High School Notes

On Tuesday morning the students enjoyed a concert given by the Girls' and Boys' Glee Club, and the orchestra, which was a very delightful and entertaining program and brought forth a lot of enthusiasm from the student body. The high school day students will have a two weeks' vacation, and the evening school students three weeks. The day school will open January third and the evening school, January tenth. Investigations concerning the epidemic of colds among the students have been carried on, and the causes looked into. Over one hundred students have been absent from school each day in the past two weeks. During vacation the school will be fumigated and it is hoped to remove any further trouble from this direction. The commercial department of the school met with prominent business men of this city last evening to discuss the following questions:

What is the future of stenography? Should the school own a dictaphone and an adding machine? Should we differentiate English for commercial students from that for others so as to teach business correspondence and salesmanship? Should we offer a year in accounting in advance of the year of bookkeeping? Are our text books in business methods and book-keeping up-to-date? What is the first work a beginner in your business has to do? Can we teach the requisite skill in this work? Is there an especially good field of employment toward which we should direct our pupils? Can we prepare for this? Can we devise a better method of securing work for pupils as they leave school? For pupils in the evening school?

The public is invited to make use of the gymnasium which will be open every day during the vacation, and Monday, Tuesday and Thursday evenings.

Tomorrow afternoon the first game of the basketball season will be played in the boys' gymnasium, between the Lake Forest College freshmen and the high school team. The game will be called at 3:30. Representatives from Waukegan Township High School have challenged the high school debating team to a debate, "Resolved that the Open Shop is to the Best Interest of the American People." This is to be a joint debate, to be held about the middle of February. The Deerfield representatives will be chosen this week, and work will begin as soon as possible. The Military Band continues to practice and may appear at the basketball game tomorrow afternoon, for the first time. The boys' gymnasium dressing room has been fitted up with new benches, and in the girls' dressing room electric hair dryers have been installed. The new lunch room will be ready by January first. The school conservatory is full of beautiful ferns and flowering plants.

Presbyterian Church Notes

The members of the Foreign Department of the Missionary Union met at the church on Monday afternoon, and though a few people were present a very interesting, informal time was had. Letters from different foreign missionaries were read and proved to be a good way to spend an afternoon, since many of the people are known here. The refreshment table was pretty in Christmas decorations. Informal tea was served after the meeting. The next meeting will take place on Monday afternoon, January tenth.

The Bible School will have charge of the Christmas party, to be given on the evening of the twenty-third at the church. A tree will be the center of attraction and all gifts will be presented to the West Division Mission in Chicago. Many people may be interested to know that at the Presbyterian Social Union banquet held Tuesday evening, at LaSalle Hotel, Chicago, the Presbyterian Old People's Home of Chicago, was presented to Highland Park. Arrangements for the accommodations for the old folk, who will arrive next week, are being made this week. On the twenty-sixth, the Bible School and church will hold services appropriate to the season. There will be special music for these services.

Obituary

Josiah H. Boyer died at his home 1006 N. Sheridan Road, Tuesday morning. He was a resident of Chicago from the great fire of '71 until about nine years ago, when he removed to Highland Park. Until four years ago he was in the furniture business and was well known to the trade throughout the northwest. He is survived by his widow, Jessie H. Boyer. An only son, Herbert, died some years ago. Funeral services will be held today at two o'clock in the Rosehill Chapel.
