Buy Through Tickets at Your Home Station

The attention of residents in the suburban territory is invited to the facilities which the CHICAGO & NORTH WESTERN RY. has for the sale of through tickets and checking of baggage from suburban stations to any point in the country.

At most stations interline tickets are carried in stock and at others they may be secured on comparatively short notice.

Ticket agents will be glad to render any assistance possible in making sleeping car reservations, securing tickets and checking baggage through.

An Important Consideration

Through tickets to points east and south of Chicago include transfer of passengers and baggage between stations in Chicago, so purchase through tickets from your home station and thus add greatly to your own convenience and advantage.

Commutation tickets between Chicago and suburban stations are good only for travel locally between such stations and cannot lawfully be accepted for baggage checking privileges to points beyond Chicago. To secure such through checking of baggage, through tickets should be purchased from your home station to destination.

Public Library Notes

For some time there has been a great deal of dissatisfaction owing to the fact that it has been impossible to reserve books as was formerly the custom. Because of the complaints which have come directly to the librarians, an effort has been made to remedy this trouble. The Illinois Library Extension Commission was appealed to, as to what is more commonly done by libraries in this regard.

On the advice of the commission the following method will be adopted in the Highland Park Public Library.

Anyone may reserve a book by leaving at the desk, a post card addressed to himself, with the name of the book desired. These cards will be filed in order of date received. When the book comes in the card will be mailed, and the book reserved twenty-four hours from mailing of the card.

In another matter, there seems to be a little misunderstanding; that of the library's willingness to receive suggestions.

Any suggestions, especially in regard to books desired will be cordially welcome. Every suggestion may not be acted upon, on account of lack of demand or of funds, but all will be carefully considered. The library board and the librarians can better serve the greater number if many express definite desires.

Material on Baby Welfare Week has been sent to the library from the Department of Labor at Washington, and is available at the library for reading.

Annie L. McKenzie, Librarian.

Highland Park Woman's Club

The regular March business meeting of the club will be held at Trinity Parish House Tuesday, March seventh, at two-thirty P. M. Nominations will be made for the following officers: president, first vice-president, recording secretary, treasurer and three directors.

Y. W. C. A. News

The final number of the Jubilee will be held in the gymnasium Friday evening, March 3rd, at eight o'clock, and will be a memorial to Miss Grace Dodge, the first president of the National Board, who died December, 1914. Miss Dodge is less known than many women who have not played nearly as large a part in the life of our nation. She was the first woman to serve on the school board in New York City and did this in the face of great criticism and much ridicule. She had a great deal to do with the beginning of domestic science and manual training.

In order to make it possible to prepare teachers along these and other lines, she personally founded Teachers' College, Columbia University, New York City. She was a member of the board of trustees of Constantine College for Women. The association buildings at Bombay and Calcutta were her personal gifts to the women of India. She was the foremost woman in founding the Traveler's Aid for our American women. She was the founder of the Working Girls' Club throughout the nation and was the first woman to approach it from the present-day stand point.

There will be special music by the Y. W. C. A. Mrs. Carl Pfanstiehl will give the address of the evening and it will be well worth hearing. Mrs. Pfanstiehl has been on many programs throughout the state during the Jubilee and we are fortunate in being able to hear her.

A collection will be taken for the "Grace Dodge Endowment Fund" at this time.

The Pageant of Sisterhood was presented Friday evening at the Elm Place Auditorium and brought forth favorable comment. The management and those taking part deserve great credit for the success of the undertaking.

A library case containing over a hundred volumes, the gift of Mr. C. N. Kimball, was placed in the headquarters last week. These books were carefully selected for their educational value and are to be used mainly in our Highwood work, where good reading is difficult to secure and where it is greatly needed.

The gift is one that appeals to all who are working with growing boys and girls, and the donor has the sincere thanks of the board and commonwealth leaders who realize what the books will mean to the children who meet every week at the Port Clinton headquarters.

The Junior Boys' Club under their leader, Miss Craig, gave a Valentine party at the Port Clinton School Friday evening, February 17th. A very pleasant evening was spent.

Miss Edith Morris of the North Chicago School was a week-end guest of Miss Craig at the association.

Elm Place School Notes

Baby Week will be celebrated this afternoon at one-thirty in general assembly when the children will get together and tell "cute sayings and doings" of their little brothers and sisters. All "sayings and doings" are limited to children under the age of six years. There will be a prize for the best saying. Miss Jewett's classes will render a number of lullabies which will be followed by pictures of the "Madonna and Child."

On Monday evening a large number of people witnessed a very good production by the pupils of the upper grades entitled "Old Slavery Days." Miss Grunewald who originated the playlette and was ably assisted by Miss Jewett, deserves a good deal of credit for such a splendid production. The life and times of Lincoln were beautifully portrayed by the children who took part. The leading parts were all well done and the pantomime work was exceptionally good.

Baptist Church Notes

Today the Mission Study Class of the Ladies' Guild will meet in the church parlors at two-thirty.

Dr. Evans will preach again on Sunday.

The Young People's meeting will be led this Sunday by Mrs. Byron J. Stevens; the hour is set at six-thirty.

Fort Sheridan

Mrs. D. L. Tate will return this week from New York where she has spent two weeks.

Mrs. F. H. Sargeant and Miss Alice Sargeant are in Sea Breeze, Fla., where they will remain for one month.

Fred W. Schumacher will have a one cent sale March 16, 17, and 18.
