**WHEN YOU GREET A FRIEND.**

Tell Him He's Looking Fine and See How It Cheers Him.

"By George, old man, you are looking fine!"  
Did you ever notice how you perk up, no matter how poorly you were feeling before, when some friend greets you in that way?

According to the secretary of the Colorado board of health, the human system just naturally begins to tone up under the stimulus of such greetings.

He declares it is an aid to health and a help in preventing disease, and to that end he advocates a "tell your friends how well they look" movement.

"It is not only bad taste to talk of your pains and ailments," says the doctor, "but a reflection on your intelligence and knowledge of sanitation and good health. We are not far from the time when the cause of illness will have to be accounted for personally."

"In other words, nature is no longer going to be blamed for sickness when it is simply the result of ignorance, indifference or wrong ways of living."

Do you not think it worth giving the doctor's idea a try?

We do! So here goes:  
"By George, you are looking fine!"—Santa Fe New Mexican.

**LITERARY FORGERIES.**

Stuff With Which Vrain-Lucas Duped An Aged Scientist.

The most remarkable literary forgery on record was perpetrated in 1870 on Michael Chasles, a French scientist of European reputation. Chasles, who was in his dotage, purchased within a few years from one Vrain-Lucas no fewer than 27,000 autographs. A. M. Broadley tells the story in his "Chats on Autographs."

"Beginning with a supposed correspondence between the youthful Newton and Pascal, Vrain-Lucas proceeded to fabricate letters of Rabelais, Montesquieu and La Bruyere. Before he had finished M. Chasles became the possessor of letters in French, and written on paper made in France, of Julius Caesar, Cleopatra, Mary Magdalene and even of Lazarus after his resurrection."

Vrain-Lucas was sentenced to two years' imprisonment, and among other forged manuscripts from his pen there were produced in court letters from Alexander the Great, Herod, Pompey, Judas Iscariot, Sappho, Pontius Pilate and Joan of Arc.

**Some Facts About Solvay Coke**

From Sept. 1, 1914 to Jan. 31, 1915 I sold 190 tons of Solvay Coke. Over the same period this season Sept. 1, 1915 to Jan. 31, 1916 I sold 614 tons of Solvay Coke. These facts speak for themselves. If Solvay Coke did not give satisfaction in every respect I would not be selling three times as much as I did last season.
