Preparedness

That is the paramount national issue today. It is now and always will be, the important individual issue.

To prepare for the days of idleness, the days of sickness, the days of old age, that is your personal problem.

The simple and successful plan of individual preparedness is to lay aside periodically a fixed amount of your income and deposit it in a bank where it is safe and productive.

Only \$1.00 is required to start you on this plan and three per cent interest will be paid you by the old reliable

The Pageant of Sisterhood, representing the Association idea will be given in the Elm Place Auditorium Friday evening, February 25th, at 8 p. m. Over one hundred members will be in the cast.

Folk dancing, drills, songs, solo dancing and character sketches will be given.

Thirty-five little people will give kindergarten dances. These never fail to please an audience and it is hoped a generous attendance will be our reward.

The Association has been the recipient of a set of dishes, and a china cabinet is needed in which to keep them properly.

May be some friend of the Y. W. C. A. has something of the kind stored away that could be utilized so well in this case. The dishes are a very welcome gift and one that is much appreciated by the Association.

The regular monthly meeting of the Board of Directors was held Tuesday morning. Several of the new members were present, including the Misses Yoe and Merryweather and Mrs. Knight. Arrangements were completed for the Pageant, February 25th and the Grace Dodge Memorial March 3rd, the latter to be held in the new gymnasium at 8 p. m. A more extended notice will be given later.

The Misses Frieda Krueger, Lydia Voight and Lydia Heckman gave a Valentine party to their friends Saturday evening in the Association headquarters. The rooms were very prettily decorated with the products of the Handcraft Club.

Light refreshments were served and appropriate games filled an evening of girlish pleasure.

The Welfare Commonweal Club gave a birthday party in honor of Darlene Jones' fifteenth birthday. A four course dinner was served at 6 p. m., with covers laid for twenty-two. A birthday cake occupied the place of honor. Games and Victrola selections made a merry evening for the little maids.

A complimentary party was given the Friendship Club by their young men friends in the new gymnasium February 5th. Music and dancing were the attractions. Light refreshments were served.

The treasurer's report shows the society to be ready with financial aid for many more people next year than formerly.

The pastor preached the first sermon in the series on the Lord's Prayer last Sunday morning, taking for his subject, "The Reasonableness of Prayer." The theme next Sunday morning will be "The Obligation to Pray." After this the natural divisions of the Lord's Prayer will be taken in their order. The text for next Sunday will be the words of the Master, "When Thou Prayest."

The sample of water which you submitted to us for analysis taken from our Water Purifier and Filter showed that it contained four grains of lime per United States gallon. The mud, silica, organic matter and bacteria were all removed, that the water is absolutely pure and so ice that you are making is better than any that is made in the city of Chicago or any suburban town.
Very truly yours,

Many times we hear "If—", but an if will do no good in bowling. Take a walk over to the alleys some night, and you will see somebody look at their thumb after they throw the ball and get the ten pin, or maybe some smoke got in their eye, or something else. It's lots of fun.
