Highland Parkers Find It Easy to Pay Bills

Highland Park is the easiest place in the world to pay bills in—if you have money enough. It is merely a matter of banking, and the new idea has been launched by one progressive bank. It has sent notices to all the housewives in Highland Park. When the monthly bills come in, from butchers, bakers, grocers, shoe dealers, florists, club secretaries, druggists, etc. the housewife does not sit down and spend a whole morning writing checks and a whole afternoon delivering them. Instead she writes just one check—to the bank—and incloses all the bills. Then the bank credits the proper amount to each firm.

We are proud of our City; we are proud to boost it with the Multiple Check System; we are proud to offer you this valuable service free.

High School Notes

On Friday evening (tomorrow) the Athletic Association are to give the annual football dance in the boys' gymnasium. Committees of enthusiastic students are busy making final preparations for this event, which will be the best of its kind on the school calendar, this year. All members of the Alumni Association are invited to attend, tickets may be had at the high school office or from any member of the football team. The first basketball practice of the year was held Tuesday afternoon, and the material promises to be very good. There will be light weight and heavy weight teams, both teams will be members of the Suburban League.

On Saturday evening, in the girls' gymnasium, Mr. Frank Speaight of London, England, will appear in a Pickwick recital. This entertainment is given under the auspices of the Highland Park Woman's Club. Mr. Speaight is a recognized public speaker and has done a great deal of recital work in different parts of the world, receiving much enthusiasm.

The next Parent-Teacher Association meeting takes place Monday, with a one-act play as the feature.

Highwood School Notes

The Fourth Grade pupils of the Highwood School gave a very interesting play Wednesday afternoon, appropriate for Thanksgiving with its Puritans, Indians, John Alden and Priscilla. Miss Carolan, the fourth grade teacher, deserves credit for the careful preparation and training of the children that resulted in a successful presentation of the Thanksgiving spirit. There were a number of visitors present.

The Earnest Workers Commonwealth Group under Mrs. Bard and Mrs. Follansbee, met with Pearl Chilson Tuesday afternoon at the home of her grandmother, Mrs. Mary Beas. They spent the time hemming dish towels and embroidering dollies. Dainty refreshments were served by the hostess.

The Port Clinton school will be repaired and furnished for the Commonwealth Clubs in Highwood that have been organized by the Y. W. C. A. secretary of Highland Park. This is a move in the right direction and fortunately has the co-operation of the Highwood people.

Other clubs will be organized in the near future, the effort being to make it a social centre for girls. The O. V. B. Commonwealth group gave a party Friday in honor of Pearl Garrity's birthday. It was held in the gymnasium of the Y. W. C. A. in Highland Park. Susie Easton and Dorothy Reichelt attended from Deerfield.

Fort Sheridan

Mrs. F. K. Sargeant and Miss Alice Sargeant are in the east for two weeks. They attended the Army-Navy football game on Saturday.

Lt. and Mrs. Converse and son George are in Columbus, Ohio, en route to Honolulu, where Lt. Converse has been ordered.

Parents and Teachers' Association

The next regular meeting of the High School division of the Parent-Teacher Association will take place at the high school, Monday afternoon, December sixth, at two-thirty o'clock. The entertainment feature is to be a one-act play, followed by a discussion of the question, "New Ideals in Education," led by Principal R. L. Sandwick. There will be a social hour and refreshments after the talk.

The December meeting of the Elm Place division of the Parent-Teacher Association will be held in the auditorium of the school Wednesday afternoon, December eighth at three o'clock. Mrs. H. H. Kingsley of Evanston, will speak on different phases of motion pictures. Those interested in hearing about the work Evanston women have done in connection with this subject are cordially invited to attend this meeting.

Moraine Hotel Notes

The last dinner-dance at the Moraine was so popular that another will be given on next Saturday evening. The orchestra which furnished such wonderful music on the previous occasion has been secured, and many table reservations have already been made.

Dr. and Mrs. W. N. B. Ames, who spent last winter at the Moraine, have returned for the winter.

Mr. and Mrs. Frank A. Magee of Boston, who have already spent six winter seasons at the hotel, arrived on Wednesday and will be here until spring.

Much interest is aroused in the Bible School of the Presbyterian church in the effort being made to send bicycles to the missionaries that went out from this church to China a few years ago. The children are bringing their offerings each Sunday and placing them in bicycle tool bags, expecting thus to provide the fund. A poster has been designed giving cuts of the missionaries on their wheels on their way to their outlying mission stations; and this week has been designated as sacrifice week, during which the members of the school are to make special sacrifices in raising their offerings to be brought next Sunday. There is quite a spirited contest on between the boys and girls, the girls being ahead last Sunday. One of the men of the school saved the price of his furches during the week by taking lunch to town with him every day last week, and proposes to do the same this week. Other novel plans will be announced next Sunday, and the results posted.
