrs. Van Dyke Asks For Divorce
Edward Van Dyke was named defendant in a suit for divorce filed in the Circuit Court Friday, when Mrs. Lucy Van Dyke started action through Attorney George E. Phillips. Cruelty is the charge made against Mr. Van Dyke.

OBITUARY
The many friends of Miss Mary Burr were grieved to learn of her death, which occurred Sunday afternoon at five p. m. at the home of her mother in Ravenswood.
For several years Miss Burr had charge of the gymnasium classes in the Y. W. C. A. in Highland Park and Lake Forest, but owing to ill-health was compelled to give up her work the summer of 1914. To her untiring efforts and zeal is due the establishing of the Association in both of the above mentioned towns.
Her's was the pioneer work—always the difficult phase of any project. No effort seemed too arduous even when it required more strength than she should have given.
When her health gave way in the summer of 1914 her friends hoped a rest would restore her to her normal strength, but they were doomed to disappointment, and about ten days ago she fell a victim of pneumonia, passing away Sunday evening, leaving a mother, Mrs. David Burr, three sisters and one brother.
The funeral was held from the family residence, 4441 Hermitage Avenue, Ravenswood, Illinois, Tuesday afternoon, burial being in Hudson's Falls, N. Y., the old family home.
