High School Notes

On Monday evening, the twenty-first, there will be a patriotic program at high school. The first part of the program will be a debate on the question, "Resolved, that there should be compulsory military service in the United States." The debate will take place in the assembly room of James H. Shields' Hall. The second part of the program will be a review of the cadet corps, drills and presentation of colors and cups. This will take place in the boys' gymnasium. The local chapter D. A. R. will present a silver cup to be competed for by the two companies in the student cadet corps. Mr. Gerard Van Schaick and Mr. William Bradshaw Egan are to present a silver cup to be competed for by the different squads in rifle practice and wall scaling contests.

Mr. William Mather Lewis will speak to the students on "Russia of Today" with stereopticon views. In general assembly on Tuesday morning Miss Bertha Harbaugh gave a piano recital which was very much appreciated by the students.

Night school closes with tonight's session. Prizes are to be offered to the English classes for foreign speaking students for progress, attendance, and interest. Fines of ten cents for unexcused absences have amounted to a considerable sum which fund will go to purchase a suitable gift to be presented to the school by the night school students.

On Friday afternoon the team met defeat in the home "gym" when Evanston High won the basketball game by the score of 21 to 28. This was the first game of the semi-final round for the Suburban League basketball championship, and was very exciting and certainly well played. On the same evening the local light-weight basketball team was defeated by Morton High School by the score 19 to 9. The game was played at Morton High School. Games for this week are, LaGrange, there on Friday evening, and Oak Park, here on Saturday evening.

The business men's team played games of volley-ball and indoor baseball on Monday evening, with the Waukegan Y. M. C. A. Although the night school team was defeated they show very good material and take a great deal of interest in the game. The evening gymnasium classes for men and women will continue after the close of night school.

The "patriotic" program of the high school on Saturday evening in the girls' gymnasium was a partial failure. The program opened with selections from the orchestra which were well done and enthusiastically applauded. The Glee Clubs were unable to appear owing to certain unavoidable circumstances. The speaker, Dr. Charles Breck, did not appear owing to the fact that he was not met at the train as was arranged. After the program informal dancing was enjoyed.

D. A. R.

The North Shore Chapter, D. A. R. will hold its next meeting at the home of Mrs. James Watson on Monday afternoon, February twenty-first at two-thirty. The subject of the paper will be, "Holidays and Festivals, Sports and Diversions," in charge of Mrs. A. P. Smith. Mrs. David Shaw will furnish vocal selections.

In the evening at the patriotic entertainment at the high school (the program of which will be found under the high school notes) Mrs. Joseph Leaming, regent of the Chapter, will present a silver cup to the high school, in behalf of the Chapter.

The cup is to be given to the military company which has acquired the greatest efficiency in a military way during the whole year. The name of the company will be engraved on the cup and will be the possession of the winning company until the other company wins it.

There are two of these companies and since both are doing good work the rivalry will be most keen.

Woman's Civic Club

Mrs. Benjamin Carpenter of Chicago, spoke to the club on Friday afternoon on "Infant Welfare." Mrs. Carpenter, who is a member of the Philanthropy Department of the Chicago Woman's Club is much interested in her subject and told very interestingly of the work of the Infant Welfare Association in Chicago, and of its great need. She said that there were twenty-one stations of the Association in Chicago and that the good work they are doing in instructing parents in the care of their children can not be measured.

The hostesses for the afternoon were, Mrs. John Dieter, chairman, assisted by Mesdames Benjamin Bird and Charles Jaeger.
