Y. W. C. A. News

The Highwood headquarters of the Y. W. C. A. were formally opened Saturday afternoon when a party was given by the Leaders for the Commonweal Clubs, at the Port Clinton School on Maria Street. From two until four-thirty a merry crowd played games of all kinds, a phonograph making music all the while. Ice cream, cake and candy were served and each little girl presented with a sewing bag containing needles, scissors and a thimble. From now on the meetings will be held every Tuesday after school in the Port Clinton headquarters. The interest and co-operation of the Highwood people is a great satisfaction to the association.

The Aster Girls Club gave a party Friday evening in the gymnasium in honor of Kathleen Krueger's birthday. The cake with its sixteen candles occupied the place of honor.

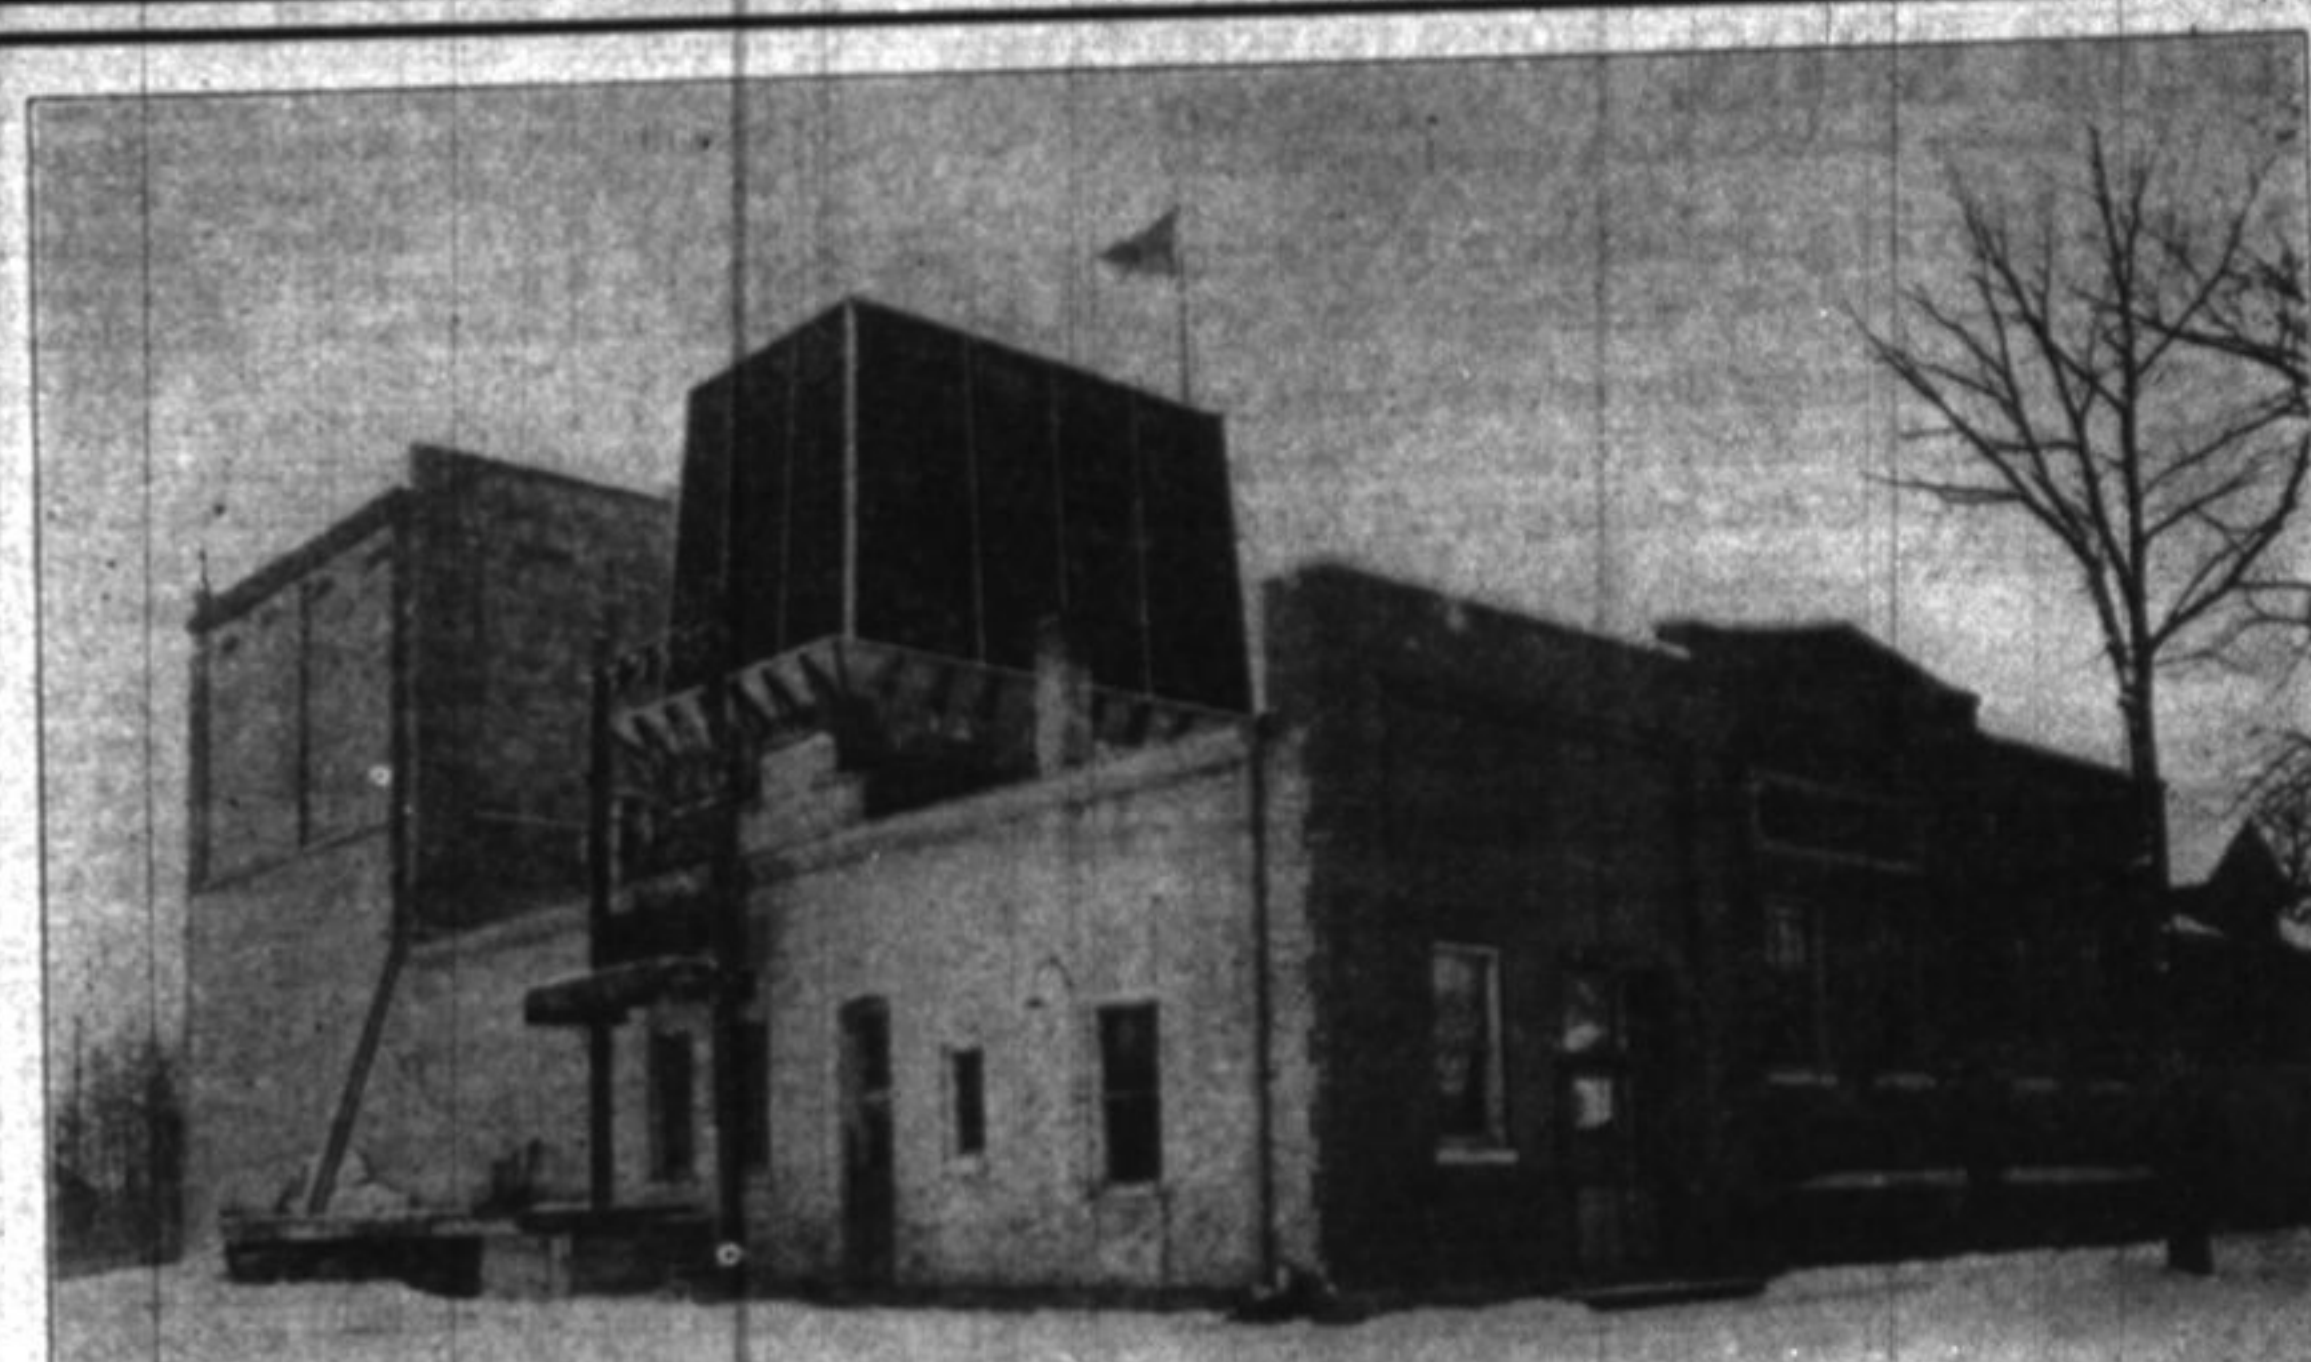

Mrs. Ralph Bard has presented a graphophone to the Highwood headquarters which will give pleasure to the clubs at their weekly meetings. Saturday evening the members of the Friendship Club carried out a very successful surprise on Miss Lillian Baxman who is to leave Highland Park next week. Miss Lillian, besides being president of the club, is one of the most faithful Y. W. C. A. girls and the birthday party was a fitting recognition of the girls' friendship for her, a beautifully decorated cake was greatly admired.

The Handcraft Club, under Miss Holke's leadership, meets Wednesday evening at 7:30. Miss Marguerite Shumaker of the Lincoln School is instructing them at present in making paper flowers, covering boxes with cretonne and weaving baskets. The only expense outside of the membership is for material used by each for her own individual work. It is open to all members and to others who wish to join.

Miss Irma Jones of the Columbia School of Oratory, Chicago, read before the Mothers' Club of the Y. W. C. A. at the January meeting Tuesday evening. Her selections called forth repeated encores and showed plainly how much she was appreciated. Miss Jones has youth and attractiveness which coupled with a very charming manner makes her a success in her chosen work. The Mothers' Club was enabled to hear her through her friendship for Mrs. Searcy, the Y. W. C. A. Secretary. It is hoped she will be able to arrange for another appearance before some of the other Y. W. C. A. clubs in the near future.

Formula for Schumacher's Chocolate Creams

Proper amount of: Crystle A Granulated sugar, Stollweck's best chocolate, whites of 24 absolutely fresh eggs, flavored with home made vanilla, boil to a proper consistency, mix thoroughly with beaten eggs and flavor. Cut up and roll and dip with chocolate while warm.

Highland Park, Ill.
Gentlemen:

The sample of water which you submitted to us for analysis taken from our Water Purifier and Filter showed that it contained four grains of lime per United States gallon. The mud, silica, organic matter and bacteria was all removed, that the water is absolutely pure and the ice that you are making is better than any that is made in the city of Chicago or any suburban town.

Very truly yours,
The Greer Chemical Co.
Roland C. Greer, Gen'l Mgr.

Nobody—Vance.
David Penstephen—Pryce.
Story of Julia Page—Norris.
Letters on an Elk Hunt—Stewart.

Presbyterian Church Notes

The Christian Endeavor Society of the church met at the Presbyterian Home on Sunday afternoon at four-thirty. Appropriate music was furnished by Miss Bertha Harbaugh, who gave a piano selection, and Miss Mary Sedgwick and Miss Noyes who sang charming selections. The idea of holding the meetings at the Home proved to be so popular that it was decided to continue them through January. Mr. Henry Schaeffer will lead the meeting next Sunday; the hour has been changed from five to four-thirty.

North End M. E. Church

Services will be held in the basement Sunday on account of the redecorating being done in the church proper. The Epworth League held a business and social meeting in the basement of the church Friday evening. The Epworth League and the Sunday School have each voted to raise \$100.00 for the improvement of the church.

Young Men's Club

The regular monthly business meeting was held in the club quarters last Monday evening. Tournaments in pool, pinochle, five hundred and cribbage will start next week. The long delay in getting this matter under way was at length decided upon at the last meeting when it was determined to enforce the tournaments regardless of the number of entries. The entertainment committee wishes to assure the club of a number of social features which is in store for them in the near future. The first of these will be in a form of a card party to be held very soon.

Lincoln School

The children of the school and others in the district made use of the skating rink during the cold weather last week. On Thursday afternoon Major School, who addressed the high school students spoke to the children at the school in an interesting talk which the children very much appreciated. The attendance of late has been very good. Miss Lewis the kindergarten teacher, is absent on account of illness in her family, and Miss Lindstrom of Wilmette is filling her place very efficiently.
