Highland Parkers Find It Easy to Pay Bills

Highland Park is the easiest place in the world to pay bills in—if you have money enough. It is merely a matter of banking, and the new idea has been launched by one progressive bank. It has sent notices to all the housewives in Highland Park. When the monthly bills come in, from butchers, bakers, grocers, shoe dealers, florists, club secretaries, druggists, etc. the housewife does not sit down and spend a whole morning writing checks and a whole afternoon delivering them. Instead she writes just one check—to the bank—and incloses all the bills. Then the bank credits the proper amount to each firm.

We are proud of our City; we are proud to boost it with the Multiple Check System; we are proud to offer you this valuable service free.

High School Notes

The regular Thanksgiving recess will take place, Thursday and Friday of this week. A number of teachers attended the high school teachers' conference at Urbana, Ill., last week. The domestic science exhibit, from the high school won a great deal of attention. The floor of the new lunch room is being laid, and a speedy completion looked for. Word from different alumni has been received at the high school.

Edward Knox, '12, and Dumasque Spencer, '12, have both been made honor men in scholarship, at Yale. The fact that Knox is a member of the track team and Spencer a member of the Junior "Prom" Committee, shows that the young men are prominent in their lines, as well. Walter Goelitz, of the class of 1914 is a promising member of the football squad at the University of Illinois, and played in the Illinois-Chicago game on Saturday. George Baldwin of 1914, is another promising football man, on the squad at Cornell. Leslie McCaffery, '14, has been selected as the Freshman representative of the "Illini," the year book of the University of Illinois. There will be a short act play given for the high school division, Parent-Teacher Association, at their next meeting, in December. Mr. Sandwich attended the superintendents' meeting last week at Urbana, preceding the high school teachers' meeting.

A football dance will be given on Friday evening, December third, in the boys' gymnasium. All former students and alumni are cordially invited to be present.

On Thursday afternoon the Garrick Club met in the English Club room for "amateur day," at which time the different members appeared in all sorts of "stunts," and made a program of exceptional interest. The entertainment consisted of a sketch from "The Merchant of Venice," by Bowen Schumacher and Truman Metzel, a parody on "Alice in Wonderland" by two freshman girls, Victrola selections and interpretative dancing by Dorothy Baker. The next meeting will take place December second.

The Illinois Wesleyan University at Bloomington, Illinois, offers to seniors of high schools and academies in Illinois, cash prizes of fifty-five dollars, for the best essays on "Why I wish to go to College." The seniors of the local high school are eligible to enter this essay contest which will be closed on the second day of January, 1916. There are interesting conditions placed on the writing of these essays, and since Deerfield has proven herself efficient in other contests of a like nature, there is every reason to believe that some prize may come to her.

Lincoln School

On Saturday afternoon, November twenty-seventh, and Monday evening, November twenty-ninth, at Fine Arts Theatre, Chicago, a Greek pageant will be given as a Thanksgiving entertainment for the benefit of the "Child Welfare Work," Illinois Congress of Mothers, and the Parent-Teacher Associations of Chicago and vicinity. The Greek pageant will portray in classical and symbolic dances, the myths of ancient Greece. The program will pass before the eye like the motion picture film, attractive in brilliant coloring, wonderful in illoquence, and constant variety. An illustrated interlude by Dr. Emily Noble of New York and Paris, who will appear in the role of Hygea, the Goddess of Health, will be an important feature of the program. Greek confectionery will be on sale at "The Greek Shop," on Saturday which will be a rendezvous for all out-of-town guests who are in the city during the Thanksgiving recess. Tickets for this affair may be had from Mrs. R. E. Seyforth who is chairman of the South Division Parent-Teacher Association of this city.

Ravinia School Notes

On Wednesday the school closes for Thursday and Friday. In General Assembly on Wednesday the school, including the kindergarten, held Thanksgiving exercises, consisting of songs and recitations. The boxes which the children have packed for "The Commons" in Chicago, were sent this week, filled with clothing, toys, and provisions for the poor.

Baptist Church Notes

Rev. Arthur E. Meyer of Noblesville, Indiana, will preach Sunday morning and evening. It is the desire to have many people out for this event. Mrs. George H. Thompson will have charge of the Young People's meeting on Sunday. It will be a missionary meeting with special music.
