Use Bowman's Safe Milk
 Four things are essential in the produc-
 tion of safe milk, viz. Dairy inspection to
 keep milk clean, Perfect pasteurization
 to destroy pathogenic germs. Bottling in
 the country to reduce danger of contam-
 ination before bottling and abundant Re-
 frigeration to arrest the development of
 bacteria.

Presbyterian Church Notes
 The Young People's Meeting will be
 held at the Presbyterian Home on
 Sunday at four-thirty. Mr. Oliver
 Leonard will have charge. There
 will be a business meeting at four
 o'clock preceding the regular meet-
 ing.
 At the eleven o'clock service next
 Sunday morning the pastor will con-
 tinue the series of sermons on the
 Lord's Prayer, taking for the text,
 "Thy Kingdom Come." Some of the
 questions to be discussed in the treat-
 ment of this text are: What is the
 Kingdom? How does it come? and
 who are members of this Kingdom of
 God?
 A special feature of the service
 next Sunday morning will be the or-
 dination and consecration of those
 who are going to conduct the Every
 Member Social, Visitation of the Par-
 ish in the afternoon. About forty or
 fifty members of the church will visit
 during the afternoon every family
 connected with the church, so far as
 they are known, and give a very per-
 sonal invitation to the special services
 to be announced on a card of wel-
 come which these visitors will carry.
 The object of this Every Member Visi-
 tation is the cultivation of fellowship
 and good will, and to give publicity
 to the "Go to Church Season" which
 the officers of the church have plan-
 ned for the period of March 19th to
 April 23rd, culminating in special
 services during Holy Week and East-
 er, with some novel features to be
 announced next Sunday. There has
 been a gratifying gain in attendance
 at the services of the church the past
 few weeks, and it is hoped to mate-
 rially increase this; and to make ev-
 ery one in Highland Park who is not
 affiliated with some other church feel
 the welcome which is in store for all
 who attend the church services. Our
 big word is WELCOME; that this
 may be a "CHURCH FOR THE PEOP-
 LE WITH A WELCOME AND
 SERVICE FOR ALL."
 The program being arranged for
 the meeting of the Woman's Mission-
 ary Union next Monday will deal with
 social conditions in Highland Park,
 and several speakers of interest will
 speak. All women of Highland Park
 are invited to attend.

High School Notes
 The official report of the night
 school work is now ready for publi-
 cation. The night school was in ses-
 sion for sixteen weeks, ten weeks be-
 fore Christmas and six weeks after.
 In the mechanical drawing class,
 twenty-nine students were enrolled,
 and twenty-five were given credit; in
 the wood and metal shopwork class
 there were thirty-four enrolled and
 twenty-five received credit; in the
 sewing class, ten out of thirty-six
 were given credit; in the typewriting
 class ten out of thirty were given
 credit; the bookkeeping class which
 was discontinued after the first term,
 gave credit to sixteen and the arith-
 metic class, which was also discon-
 tinued after the first term credited
 thirty students; in the business Eng-
 lish eleven out of nineteen students
 were credited, and in the English
 class for foreigners seventy-six were
 given credit.
 Mr. Edgar Steever of the War Col-
 lege, Washington, through whose in-
 fluence the school is securing guns
 for the cadet corps, spoke in general
 assembly to the boys. Mr. Steever
 was a guest at the H. S. Vail home
 this week.
 There are four hundred and forty
 day school students registered in the
 school at present.

Highland Park Club
 The pictures on Friday evening
 were very good and other good pic-
 tures will be shown tomorrow eve-
 ning, when Balfe's popular opera, "The
 Bohemian Girl," will be played.
 Mr. John Kendrick Bangs, the
 writer and lecturer, spoke to a good
 crowd of listeners on Saturday eve-
 ning at the club. Mr. Bangs' talk
 was on the subject, "Salubrities I
 Have Met," and was very humorous.
 Mr. Bangs spoke not only along hu-
 morous lines but also of the different
 well known men he has met. Every-
 one thoroughly enjoyed the talk and
 expressed pleasure over it.

Y. W. C. A. News
 The Grace Dodge Memorial Fri-
 day evening was very well attended
 and showed the interest that is taken
 in honoring a woman who has done
 so much for the women of our land.
 Prayer was offered by Rev. A. A.
 Pfantstiel and the address of the
 evening was given by Mrs. Carl
 Pfantstiel who told of the wonderful
 character of Miss Dodge, giving many
 personal touches which brought her
 close to us.
 Mrs. Pfantstiel charmed her audi-
 ence and handled the subject in an
 admirable manner. A collection was
 taken for the Endowment Fund which

The sample of water which you submitted to
 us for analysis taken from our Water Purifier and
 Filter showed that it contained four grains of lime
 per United States gallon. The mud, silica, organ-
 ic matter and bacteria was all removed, that the
 water is absolutely pure and is ice that you are
 making is better than any that is made in the city
 of Chicago or any suburban town.

demonstrated that Miss Dodge still
 lives in our hearts. This meeting
 closed the Jubilee which has been the
 source of a great deal of satisfaction
 among the leaders of the association.
 The Port Clinton School where the
 boys and girls clubs of Highwood
 have been meeting has been painted
 white throughout the interior. A
 new bookcase with suitable books and
 new curtains added which makes a
 very pretty club room. We are in-
 debted for the interior decorating to
 the drill team of the Modern Wood-
 men who also use it for a meeting
 place. The Y. W. C. A. now have
 two boys' clubs, two girls' clubs and
 a night school two evenings a week.
 Surely this is work worth while and
 should appeal to all interested in
 these lines. Visitors are not only
 welcome but are urged to visit this
 branch of our work.

Starting Monday, Mr. Burg, head
 of the manual training work in the
 grades of Waukegan, put his young-
 sters to work on the construction of
 200 bird houses to be erected in vari-
 ous parts of the city.
 The stunt is the outgrowth of an
 agitation started by the Woman's
 Club to stir up interest among chil-
 dren in protecting birds and doing
 what they can to make it an easier
 job for the feathered tribe to live.
 The boys will work in an earnest
 manner and it is felt that the houses
 will be ready to erect by April 1.
