Overland
83-B

**You can Now Get the Big Comfortable
 35 Horsepower Overland for
 \$695**

Roadster \$675, f. o. b., Detroit

**En bloc 35 horsepower motor
 Electric starting and lighting system
 Electric control buttons on steering column
 Four inch tires**

**Demountable rims; with one extra
 106-inch wheelbase
 Deep divan upholstery
 Obe-man top; top cover**

With unerring judgement of value—
 With a rush that swallowed up a
 record production in jig time—
 The public took more than 50,000
 of the \$750 Overlands in six months.
 In six months we've absorbed all
 the overhead; absorbed all the develop-
 ment expense; realized on all the ex-
 perimental cost that is usually spread
 over a year.
 We covered our material require-
 ments at before-the-war-prices—saved
 three and a half million dollars on
 aluminam and another million on steel.
 We have increased our production
 capacity of 300 cars per day last June
 to 1000 cars per day.

So again we have broken all records.
 Again we have planned and bought
 material for a bigger production pro-
 gram.
 And again we are setting a new and
 supreme standard of value—
 You can now buy the big, roomy,
 comfortable, thirty-five horsepower
 Overland for \$695.
 Here is the value which has clearly
 dominated the automobile market for
 the last six months—now made even
 more clearly dominant.
 Here is the car with a performance
 record never even approached by any
 car of its size ever built—fifty thousand
 in every day service.

And though the price is reduced the
 car is improved.
 It has an up-to-the-minute power
 plant, en bloc type, developing full
 thirty-five horsepower. It has abun-
 dant power and speed and an excep-
 tionally quick get-away.
 The value is pre-eminent—unap-
 proached.
 We guarantee that the price of this
 model will never be lower.
 But this price reduction is made in
 the face of a rising material market—
 we cannot guarantee that it will not be
 higher.
 See the Overland dealer now—an-
 ticipate your requirement if need be
 —but make sure of you delivery now.
