

## Arcady Farms Producers of the natural raw Milk

The Arcady Farms have specialized in the production of **Certified Milk** for a number of years and are today producing a milk of the highest quality. At the Panama-Pacific Exposition we received the Silver Medal for Certified Cream and Diploma of Merit for Certified Milk. The Milk was produced on our Lake Forest farm and travelled to San Francisco before it was tested. In spite of this interval however both our Milk and Cream received perfect scores on the bacteria counts.

The people in Highland Park have an advantage over most Certified Milk Consumers. They are able to receive their Milk direct from our farms. We guarantee to deliver **Strictly Fresh Milk** and by this we mean Milk not over twelve hours old. Certified Milk from any other farm is at least twenty-four hours old when delivered.

Phone 193 and leave your order now. Take advantage of our direct service.
